# EDITOR'S NOTE

If there is a trait which does characterize leaders- it is opportunism.

In life there comes a moment when you have to stop revving up the car and shove it into gear. If opportunism and taking initiative is the need of the hour, then Daly College seems to have taken this quite seriously.

A bevy of inspiring initiatives take spotlight in this issue.

Attitude is the difference between ordeal and adventure. Conforming to this adage, our school hosted the RS Adventure Camp 'Novaturient' that provided a hands on experience to the students. An experience in itself it was and the students' accounts bear testament to the fact.

The maxim of live and let live is most befitting today. Captured in beautiful images and through interesting accounts, we bring before you, our team of students who will work on the school's pilot project to save the tigers in the forests of Panna. Small but important initiative by our students not to strip the stripes from the scenery. An initiative worth emulating!

Life's most persistent and urgent question is -what are you doing for others? While you ponder this sometimes complex thought, take time out with this issue to see how our students have endeavoured to work for the ones on whom Lady Luck is yet to shine. Be it on the streets of the city performing a Nukkad Natak or setting the stage on fire to collect funds for the support staff of the school or for that matter, the fete for the Kerala flood victims, we did it all. Our page on Community Service allows you to skim through some more initiatives that are taken up by our school, and you can't go past the students and teachers including

the head of the institution cycling their way to school!

One of the greatest privileges of my job is to keep learning. This year it was the saint poet, Kabir. In this issue, we pay tribute to this famous saint poet as we delve into his life and highlight some parts of it in the form of a dance drama at the APG. Navigate through a volley of his life events captured in snapshots that display the talents that the Dalians possess.

April is a month of persistent carnival at DC besides so much more. Inter-house activities are like runways wherefrom students' talents take flight.Comb through this section and watch our students in action as early as 6 in the morning! A spectacle to behold!

Elsewhere in this issue, we have our Junior School kids always charming us with their exuberance, creativity and motivation.

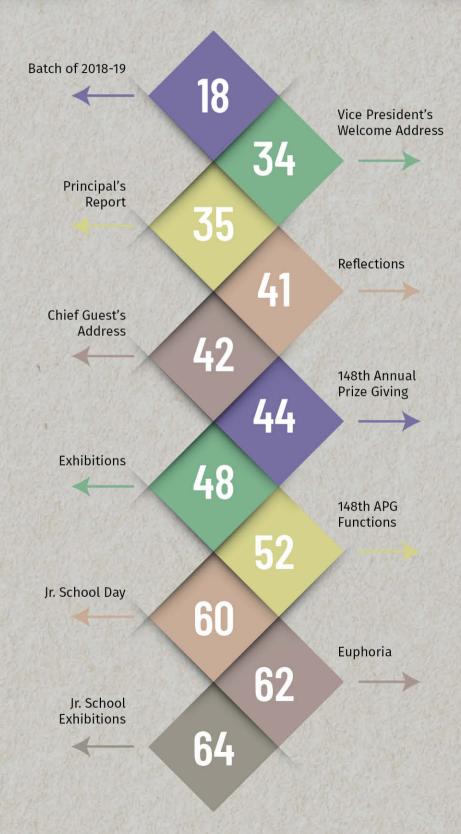

Lastly, to the Head Prefects and the Deputy Head Prefects for their reflections and responses so candid, for their feelings so very straight from the heart, a hearty thank you. Hope they inspire and interest many a reader. Hope you find yourself in these experiences because it could be you too that they could be talking of. Catch them in the inside pages (at the risk of being candid)!

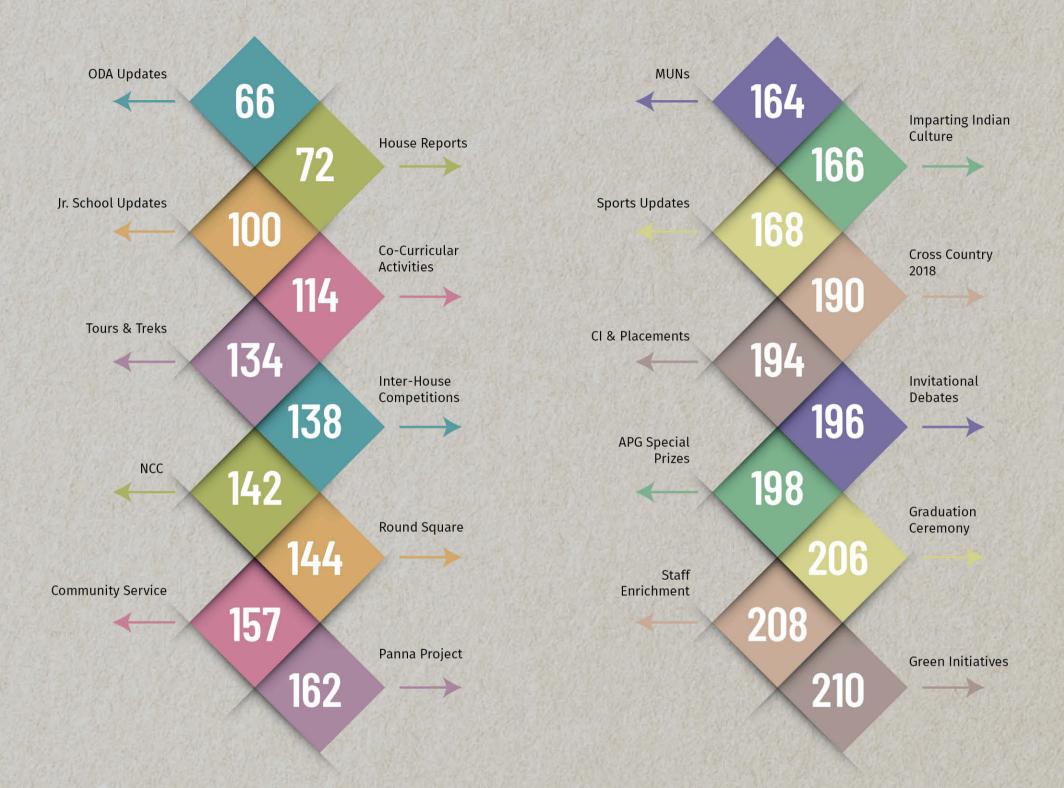

It has always been with the support of the Principal, the Vice Principal, my colleagues and the students who make possible this issue to reach you. To everybody who's directly or indirectly involved, a profound thank you.

Buona lettura!

Shilpa Virmani Chief Editor

# PREFECTORIAL BODY

# PRINCIPAL'S MESSAGE

Last year, the College Magazine was reformatted and aesthetically designed like a Yearbook in the true Coffee Table Book style. It meant more expense for obvious reasons but the editorial board received kudos for their effort from the community. Encouraged by the response ,we again present the Yearbook on similar lines. I am sure you will find it worth keeping as a precious memento.

The College has continued with activities and games with as much and more enthusiasm than before. Students have accepted changes in the formats of various co-curricular activities and games which were introduced with an aim to enhance participation and allow each child an opportunity to discover and express what has been latent in him/her. College Fields remained abuzz with the chants of House or College slogans the year around. The changing seasons cast their glow in myriad hues and riotous colours on our playing fields as inter -house matches in different sports were played in different seasons.

Ditto with activities – CTDC, Auditorium, lawns near Desai lake or Chandhok Lawn or Junior School bustled with the sounds of children and their 'gurus' – helping children express themselves in different ways in the process of imbibing education at DC. I trust this will empower students and enable them to negotiate life's highs and lows or various turns and twists successfully. We pray!

Social Service continues to get prominence in the College Calendar as more and more children show great desire and resolve to help those who are in need. Eye Camps in the nearby villages have been hugely successful. The Panna National Park Project in the buffer zone is

another initiative which saw the College spread its wings far and wide.

I am not sure if all the activities have been captured and included in the following page but I am sure that the Editorial Board has judiciously selected vignettes from the life of a student at DC.

I am happy that it will be a perfect souvenir for visitors, parents and students, especially the 2019 batch.

Today's student faces newer challenges and more competition as he/she walks out from the school to embrace a new life at the universities and beyond. Through the activities, academic vigour and experiences at school, we provide the opportunity of holistic growth to students. In an uncertain world that awaits our children, we need to lead to strengthen them in body, mind and soul. Emphasis in school shall be on awakening inner joy through music, dance ,arts, and physical education. Excessive programming for the child towards worldly achievement shall be resisted - a balance needs to be found in life to remain sane and self sufficient in our own being. I urge the community to encourage children to do things for their intrinsic value rather for a desired consequence to win a prize/award. I am happy to see some of our students beginning to enjoy the act of giving and contributing to make the needy ones in the society feel a shade better through eye camps, washroom constructions etc.

In the end, I would like to congratulate the Editorial Board for their dedicated effort to bring out this edition.

Best wishes,

Neeraj Kumar Bedhotiya Principal, Daly College

# VICE PRESIDENT'S Welcome Address

Honourable Chief Guest, Sumitra Mahajan ji, members of the governing board, Principal, Neeraj Bedhotiya, sir, distinguished guests, parents, staff, dear students and the reunion batch of '93.

On behalf of Daly College, a very warm welcome to everybody on its 148th Annual Prize Giving function. Friends, it is indeed a moment of immense pleasure and pride to have amongst us our chief guest, Shri Sumitra Mahajan ji, also affectionately known as 'Tai'.A lady of sterling qualities, she has remained a member of the parliament for a record eight times and has been entrusted with several other important portfolios, before she assumed the momentous responsibility of the speaker of the Lok Sabha.

Thank you, ma'am, once again, on behalf of all of us present here and the school, we extend a warm welcome. It is indeed heartening to see the large turnaround in the school.

Before we start the function, I would like to take a moment to thank all my colleagues on the board , the governing body and the Principal, and their efforts and their initiatives as a result of which we can boast of a greener campus, new infrastructure for sports and greater student participation in various co-curricular activities in addition to academic growth. Encouragement of team games has produced rich evidence in the IPSC results as well and the special gold credit goes to the Principal for this, for encouraging team sports in the school.

Friends, the school remains committed to producing well-rounded individuals who can overcome the challenges of the 21st century.

Last but not least, I am proud to inform you that the school now has a reserve fund of almost 50 crores. Thanks to the strict financial discipline instilled by the board and the Principal. This will be utilized to provide newer and better facilities for students in the years to come.

A warm welcome to all of you once again. Thank you.

Jai Hind

Mr. Devraj Singh Badgara

Hon'ble Chief Guest, Smt. Sumitra Mahajan, Member of Parliament and Speaker Lok Sabha, Vice President of the Board, Shri Devraj Singh Badgara, Members of the Board, former Members of the Board, Mr. Manish Shanker Sharma, distinguished guests, parents, old Dalians, and especially the Silver Jubilee Batch of 1993 and the Golden Jubilee Batch of 1968, colleagues, and dear students-I welcome you all to the 148th Annual Prize Giving function of the Daly College.

Our Chief Guest, Smt. Sumitra Mahajan does not need an introduction to this gathering. Further, I am not sure if I would be able to do justice, if I tried. Nevertheless, this is my humble attempt. First, I would like to place on record our grateful thanks to Shrimati Mahajan for accepting our invitation to be the Chief Guest today despite a very, very busy schedule with the upcoming winter session of the Parliament, very close indeed!

Born in Chiplun, Ratnagiri, Maharashtra, Smt. Sumitra Mahajan is the present Speaker of the Lok Sabha of which she is also the longest serving woman member. As presiding officer of the Lok Sabha, she is one of the highest Constitutional functionaries in India's parliamentary system. She also holds the unique distinction of being the only woman MP to get elected from the same constituency eight times in a row, i.e., Indore since 1989. She is the second woman after Ms. Meira Kumar to be elected Speaker of the Lok Sabha. Her impressive victory margins bear a testimony to her immense popularity and are also a reflection on her success in meeting the aspirations of the public. As a parliamentarian, Smt. Mahajan has contributed immensely and enriched the parliamentary debates with her eloquent and effective speeches. She has always set an example in upholding the values and traditions that enhance the dignity of the parliament, which is the sacred temple of democracy.

Smt. Mahajan has rich administrative experience, from being Deputy Mayor, Municipal Corporation, Indore in 1984 to being a Union Minister of State in the key ministries of Human Resource Development, Communication and Information Technology and Petroleum and Natural Gas between the years, 1999

to 2004. She has travelled extensively both in India and abroad and has attended various international parliamentary conferences and seminars besides leading delegations as the Union Minister.

Popularly known as 'Tai' among the people of her constituency, she has brought many projects for Indore from railways, aviation and urban development ministries. She has been member of numerous Parliamentary and Joint Parliamentary Committees.

She pursued her higher education, MA and LLB, in Indore after her marriage. Her grandchild has studied at Daly College. She is known for her simplicity and clean politics. She has a clean track record and has always kept a distance from special interest groups.

Smt. Mahajan is an avid reader and ardent theatre lover and is actively associated with social and cultural organisations promoting music, theatre and other performing arts. She is the former President of the Marathi Academy in Madhya Pradesh and the Chairperson of the Ahilya Utsav Committee and Contemporary Study Centre, Indore. Her special interests are women's welfare, social reforms and literature (poetry in particular). She is also associated with various clubs and organisations for the promotion of Indian rural sports: the protection and development of play grounds and women's kho-kho.

We are privileged and honoured to welcome you Ma'am as the Chief Guest on the 148th Annual Prize Giving Function of Daly College. We are most grateful for your kind and gracious presence. Ladies and Gentlemen, please put your hands together to welcome our Chief Guest, Smt. Sumitra Mahajan.

I also take this opportunity to welcome Mr. Manish Shankar Sharma, IPS, Additional Director of Police, Madhya Pradesh who was the Chief Guest at the Junior School Prize Giving yesterday and inaugurated our senior school exhibitions. We are grateful to you Sir for spending close to three and a half hours visiting exhibitions and encouraging our students. The exhibitions were based on the theme 'Communication and Conduct'.

# **PRINCIPAL'S**Report

Now, I am going to read the Principal's Report of the year 2018. While I will mention the highlights of various sections, the details will be read by members of the Prefectorial Board.

CBSE Class XII batch average was 77.8%, an improvement over the previous year. 32 students scored in 90s. Four students of Class XII scored 100 percent marks, two in Painting and one each in Psychology and Political Science

The School toppers were Ishan Jain with 97.2% in Humanities, Aditya Agrawal with 96.4% in Science and Vikrant Narayan Singh with 96.2% in Commerce

CBSE reverted to Class X Board examination for 2017-18 session after a decade of Continuous and Comprehensive system of school based assessment. The school prepared students by giving them rigorous practices. I am happy to share that students responded well and the CBSE Class X batch average was 74.6%. Twenty seven students have secured 90% and above. Ayushman Choudhary was the topper of Class X with 97.4%.

The Batch of 2018 has maintained high standards set by earlier batches in academics.

#### **Cambridge International Results**

IGCSE, equivalent to Class X, results were excellent again. 68% students passed with Distinction and the rest with Merit, out of a total of 22. A\* and A grades comprised 56.3%. Arjun Pasari in Geography and Mahika Jain in English as a second language topped the country. Mahika Jain also scored A\* in all nine subjects, A\* being the highest grade.

18 candidates appeared for A level Examinations. 26 % students scored A\* and As.

Anushree Gupta was declared the TOPPER in the World in A Level History. She obtained 4 A\* and one A grade.

#### **College Admissions**

The students of 2018 Batch have been offered admissions in the Top Universities of India and abroad. Amur Khandelwal made it to IIT, Kharagpur while being a regular student at the school, a rare feat these days. Regarding all-round student progress, on the academic, pastoral, sports and co-curricular fronts, monitoring and supervision through regular staff meetings has become a usual feature to appraise and record each child's progress. This has led to meaningful interaction all around, within the faculty and with parents resulting in the identification of areas for improvement and counselling. We have regular monitoring of attendance and punctuality. Feedback given to parents has resulted in improvement in both.

A Daily Record Book has been introduced to maintain a classroom teaching record and is monitored by the Class Coordinators. This helps in keeping track of student absenteeism and the pace and content of the teaching —learning process.

A Class Observation Proforma has been introduced. Every teacher is observed by peers who include HODs, Deans and the Vice Principal for the entire length of a lesson and the feedback given helps teachers in improving their teaching skills.

The Cultural Department has always been at the forefront in Daly College. We have excelled at the national level in the IPSC competitions in the Performing and Visual Arts this year. Daly College walked away with the trophy at the IPSC Dance Fest held at the Assam Valley School, Guwahati. Vidhi Soni was adjudged the best dancer in the solo dance competition, which saw some of the best dancers of India at the school level. Our western section in music performed exceptionally well this year. This, coupled with our usual excellence in Indian music, brought home the trophy at the IPSC Music Fest held at Vidya Devi Jindal School, Hissar. Daly College bagged several top prizes at the IPSC Visual Arts Fest held at the Welham Girls' School, Dehradun.

Our musicians have been busy throughout this term as they performed at Chhapan Dukan in August and a music concert- DC Cares- was organised in October to raise funds for the Support Staff on daily wages. This praiseworthy effort was well received by the community. As in games, more levels have been introduced to increase the number of participants in literary and

cultural activities. One can now see the auditorium occupied during term time bustling with these activities. Some of these activities are organized now in the morning session so that Day Scholars can witness them and develop house spirit.

In the arena of sports, a total of 603 students represented the school in various tournaments for games and sports this year.

427 students participated in various IPSC Competitions while 45 students participated in CBSE Tournaments. 131 students participated in SGFI Inter -school, District and State level tournaments.

To date, a total of 161 students have been selected for Nationals; 121 for SGFI Nationals and 40 for Open Nationals, maintaining the high standards set by earlier batches.

After having achieved a world junior ranking of 25 at the age 16 years, Mahak Jain has placed all her focus on improving her WTA ranking and is now participating in women's tournaments. She is currently ranked in the 600s. She is the winner of Fenesta Women's National Tennis Championship and is ranked number 5 in India in the Open category.

Sudipti Hajela has been awarded the coveted Eklavya Award by the Madhya Pradesh State Government. Sudipti is now a member of the National Horse Riding team in the dressage event and will be participating in the Asian Cup in April, 2019 in Doha.

She is currently ranked number 1 in India in her event. While we have maintained excellent results in shooting, our tennis and swimming athletes have given sterling performances this year.

DC won the overall championship in the All India IPSC Tennis (Boys) held at the Doon School and IPSC Tennis (Girls) held at Modern School, Delhi. Both, boys and girls, won the team events in the U-14 and U-19 categories. In the Individual categories, we won Gold in U-14 and U-19 and Bronze in U-17 in the girls' section. In the boys' section, we won individual Silver medals in U-14 and U-19 age groups.

In the All India IPSC Swimming Championships held at Raj Kumar College, Raipur, DC won 22 Gold, 25 Silver and 30 Bronze medals. DC emerged overall champions in the U- 14 Boys' and Girls' categories.

In the All India IPSC Girls' Basketball (U-17), Daly College defeated the formidable team from MNSS Rai to become Champions.

In the All India IPSC Shooting Championship, Daly College girls won the overall Championship for the 10th consecutive time, while the boys' team was runners- up. While the school athletes in individual sports have been doing well, our focus on team games has started to yield results. However, it requires continued efforts and perseverance to obtain better results.

Since my joining, efforts have been to enhance the number of students participating in games and co-curricular activities at the Inter- house and Inter-school competitions. In games, we have created levels as per the SGFI norms now, U-14, U-17 and U-19. Each level has two teams for Inter-house matches in football,

hockey, basketball, and cricket. 60 Inter-house matches in each game are being played by boys in the senior school and the girls play 18 matches. Thus ,in hockey and basketball almost 700 students participate in the Inter-house tournaments.

Some of the talented students also help in refereeing and umpiring these matches. In the Inter- house Athletics too, our efforts are directed towards the participation of all the students according to their prowess - in track and field events or march past, yoga, aerobics or gymnastics. Inter- house Cross Country Competition has been reorganized to encourage 100% participation. Swimming has been made a compulsory life skill to be learnt by all students. We now provide physiotherapists regularly during training sessions in all the games.

All this promotes the development of leadership amongst a large number of students as they are involved in leading, training, supervising and managing. As loyalty towards one's house increases, students engage positively with the school while their energy is channelized in the right direction.

This year the Kishangarh Shield has been revived for the seniors.

#### INTERNATIONALISM

For the first time, Daly College hosted the Round Square Trek and Adventure Camp for middle school, attended by 136 delegates from India, Bangladesh and UAE in October this year.

Mrs Kumud Singh and Mrs Vinita Dautkhane attended the Round Square Discovery Framework Workshop hosted by the Amman Baccalaureate School, Amman in Jordan in April.

The Principal and Mrs. Vineeta Bedhotiya attended the G20 Conference hosted by Carrey Baptist Grammar School, Melbourne in March this year.

#### **Professional Development**

The Central India Cambridge Community meeting of Principals and Exam Officers was held at Daly College on September 15, 2018. Principals and Exam Officers of 20 schools from M.P., Rajasthan and Chhattisgarh attended the meet.

This year, there has been a multi-fold increase in training workshops attended by teachers. Nineteen teachers attended various professional development face to face training programmes conducted by experts from Cambridge International. Capacity building programmes organized by the CBSE were attended by 12 teachers.

The Vice Principal and the Dy. Dean of Sports attended the Annual Conference of TAISI on Leadership at Mumbai in September.

Dean, CI and Placement, attended the IC3 Career and College Guidance Conference in New Delhi in ..........

The introduction of staff enrichment programme over 3 to 5 days, was organised in January and June 2018 where we explored educational themes. We invited

eminent speakers, experts and educationists to share their expertise and give their inputs on

"Communication and Conduct", the theme for the enrichment programme in June. We have carried this theme through the year and you would have noticed that many of the exhibitions are based on the same theme.

#### Staff News

The School community mourns the sad and untimely demise of Mr. IS Hora, the Housemaster of Holkar House and a Geography teacher. Mrs Hora is now working in the Junior School.

This year we bade farewell to long serving members of the community who made an impact on generations of students- Ms. Sarita Badhwar, Mrs. Kusum Harne, Dr. (Mrs.) Ragini Norman, Mrs. Avril Birdsturgeon, Mrs. Sanjana Moorjani, Mrs. Nanda Jagtap, Mr. AM Gandhi, from the administrative side Dr. S. Maitra and Mr. KS Kapasiya. On behalf of the school I thank them for their contribution.

We also welcome newly recruited young staff whose enthusiasm and energies resonate with the students.

The staff cricket team visited PPS Nabha, Lawrence School Sanawar and Pinegrove School in Kasauli to play friendly matches with their staff teams.

#### Infrastructure

Classrooms are now smart with networked computers, projectors, white boards and new software for enhancing learning experience.

This year we upgraded washrooms in Junior Bharati and Malwa Houses. Renovation of washrooms in the academic blocks is also on the anvil.

Additional 182 CCTV cameras have been installed to enhance safety and security and the control room is now manned 24 hours.

Dance room has wooden floors now apart from a beautiful décor and central cooling.

44 water purifiers have been replaced with new water purifiers to upgrade the quality of drinking water.

The CISF conducted a security and fire audit and their report has been presented. We are studying their recommendations for implementation wherever necessary and looking at its practicality too.

Remodelling of the furniture in the classrooms has begun.

25m outdoor shooting range is almost ready along with the renovation of 50m range.

Renovation of Scindia Pavilion is nearing completion and it has been inspected along with the ground by the BCCI for hosting domestic matches.

DC is a partner with IMC, Indore in implementing the 3Rs – Reduce, Reuse and Recycle to make the campus garbage free. Work on the grounds has made the campus look much more pleasant and greener. All the grounds, except hockey, are newly laid and grassed. Using a Japanese technique and with the support of Old, Mr. Ambrish Kela and Mr. Pranav Patel we planted a dense forest of 23000 trees using 40 native varieties

of trees near the shooting range. You may like to see it yourself to appreciate that in four months some of these saplings have grown to be 8 feet tall or more. More recharge pits have been made to store rain water to maintain the water table. STP has been restarted and its capacity will be enhanced from 50000 litres now to 2 lakh 50000 litres soon so that we can maintain the greens.

Projects which have been approved and are at various stages of planning and implementation are:

- restoration of Ashok & Vikram Houses, Dining hall, Kitchen and Cafe, Tennis & Squash courts, and Barwani House
- provision of central air cooling in Houses,
- relaying of wooden floors in the gymnasium to house 4 badminton courts,
- facilities for horse riding,
- landscaping and parking area near Musakhedi gate,
- facilities for resting, showers and lockers for day boarders,
- central provision stores,
- renovation of staff accommodation,
- additional washrooms for support staff,
- new basketball arena,

Many other smaller projects are also in the pipeline to provide facilities to our students befitting the 21st century living. Of course, these need a huge sum of money and an equally enormous effort to execute these projects in the next two years. The Board has approved a new post of Project Director for the same for efficient implementation and execution of these projects. The continued support of parents and Old Dalians will help us tide over financial difficulty, if any, in executing these projects, I believe.

On the administrative front, financial discipline in expenditure has made every penny buy more. We have cut down on wasteful expenditure, tightened and streamlined purchase procedures. Money saved will of course be very handy to provide better facilities and additional staff for our students and the welfare of our dedicated staff.

Last year and this year, I have had a series of discussions with the Board, ODA executives, parents, staff and students to develop a vision for our students and we all agreed on attributes of our 'Dream Dalian':

- Confident
- · Creative/Original
- Exposed to wide opportunities so that independence of thought develops
- · Team player and collaborator
- · Innovator with strong communication skills
- Sensitive
- Balanced/rooted in Indian culture with a global outlook
- · Ethically strong, spiritual
- Stands out in a crowd, a leader with good manners and amiable disposition
- · Above all a Good Human Being

My efforts and programmes are directed to achieve the same. Each child is important and requires equal opportunities in a fair and transparent way to bring out his/her talent.

I think I have spoken long enough and will conclude by expressing my thanks to the Members of the Board of Governors, to all categories of staff, to our well wishers within and outside the government and especially to the Chief Guest, to our parents, Old Dalians, the media for the way they encourage our students, and of course, to the students who make it all well worth it. Jai Hind

#### APG Report 2018 Academics

The Batch of 2018 has continued to maintain high standards set by earlier batches, be it sports, culture, co-curricular activities or academics as announced by the principal. CBSE and IGCSE results both have been excellent.

In 2018, three Career Fairs were organized, one for the USA universities, the second for international universities, which included USA, UK, Canada, Australia

and Singapore and the third Career Fair was only for Indian Universities.

#### **Community Service Projects**

Daly College, in association with Choithram Netralaya, organized the 12th Eye-Camp in two villages, Dudhiya and Bisankheda in April 2018. We shifted the eye camp from the usual urban to rural areas so as to help that part of the society which is the most vulnerable. Over the course of the 4 days of the camp, total patients registered were 5582, the numbers of spectacles distributed were 5312 and 54 cataract patients were identified. Students have volunteered to take part in another eye camp which will be conducted during the winter break.

Students also worked on a Solar Power Viability Project for the Indore Cancer Foundation.

Rising to the cause of community service, Daly College organized a Blood Donation Camp in the month of August where parents and staff came forward in good numbers and donated blood.

Daly College School Council organised a Musical Evening with the support of parents and old students to raise funds for the Daily Wages Support Staff of Daly College.

"Mera Shahar Indore" - an endeavour with a social and motivational cause was organised by the Daly College Prefects at Chappan Dukan. They cycled to Chappan Dukan and back. The students presented a musical program and a nukkad natak for creating awareness amongst people for a clean and green city.

Our team of 7 students just returned from Kerala after participating in rebuilding a school under the RS umbrella.

The School Council has been reintroduced to give students more say in decision- making policies. School Council initiatives to organize fund raisers for 'Kerala Flood Victims" and "Daily Wage Class IV Employees' were not only successful but also enhanced participation of students in acts of 'sharing and giving

#### Visitors to DC

We have had an excellent stream of visitors this year. Their interaction with the students was fruitful and benefitting to young minds. These include Brahmakumari, Sister Shivani, Mr. Amitabh Kant, CEO. NITI Aayog, Professor Dinesh Singh, Former Vice Chancellor, Delhi University, two young mountaineers -Mr. Ratnesh Pandey, the first one from MP to climb Mt. Everest and, Ms. Deeya Bajaj, who was part of the first father-daughter duo from India to climb Mt. Everest. Her father, Ajeet Bajaj has the unique distinction of being the first Indian to reach North and South poles. Rising star in sports and Commonwealth Gold Medalist, Ms. Manika Batra was the Chief Guest at the Inter House Athletics event. IPS, IG Police was the Chief Guest at the closing ceremony of the Girls' IPSC Basketball Championship. A group of 21 students escorted by 3 male professors visited India in the month of March from the university of Denmark .Their research focused on teaching techniques used in the Indian System of education.

Central India Cambridge Community meeting of Principals and Exam Officers was held at Daly College on September 15, 2018.Principals and Exam Officers of 20 schools of M.P., Rajasthan and Chhattisgarh attended the meet.

The quality, nutritional value and variety in the meals served to the students has been much appreciated by the student community.

All boarders from classes 4 to 9 and the Junior School day students of classes 5 & 6 were sent on treks, adventure and educational tours to Garhwal, Jaipur, Ranthambore, Bheembetka, Pachmarhi, and Madhai. Such experiences have helped in self-discovery and development of character apart from raising the confidence level.

#### **ENGLISH LITERARY**

It has been quite a gratifying journey for the English Literary Society this year. Our debaters visited various public schools of repute across the country to participate in various literary events which gave them an opportunity to experiment with different styles of debating, namely,

Shivansh Bagadia

modified Oxford , Cambridge and Parliamentary styles. We began our literary journey in the month of April 2018 when Daly College hosted the Invitational Debates and Quiz where almost 14 schools participated. Our debaters were Runners- up in the D.F. Jack Memorial English Debate.

We also participated in the Platinum Debate at Scindia School Gwalior in the month of July where our debaters were applauded for their performance and finished Runners - up. Our second debating fixture was the Silver Jubilee event at the Mayo College Girls' School, Aimer followed by participation in Gibson Debate at Mayo College, Ajmer where Vedant Jain was adjudged the Best Speaker in the first two rounds. Dalians proved their mettle at the Sanawar Literary Fest at Lawrence School, Sanawar by bagging the first Prize in Story Telling and Book Critique events. The team comprising Pragun Gupta, Hitayshi, Aryaki and Mahika Jain stood Second in costume drama. All in all, it was a good year for the English Literary Society and we look forward to scaling newer heights in future too.

#### Hindi Literary Ativities 2017-18

#### Cultural Report 2017-18

The year 2017-18 was an eventful year for the Cultural Department. The academic session kicked off with a team of 24 students and 2 teachers going to Italy to represent India at the IX International Summer Festival "Meet the tradition" held in Montecatini, Italy.

Aanvi Agrawal

proud by participating and winning the IPSC Dance Fest 'Nrityaparva' held in The Assam Valley School in the month of September, 2018. There were 16 schools from all over the country and our team consisted of 15 students . In the Classical Solo dance, Vidhi Soni claimed the first position . In Folk Dance, our team secured the third position and in the Semi Classical category ,the dancers portraying the wonderful story of 'Ardhnareshwar' secured the second position. Scoring high in all the categories, the Dalians returned bringing home the winners'trophy.

Our streak of success continued in the IPSC Music Festival 'Aarohi', 2018 hosted by the Vidya Devi Jindal School, Hisar in October. A total of 9 events were held in Indian and Western music. Team DC participated in all the events and the Western Orchestra and the Indian Orchestra both secured 2nd positions while the Indian Group song and in Light Classical Vocal Solo(Swastindra Mishra), secured the 3rd position. Nakul Singh Rathore, our in-house maestro, secured

the 1st position in Western Instrumental Solo.

The Performing Arts set the pace and not far behind were the visual Arts. In October, at the IPSC Visual Arts Festival, hosted by Welham Girls' School, Dehradun, Dalians won the following accolades: In Wire Sculpture, Shreya Sojaitia and Ashmi Jha secured the first position as did Zarah Chandurwala and Arko Dasgupta in Digital Art. In outdoor study, our artist, Zarah Chandurwala claimed the third place and H.Vanremruata matched her performance in Cartooning. Aakash Kataria showcased his talent in Macrame and bagged the third prize.

The Dalians were not only trail blazers at IPSC Festivals, they contributed their bit to helping raise funds for the Daily Wages Class IV Support Staff of Daly College by successfully organising a Musical Evening with the support of the parents.

#### **MUN Report**

MUN is popular at Daly College as it enhances basic skills of the students first being a boost in confidence, and then learning how to negotiate, research and most importantly listen and take notes. MUNs also help the students to get a global perspective of the world and sensitize them towards issues which, if not directly but indirectly, affect them too. Keeping this in mind, this year we conducted the first inter -house MUN so that novices get a chance to participate and more and more students are initiated into this very fruitful activity. The youngsters of the school are also not left behind and a Junior Conference was held for them in September. Continuous workshops during clubs or on Sundays and Intra - class MUNs keep the students ready to participate in MUN conferences held by other institutions; these activities are not only beneficial for the new students but also for the experienced ones as they get prepared to chair committees too. This also encourages the students to think out of the box and this year they organized a conference where the students' on the spot thinking and research work was tested - this was a first of its kind conference which was to build a new nation. This year, around 200 new students were initiated into MUNs and 150 students attended 8 conferences out of which 48 brought laurels.

# Reflections

The Head Girl reflects

The blue prefect uniform dream of class 7 came true last year with a hidden message- "With great authority comes great responsibility." My passion to stand out in the crowd revealed that the journey to the summit is all alone, but it is equally beautiful at the top. Rubbing shoulders with the core group of mentors came with a price of friction with peers and best friends, but for the better. Moreover, striking a balance between school life and discharge of duties was a tight rope walk, a lesson that can be never learnt in a classroom. Surprisingly, the head prefect role actually metamorphosed me from being notoriously unorganized to a meticulous human.

"Didi aap toh head girl ho na please gate pass par sign kar do" or "Naquiya di please lesson miss karwa do!" these adorable innocent requests from juniors will chime my ears forever. Finally signing off, I would express my heartfelt gratitude to entire DC community for believing in me; I will definitely consider repeating grade 12 a few ten times and over only to live my life as a head prefect at DC.

-Naquiya Barwaniwala

The Head Boy reflects

I've been asked to specifically encapsulate my experiences as head prefect in the next 150 words, thus making it one of the hardest pieces I've ever written. To start with, the day I became the head prefect, it was the proudest day for me and my father. Getting the badge pinned on my shirt by the Principal was a very nice feeling .Becoming the head prefect was one of the most enriching, hard, testing but fun thing that I've gone through. It gave me an identity, which I still carry to this day. I was no longer someone's son or brother, it made me my own person. From organizing fetes, to cross country, to Invitationals and what not, the responsibilities that have come attached with this role have been trying but fulfilling, and I've tried

my best to do justice to them. It was not all a bed of roses initially but I learnt. I learnt that my own interests have to take a backseat and that the school's have to take precedence. And so,the one thing that I always tried to place above all else was Daly College.

Being a prefect means that you may not always be popular, but do the right thing anyway. Now, for some truths, being a prefect will not give you the rights that are so falsely talked about ( caddie bhi nahi drive kar sakte ). My only advice would be, trust your own eyes and ears, and bear ill-will towards no one. Prefect or no Prefect, the last year in DC is magical for everyone, more so for me, and it is with a heavy heart that I stop now, realizing that this may very well be the last time I write for the school.

-Shivansh Bagadiya

The Deputy Head Girl reflects

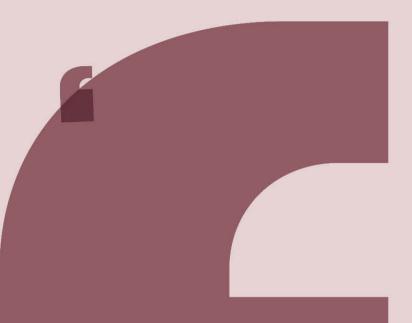

The precise moment when my name was announced for the deputy head girl of the school, it was a blur of emotions. Mostly there was shock which I'm sure so many others were experiencing, with a tinge of excitement and pride. Gradually, over the entire year, it was overpowered by confidence, self worth, enjoyment and of course, lots of learning. This might sound repetitive and a tad bit clichéd, but it does modify and shape you with the kind of responsibility, pressure or commitment that each one has. Well, I'd be lying if I said that there weren't times when I wanted to give it up or criticised it, anyone would be, but honestly, I can look back and tell you with utmost honesty that it was pretty much a game changer, for my growth and personality. I wouldn't want to miss the opportunity to state that we did have our perks, like the multiple delightful dinners and finger licking desserts with Principal sir that kept our tummies full and kept us going. It's a wonderful experience.

- Aanvi Agrawal

It was a privilege to have had the opportunity of becoming the deputy head prefect of the school. For me ,the best part of the role was to be able to make positive changes in the community that has shaped me into who I am today. One of the most challenging parts of the role for me was the occasional dilemmas that I experienced .But working for the Fete (for the Kerala flood victims) taught me how to take decisions with maturity. Overseeing the management part of the Fete turned me into a responsible individual. I contributed my bit in whichever way I could and we could gather funds for the have nots which made me happy. In the sphere of sports, the three tier competition system has given a boost to all the hitherto latent talent. Infrastructural development in sports made possible maximum participation of the students which was very beneficial .This also led to better performances of our school teams which made us win the girls' U-17 IPSC and the shooting IPSC as well. I would like to thank the Principal for giving me an opportunity so unique as this.

मंच पर विराजमान हमारे वाइस प्रसिडेंट देवराज जी बडगारा, हमारे प्रिन्सिपल, नीरज कुमार, बोर्ड ऑफ डायरेक्टर्स के सभी उपस्थित सदस्य, स्टॉफ सभी का अभिवादन करती हूँ। आज छात्र-छात्राओं ने जिस तरह सभी विधाओं में पुरस्कार जीते हैं फिर चाहे वह शिक्षा के क्षेत्र में हो, खेल में हो या सांस्कृतिक गतिविधियों में हों सभी को मन से बधाई देती हूँ और उन्हें प्रोत्साहित करने के लिए, "आगे बढ़ो" कहने के लिए एक बार ज़ोरदार तालियाँ हो सकती हैं।

बच्चे इसी तरह बड़े होते हैं और आगे बढ़ते हैं। मणिशंकर जी को आखिरी में प्रस्कृत करते हुए यही लगा कि बेटा बड़ा हो गया है, कुछ नाम कमा लिया है। उन्हें भी बधाई देती हूँ। जिस तरह से डेली कॉलेज काम कर रहा है. उसका अपना एक नाम है। आज प्रदर्शनी देखते हुए यही सोच रही थी कि प्रदर्शनी चाहे सांइस की हो, आर्टस की या कुछ बनाने की हो, पर्यावरण से जुड़ी हो कम से कम बच्चों को सोच तो मिल रही है। बच्चों से आहार के बारे में बात करते हुए मैंने यही समझाया कि आप लोग जंकफुड खाना पसंद करते हो लेकिन यह पता होना चाहिए कि हमारा भोजन कैसा होना चाहिए और हमें क्या-क्या खाना चाहिए?। Teacher should open the gate of knowledge for the students so that they gain right knowledge. Teacher should not open the flood gates of knowledge. बाढ़ के पानी की तरह हम अपना ज्ञान उस पर डालेंगे तो नाक मुँह में पानी भर जाएगा और न पीने का पानी मिलेगा, न तैरना हो सकेगा इसलिए बहुत समझकर शिक्षक को अपनी ज़िम्मेदारी निभानी होती है। ज्ञान के साथ संवेदनशीलता भी बहुत ज़रूरी है। जब ज्ञान प्राप्त कर हम बाहर की दनिया में प्रवेश करते हैं, लोगों से हमारा सामना होता है और उनके बीच जब हमें कार्य करना होता है तो व्यक्तित्व के साथ-साथ चरित्र का विकास भी जरूरी है। इसी तरह कई बार लोग अपने बच्चे के लिए शिक्षकों से कहते हैं कि हमने आपके हाथों मिट्टी का गोला दिया है तो मैं इससे असहमत होकर कहती हूँ कि नहीं, हमने हाड़-माँस का हमारा हृदय का ट्रकड़ा आपको सौंपा है। यह शिक्षक की ज़िम्मेदारी होती है कि वह किस तरह उसका व्यक्तित्व बनाकर समाज को समर्पित करते हैं और यह बहुत महत्वपूर्ण कार्य है। मैंने देखा कि डेली कॉलेज में यह काम अच्छे तरीके से हो रहा है। एक बात और बताऊँगी कि ये सब आवश्यक क्यों है? Technology now is controlling every aspect of our life but one must remember that technology is a useful servent but a dangerous master. इसीलिए सिर्फ ज्ञान प्राप्त करने और टेक्नालॉजी सीखने से काम नहीं चलेगा कहीं न कहीं मानवता के लिए उसके हित में भी हम कार्य करेंगे तब ही शिक्षा का उददेश्य पुरा होगा। हम शिक्षा ग्रहण इसलिए कर रहे हैं कि हमें संपूर्ण मानवता के लिए अच्छे से कार्य करना है। मानवता से जुड़कर रहेंगे, तो हमारे बच्चे सिर्फ़ टेक्नो सेवी नहीं बनेंगे, कहीं न कहीं टेक्नालॉजी का उपयोग मानवता के हित में करना भी सीखेंगे। ये काम डेली कॉलेज में हो रहा है और इसके लिए प्रिन्सिपल, बोर्ड मेंबर सभी बधाई के पात्र हैं और

साथ ही ओल्ड डेलियन भी बधाई के पात्र हैं जो हमेशा सक्रिय रहते हैं। बच्चों का ये भाव बहुत महत्व रखता है कि ये मेरा कॉलेज है, मेरा विद्यालय है, मेरी संस्था है। मेरे दायीं तरफ बैठे विद्यार्थी जो हमारा कल हैं, हमारा भविय हैं जब विद्यालय से निकलकर समाज में अपनी पहचान बनाते हैं, कुछ अच्छा कार्य करते हैं और फिर लौटकर आते हैं तो एक जुडाव महसूस करते हैं, एक अपनापन अपने विदयालय से महसूस होता है जो बहुत ज़रूरी है। यही भाव उन्हें कुछ करने के लिए प्रेरित करता है। एक बात शिक्षा के अधिकार के संदर्भ में कहना चाहँगी कि मैंने देखा कि डेली कॉलेज की जब स्थापना हुई तो इसकी स्थापना ये सोच कर की गयी थी कि भारतीय और ब्रिटिशर्स के बीच एक पुल, एक ब्रिज बन सके फिर धीरे-धीरे समय के साथ हर वर्ग के बच्चे इसमें प्रवेश पाते गए. जो एक बड़ी बात है। कई बार ऐसा होता है कि हमारे पास तो सब कुछ है, सब प्रकार के साधन भी हैं लेकिन मेरे पड़ोस में अगर कोई भूखा है तो वह अच्छा खाना मेरे गले नहीं उतर सकता, मैं शांति से खाना नहीं खा पाऊँगा इसलिए ऐसे बच्चे जिनमें क्षमता है फिर चाहे वह कितने भी गरीब परिवार से हों उन्हें भी यहाँ अच्छी शिक्षा. अच्छा प्रशिक्षण मिल सकता है। डेली कॉलेज जैसी संस्था का लाभ उसकी उपलब्धियाँ जब हर वर्ग का हिस्सा बनेंगी तभी संपूर्ण और अच्छे समाज का निर्माण हम कर सकेंगे। आज बच्चों ने अलग-अलग विधा में जिस तरह से पुरस्कार जीते हैं तो मैं यही देख रही थी कि यह सिलसिला खत्म ही नहीं हो रहा है और बच्चे आते जा रहे हैं, पुरस्कार लेते जा रहे हैं लेकिन फिर मन में बात आयी कि यह सिलसिला खत्म होना भी नहीं चाहिए। देवराज जी मुझ से कह रहे थे ताई कुर्सी दूँ तो मैंने कहा नहीं, मैं क्यों थकूँ? मेरे बच्चे मेहनत करके कुछ प्रस्कार ला रहे हैं तो देने में मैंने क्यों थकना चाहिए? सभी को बहुत-बहुत बधाई देती हूँ। जब मेरा पोता यहाँ पढ़ता था तो हमेशा पूछती थी कि यहाँ क्या-क्या सीखते हो, क्या-क्या पढते हो? कभी आ न सकी पर हमेशा ध्यान तो देती थी और आज यहाँ आकर लगा कि पूरी तरह एक संपूर्ण व्यक्तित्व के निर्माण के लिए, विकास के लिए यहाँ काम हो रहा है जिसमें बच्चों का चरित्र भी बन रहा है। आप सभी को बहत-बहत बधाई और श्भकामनाएँ।

# Exhibitions

The 148<sup>th</sup> Annual Exhibition focused on the theme 'Communication and Etiquette'. Students showcased their talents through exhibits which received accolades aplenty.

#### **Promoting Sustainable Development**

An initiative, with guidance from teachers, was taken up by the students which demonstrated techniques such as drip water irrigation, bio-gas generation, mud-brick housing, natural refrigeration, and kitchen-gardening. Dilapidated furniture was upcycled and rendered usable using natural oils as polishing and varnishing methods. Additionally, a home-made exercising area, and a herbal/natural clinic, were set up to spread awareness about healthy lifestyle habits.

# 148<sup>th</sup> Annual Prize Giving Function

#### Orchestra-Ojas

Daly College orchestra presented "Ojas" the rising consciousness, the journey from fragmentation to unity. The overture was a clarion call for the scattered mind to prepare itself for the impending harvest of bliss. The students employed a wide variety of sound and tones towards the evocation of this work of music.

#### Dance-Ardhanarishwara

Daly College dance troupe presented "Ardhanarishwara" as part of the APG Function. The name ardhanarishwara means "The Lord who is half women" which is a composite androgynous form of the Hindu deities, Shiva and Parvati. Ardhanarishwara is depicted as half male and half female, equally split down the middle.

#### Moko Kahan Dhoondhe Re Bande

At the 148th Annual Prize Giving of Daly College, a musical drama based on the life of the great saint, Kavi Kabirdas was enacted. The play was based on 'Kabira Khada Bazar Mein', written by the famous playwright, Shri Bheeshma Sahni. An adaptation of this play was created ensuring that the essence of the original is not lost.

This play was written taking into consideration the current major issues pertaining to the evils of society. Its main agenda was to criticise these evils and their peddlers, who try to propagate their malicious intentions in our country for their own benefit.

The grand finale emphasised that one shouldn't be swayed by the daily schemes and strategies. One must realise the beauty of a righteous and simple life, as Kabir wanted humanity to be.

# ANNUAL PLAY-MOKO KAHAN

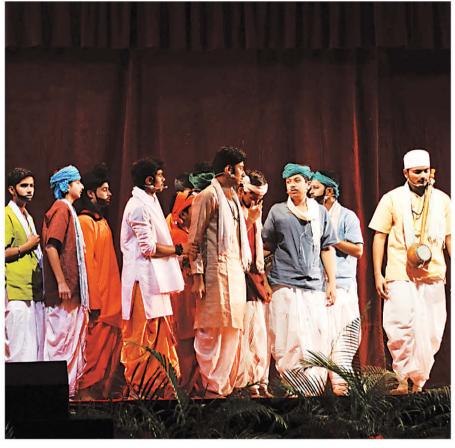

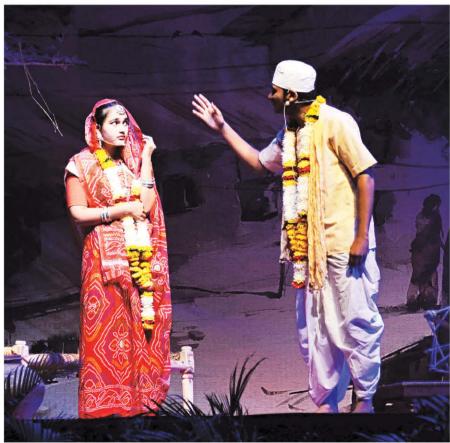

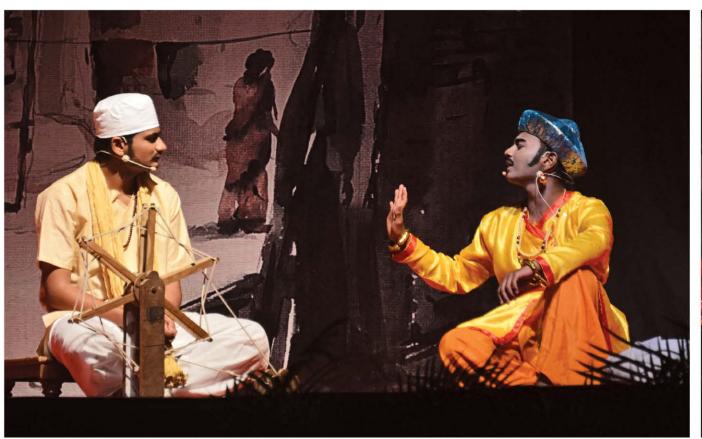

# DHOONDHE RE BANDE

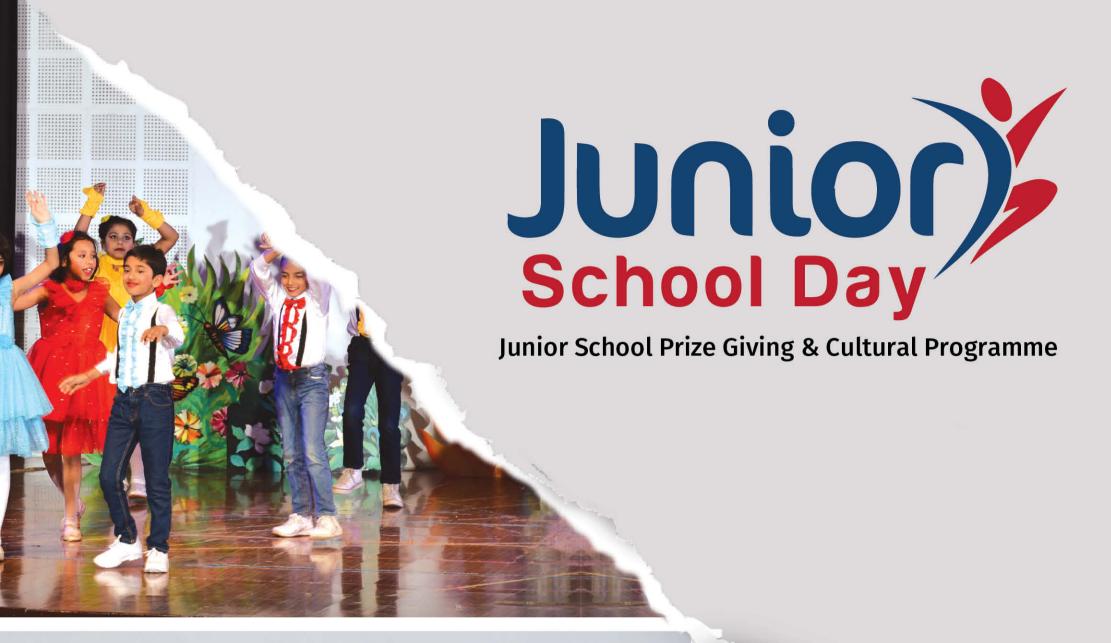

On 1st October, 2018 the students of classes 1, 2 & 3 proudly presented -Euphoria - Being the Children of India", to showcase India, a land of infinite variety and dazzling contrasts where "Unity in diversity" has been the bed rock of our glorious past and promising future. The play, dances, songs and orchestra focused on how it feels like to be the children of our nation, India.

The guests were welcomed by some eve-catching decorations and the orchestra. Our chief guest for the evening was Mrs.Geeta Sanghi, a prominent artist and a patron of the arts. The program began with the College Prayer and lighting of the auspicious lamp. The orchestra and the group songs were mind-blowing and the children put their heart and soul into singing and playing each tune perfectly. The dances were performed on well-selected songs and the dancers did full justice to the Vandana and the other dances. Their grace and energy enthralled the entire crowd. The English play, Being the Children Of India, mesmerized the audience by their enactment to demystify complex terminology like republic, sovereign and democratic as they recounted India's story showcasing a slice of history and talk about the rights and the duties as enshrined in our constitution.

The event came to an end with the Grand Finale by the little ones singing the national anthem with their heads held high. The performance of the children received high praise from one and all.

Abhibyanjan, The Jr. School Parents' Evening was held on 7th December at the Dhirubhai Ambani Auditorium. 'Communication and conduct is of utmost importance in today's world'. Giving this important message, 'Abhibyanjan' kicked off with the college prayer by a few talented vocalists followed by the lighting of the lamp by our chief guest, Mr. Manish Shankar Sharma, Addl. Director General of Police. After the formal welcome by our Headmistress, Mrs. Rashmi Ahuja, the student achievers were felicitated.

The cultural programme began with the orchestra followed by the Shiv Vandana. In the hour-long cultural programe, the Jr. School students mesmerized the audience with their graceful and energetic dance performances, the melodious renditions of Qawwali and English numbers. The Hindi play, 'Ashoka ka shastra tyaag' and the English play 'Beauty And The Beast' brought out the acting prowess of the talented budding actors and actresses. The Grand Finale, a medley of folk dances was the icing on the cake, that the audience lapped up with much appreciation and great enthusiasm. The gorgeous setting and costumes added to the already glittering performance. The entire performance was conducted by young Dalians with great confidence.

# THE WAY TO MAKE THE MOST OUT OF LIFE IS TO LOOK AT IT LIKE AN ADVENTURE.

Year 2018-2019 was a year of great accomplishments in the field of adventure for The Daly College. The adventure club (IAYP) at DC undertook a whole lot of exciting activities this year, with the mere aim to quench the thirst of zealous adventure buffs. One of the most memorable trips was the escapade to the Farm House where students enjoyed a bunch of fun adventurous activities like Zorbing, Paint ball and rope climbing. The kids had a great time. The club also organised a trekking expedition to places like Dev Guradia to induce a spirit of real adventure and leadership among the students.

Other activities included rope climbing, wall climbing and a cleanliness drive, aiming to eradicate dirt and pollution and inching closer to CLEAN D.C, GREEN D.C!

I hope that this spirit of adventure and love for nature stays alive in the students of DC and Adventure Club (IAYP) We constantly aim to accomplish new heights in the future.

# FINE ARTS ART APPRECIATION

People tend to communicate with words, but sometimes, conveying ideas is done in other ways. "A picture is worth a thousand words". Art translates ideas into symbols. It also gives the imagination freedom, allowing you to experience the surrounding world in different ways without depending on words. The essence of art is expressing oneself and we see this essence budding from the young ones in our hobby and art class.

This year the children were introduced to and experimented in Modern Art, blow painting, Mosaic Art, and Cone painting in different styles. All this and more Art styles were taught to uplift and stimulate their creativity. To encourage children, their art work was displayed throughout the year on the boards in the corridors.

At the Annual exhibition, the art department presented different ways of communication, depicting expression, rendering art, 2D art work, tessellations and cartooning. Each and every person appreciated their art work, which was put up for the exhibition.

During the Club Activities the students were taken to the Art Galleries to introduce different type of paintings and appreciate the work of art. They have learnt different techniques in sketching, shading, painting, papier mache, clay modelling, origami, paper cutting, etc.

"The purpose of Art is washing the dust of daily life off our souls" and the children put their hearts and souls into the work they produced.

# BIRD WATCHING CLUB & HOBBY

"Sometimes I think that the point of bird watching is not the actual seeing of the birds, but the cultivation of patience. Of course, each time we set out, there's a certain amount of expectation we'll see something, maybe even a species we've never seen before, and that it will fill us with light. But even if we don't see anything remarkable - and sometimes that happens - we come home filled with light anyway." - Lynn Thomson, Birding with Yeats: A Mother's Memoir. Among all the groups of animals in the world, birds are most liked owing to their rich colouration, song, easy recognition and liveliness. Moreover, birds are present everywhere-from forests, grasslands and wetlands to crop fields and city gardens. With proper care, we can even attract birds to our balcony or veranda. Fortunately, our school, Daly College is very rich in bird life. Around 86 different kinds of birds can be seen on the college campus. DC attracts a variety of birds as campus has bushy area with tall trees and open grass, forest like area, old buildings, water bodies, lawns, gardens, dry scrub land with trees which provides a perfect habitat for birds to live in. We all were very enthusiastic to join Bird Watching Club which turned out to be the most popular activity. Field trips to different parts of DC, and spotting new birds was very interesting. Red Wattled Lapwing hatching eggs, White Breasted Kingfisher diving in water to catch a fish, and many more bird activities kept enriching our knowledge and experience through out the year. We, the members of club thank our Principal- Mr. Neeraj K. Bedhotiya, Headmistress Mrs. Rashmi Ahuja, In-charge Club, Mr.Giriraj Singh Chundawat, Mrs. Vandana Singh and Mrs. Vishaka Rathore for their kind help and support round the year.

# **Block Printing**

It is believed that Block Printing is one of the earliest techniques used to transfer words and images to paper or fabric by means of incised wooden blocks coated with colours.

It is a way for children to do many important things: convey ideas, express emotion, use their senses, explore color, explore process and outcomes, and create aesthetically pleasing work on paper and fabric.

The year started with a small group of hobby members enjoying colours and blocks every Thursday. The hobby children first practised on paper making envelopes file folders, paper bags, book marks, wrapping papers, buntings etc. After learning the technique of using right amount and proper application of colour, we tried our hands on fabric making cushion covers, bags, mats, napkins, table covers, aprons, table runners, wall hangings etc..We also made blocks by potato.

All the items that we made were displayed during the annual exhibition which was appreciated by the parents. We thank our teacher Incharge Mrs. Minakshi Rathore and Mrs. Renu Saxena for their help and support.

### **COMPUTER CLUB**

Computer Club is a place where fun and learning collide. Every Saturday members spent the afternoon exploring different interesting and useful web-sites. They took up small projects which helped them hone their ICT skills. Making an interactive quiz was one of the most exciting activities for the members as they got a chance to play the quiz with the other members of the club.

The students presented admirable work during the year. Preparing presentations on various topics ranging from festivals to personalities, world heritage to Indian monuments etc. kept the students engrossed.

For the Annual Exhibition the students of the Computer club made projects on Communication On The Net – Netiquette, Communication Through The Ages, Are You A Nomophobe? Take Our Mobile Phone Addiction Test, which were very well appreciated.

Our club aims at bringing together students with a common interest in technology to share and learn from each other.

# NO ONE IS BORN; AS A GREAT COOK; ONE LEARNS BY DOING.

The 'Little Chefs' of Daly College Junior School started the adventure of cooking by learning the golden rules of cooking, precautions and safety rules, cooking terms and names of different cooking equipments. Their great enthusiasm and excitement was clearly evident when they learnt the dishes like Strawberry Banana Milkshake, Aloo Chat, Chilli Cheese Toast, Tricolour Sandwich, Cake and Muffins, Bhel, Macaroni etc. Cookery not only develops a sense of responsibility but also builds self esteem and boosts confidence.

Skills like counting, weighing, measuring, tracking time and fractioning could be learnt in an interesting way while cooking. Putting up a cooking stall in the school annual exhibition and icing the muffins ,making bhel and milkshake and serving to the parents and guest was an unique and wonderful experience. The Little Chefs wearing their chef caps and aprons looked stunning and displayed with pride their innovatively done recipe books. It was a learning experience which helped children to reduce stress and become more creative.

### CRAFT EXHIBITION

Craft induces creativity in children and helps them to think 'out of the box'. Craft also helps the children in developing their concentration.

This year children participated in various activities and competitions which in included Colour Connect, Winter Blooms, Spring in the Air, Mosaic Art, Best out of Waste, etc. Children enthusiastically took part in Best out of Waste and their articles were displayed in the exhibition which won a lot of praise from the parents. Origami is the most loved technique among the students.

The main attraction of exhibition weremix media on canvas and paper wall art with origami pyramid pixels. All the guests were in awe of the displays. Exhibition was a great success only because of the combined efforts of all the students who worked very hard to give the exhibition a very professional touch.

The exhibition reflected an excellent blend of skill ,hard work and craftmanship.

Pottery is the most creative and fun art among the students. It develops the motor skills of the students. Students love to make pots, cars, toys, animals, etc. Every year children make echo-friendly Ganesha and spread awareness in the society. Through this art they use their imagination and creativity beyond the limit. Each child is definitely improving in their skills. Teacher and student share a good rapport.

# DESIGN AND TECHNOLOGY

Design and Technology education involves two important elements - learning about the designs made in the world and how things work, and learning to design and make functional products for particular purposes and users.

Design and Technology develops a broad range of skills like problem solving, independent learning, and innovation to name a few. These are essential for a wide range of future careers and higher education courses. A design and technology curriculum is that which is used to plan and apply theoretical knowledge. The core of the Design and Technology curriculum includes the fundamental tools to understand design as a process. These are essential for a wide range of future careers and higher education courses in the field of engineering, games design, graphic design, manufacturing, architecture, material science, construction etc.

Here, children share their ideas and learn through fun in the regular class of design and technology. They have prepared different models like: track vehicle, tower crane, water sprinkler, hydraulic bridge, battery car, trebuchet, castle draw bridge, periscope, track vehicle, pin hole camera etc.

# Photography Competition

"Photography is a way of feeling, of touching, of loving. What you have caught on film is captured forever... It remembers little things, long after you have forgotten everything." - Aaron Siskind

The Photography Competition was announced on 19th August on the occasion of the 'World Photography Day'. It is the third year of the photography competition at Junior School for the students of grades 5 and 6. 98 entries were received under 8 categories (Nature, Sports, Happy Days at School, Celebrations, Teachers, Festivals, Wildlife, Monuments). The enthusiasm shown by the budding shutterbugs was worth appreciating. 28 winners received certificates.

# DRAMATICS & DEBATING CLUB

In our club we are 20 budding actors and debaters .All of us wait for Saturdays, the club day to learn something new, we enjoy writing short skits and plays directing them. We get to know about the proper voice modulation, throw of voice, facial expressions and we also learn how to present a dialogue.

"For good idea and true innovation, you need human interaction, conflict, argument, debate"

While debating, we get a new direction to think, something we never thought of, sometimes we even get to know a good and bad of our daily lives.

In our club, we also learn to do teamwork, take others ideas, implementing our views and so many such things.

Our club is full of learning and filled with fun.

### **GREEN CLUB**

The students of classes V and VI used all the waste materials to create eye catching artifacts. They used old newspapers, cardboard boxes, old frames etc. to make bags, Clocks and boxes. They also created beautiful landscapes and terrariums.

They went for a survey to the 'Green Centre' and the nursery of Daly College and learnt how to make organic compost.

The students also prepared PPT and gave a demonstration.

# **Historical Club**

History is the careful and systematic study of past. Historical Club is a group of students who are passionate about history. Every Saturday we have a club activity where we explore different topics related to history. In this session, we visited places of historical importance in our school campus like The Clock Tower, The Durbar Hall, Barwani House, Sitamau House, Scindia Pavillion etc.We also watched movies showing historical facts like 'Mohenjodaro'. The society's trip to different historical places like Indore Central Museum, Sanchi Stupa, Bhimbetka, Mandu, Rajwada enabled us to understand how the world worked then and how it works now. If one wants to delve into the exquisite pot of gold, that is the history of our country, then the Historical Club is the most suitable one. We thank our teachers Mrs. Vandana Singh and Mrs. Arparna Singh for their constant guidance and support throughout the year and bringing history to life by explaining the students through hands on activities.

### **MUSIC REPORT**

The first performance by the Musical Club was on the 15th of August where they played the Orchestra of the patriotic song 'Aye Mere Pyare Watan'.

Euphoria 2018-19 of classes 1, 2 and 3 showcased the philharmonic Orchestra of 'Raag Yaman'. There was also an evocative western Orchestra of the song 'Doe A Deer' and 'Mere Watan Aabad Rahe Tu'.

The Children's Day Musical Morning performance included a Symphonic Orchestra and a foot tapping song 'Uthe Sabke Kadam' that was sung by the students. There was a melodius performance by violinist and a few vocalists.

3rd December was Musical Exhibition Day by the Music Club which included an Orchestra and Solo singing performance.

The Junior School Day was held on the 7th of December 2018. The Musical Club performed an orchestra of 'Raag Hansdhwani' and the western performance of the song 'The Final Countdown' which included 56 participants from Junior School. The thrilling Qawwali performance by 39 students was on the song 'Mil Gaya Kadam'. 42 children sang the song 'Happy' Pharrell Williams and the audience also joined them.

The Republic Day this year saw the Music Club childrens instrumental performance of the song 'Mere Desh Ki Dharti'. Our young vocalists, enthusiastically sang 'Jai Jana Bharat' and 'The Constitution Song' written by our teacher Mrs. Avril Birdsturgeon.

# **QUIZ CLUB**

#### Incharge Quiz:- Shravan Kumar kanchan

Quizzing, an academic activity in Jr. school was kicked off with the First Inter Quiz for Classes V & VI. We have three Inter Houses Quizzes for classes V & VI, two inter class quizzes for class I to IV, Daly Quiz for class I & II, III & IV, and V & VI in assembly, three G.K. written papers for class VI, IPSC on line Quiz and Maths and Science written Quiz and quiz on every Friday. A total of 14 different activities in a year for quizzing at Jr. School. Every Saturday we have quiz club activities where selected students prepare quizzes and conduct quizzes amongst the club members. We also participate in two wildlife quizzes, WWF India powered by Siddharth Basu and Eco-achieves quiz by Saevus Wild Life magazine Mumbai to conserve and protect our environment. We, at Jr. School, also organised one Inter school Ignite Quiz Seasons 3 this year.

It was on 1st February 2019 in which 18 schools 4 teams from each participated and we made a hat trick by winning for the third consecutive year. The 1st Runners-up team was from Choithram School and 2nd Runners-up team was from St.Raphael's School.

In WWF, India Quiz, our junior school team stood first in M.P. & Chattishgarh out of 62 teams. Congratulations to Daksh Bhatnagar and Raghav Agrawal! We were the winners of city level round of Eco Achievers Quiz and our team went for Nationals held in Mumbai on 8th Feb 2019. Congratulations to Abhinandan Bam, Ekansh Gada & Raghav Agrawal! At the national level they secured the second place in the semifinals but could not make it to the finals.

We at Junior School look forward for more such state & national level quizzes to instill in our students the values of knowledge, wisdom and compassion and make them smart citizens, also environment friendly.

#### **Science Club**

The basic principle involved in the Science Club is 'learning by doing'.

Science club gives students the opportunity to conduct hands-on experiments and build on their science knowledge, thus channelizing their energy and enhancing their skills and talents. This further boosts their instincts to build on their overall personality.

Science club is the in-house school to develop the creative mind of the budding and enthusiastic students, to encourage the habit of exploration and widen the outlook of students, while applying the knowledge in different life situations.

Children have the tendency to make things, break things and handle things on their own. In the science club there are no restrictions and the students can work on their own ideas with full freedom.

Fun with magnets, studying density with oil and water, making cars with waste bottles, understanding the importance of food value while carrying out different tests for protein and starch in food items, the benefits of windmill using a "firki", etc, were some of the activities where the students exercised their interest and skills, thus generating a great positive aptitude in inculcating interest in constructive, explorative and inventive faculties.

While actively participating in the science club activities, students organize thought and translate these into action and thereby develop a zealous enthusiasm to strive for the cause of scientific enterprise.

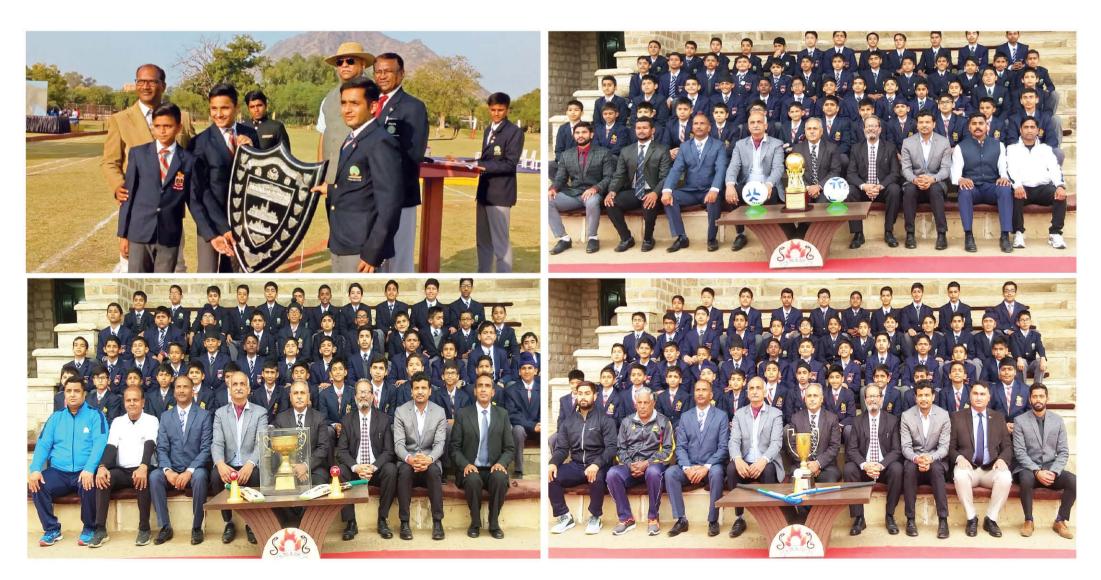

Through activities of the science club, learning of science becomes joyful.

# IF YOU WERE BORN WITHOUT WINGS, DO NOTHING TO PREVENT THEM FROM GROWING.

- COCO CHANEL

A culturally sensitive student is boon to mankind. Creating culturally sensitive students, with a mindset that transcends narrow visions and boundaries of perception, leading to a more empathetic and inclusive approach towards the world, has been the endeavour of the teachers and instructors involved with these activities.

With this in mind, we gave our students freedom, freedom to explore, to discover and to develop their inherent talents. In short we asked them to spread their wings wide and reach for the skies. Needless to say, they flew and touched the peak of excellence while expressing themselves through Music, Dance, Drama and Visual Arts.

Starting with the inter houses on two levels, for both Dance and Music, Indian and Western, the Dalians surprised everyone with their performances. While the juniors rocked the auditorium with their music the seniors took up the challenge of the Solo Semi Classical Dance, which was a part of the Inter House Competition. It was a treat to see the boys performing the "Tandav," "Ganesh Vandana," and a fusion of Kathak and Bharat Natyam. The exploration of the presence of the male in the Indian Dance forms, was indeed path breaking.

The in-house sprouting of wings led them to take off at the IPSC and they returned triumphant winners of both IPSC Music and Dance Competitions.

The culmination of their self expression was the APG Musical Dance Drama based on the life of Kabir, titled "Moko Kahan Dhunde Re Bande," an adaptation of the play, by Bhishm Sahni. The play's emphasis on humanitarian values transcending narrow parochial and religious beliefs, furthered our mission of creating culturally sensitive young learners. The stellar performances of the Dalians were widely appreciated and gave our students' talents further impetus.

A satisfyingly good year for the cultural department. Yes...Time flies on unseen wings and so did we.

- जब टीम का काम और सहयोग होता है, तो अद्भुत चीजें हासिल की जा सकती हैं- और यह साल उपलब्धियों से भरा था।
- वर्ष 2018-19 स्कूल के अभिनेताओं के लिए उत्साह और अवसरों से भरा था। हमने अप्रैल में इंटर-हाउस हिंदी ड्रामेटिक्स के साथ अपनी यात्रा शुरू की। विषय था 'नाच. ना जाने आँगन टेढ़ा' । इस प्रतियोगिया में क्रमश :इंदिरा गृह को प्रथम, अहिल्या गृह को द्वितीय एवं भारती गृह को तृतीय स्थान प्राप्त हुआ। सलोनी पांडेय को सर्वश्रेष्ठ अभिनेत्री के तौर पर चुना गया। उसके पश्चात् उरुबा खान द्वितीय और तान्या लूला तृतीय स्थान पर रहीं।
- इसके पश्चात् विभाग ने आयपीएससी ड्रामेटिक्स की ओर रुख किया, जिसकी
  मेजबानी जी.डी बिड़ला मेमोरियल स्कूल, रानीखेत ने की । श्री सिद्धार्थ तिवारी के
  मार्गदर्शन में हमारी टीम जिसमें निकुंज सिंघल, लवीश चौधरी, अक्षत अग्रवाल,

- स्कूल की सबसे बहुप्रतीक्षित घटना एपीजी थी। हमने कबीर के जीवन पर एक नाटक प्रस्तुत किया। इस महानाट्य का एक महीने पहले अभ्यास शुरू हुआ। यह एक अविस्मरणीय प्रदर्शन था। इसने सभी के दिलों को छुआ।
- छात्रों ने इस वर्ष बहुत कुछ सीखा और हम उनके उज्ज्वल भविष्य की आशा करते हैं।

Teacher-in-charge: Mr. Anshul Trivedi

2018 for the students of the Dramatics S.U.P.W was interesting. Making up a story and then presenting it in your own way is always interesting and fun.

Dramatics, since its inception has played an important role in the journey of self discovery for a lot of people. The idea of playing a character from someone's imagination or a role from your own subconscious mind is as thrilling as it sounds.

In order to do something different, the students of classes 7 to 10 decided to work on one long script instead of small skits to perform in every class. There were no script writers or students in command of directing. This time every student contributed in script writing and direction. The theme chosen by the students was the ancient tale of great despise between the Werewolves and the Vampires.

Highlighting the conflict between the two species over land and pride, accompanied by the secrets from the past of every character and conclusion being the ultimate bloodshed, the students decided to call the play ABDIGATION.

Under the guidance of Mr. Anshul Trivedi, our mentor,we successfully completed our play.

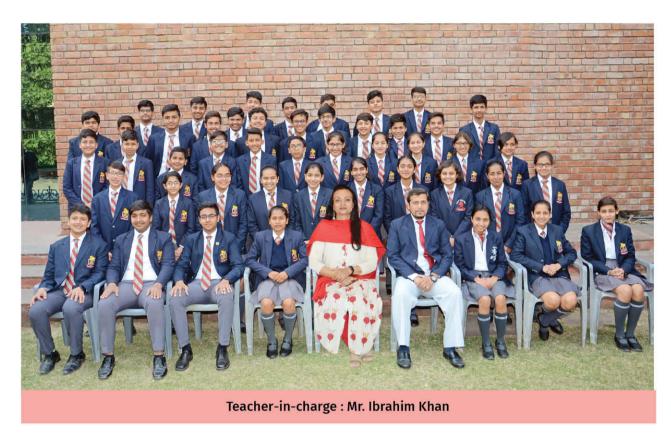

To utilize the other half of our thrilling session, we moved on to our second script which gave prominence to Thantophobia. The story revolved around a girl turned criminal to take revenge from the killer of her family.

Including the extreme emotions like loss, insanity and loneliness, we decided to name the play INTEQAM. This, in Arabic, means revenge.

With constant support from our mentor, we succeeded in concluding this play also. In the last few months of the session, we decided to change the genre of our stories a bit. We turned to comedy for starters. The students successfully performed a story revolving around a police officer who always failed in every single one of his mission. Portraying a comical character was a challenge but we managed to pull it off. We named it INSANITY and finished feeling happy with the final product that was produced.

Apart from the three plays that we managed to prepare in almost a year's session, there were some stimulating activities for us to improve our body language and stage presence. Being a part of dramatics has always been a delight. One can discover so much about oneself.

The session of 2018 was action-packed for the students of Dramatics .We successfully completed three long, story oriented plays in the time of just one year. We learned a lot about ourselves and our abilities to write and act. The students of classes 7, 8, 9 and 10 made the 2018 session a great learning experience.

#### **COLLEGE BAND**

The college band, a group of cheerful student musicians, is seen delighting everyone with their performances on various occasions round the year. Be it the Athletics Meet, Inter-school tournaments or IPSC meets, the college band has always made its presence felt.

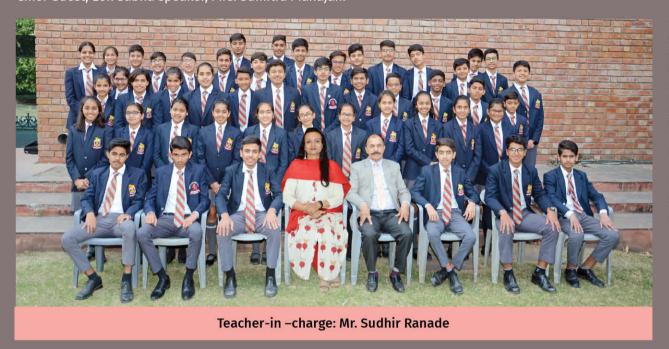

#### **NEEDLE WORK**

Quality is never an accident; it is the result of planning, dedication and commitment to excellence .The amalgamation of all these three was exhibited in a splendid way at the Annual Exhibition, 2018- 2019 which was highly appreciated by the guests. The exhibition included lamp shades, soft toys, nib paintings, patch work frames and bdsheets, handkerchiefs, puppets, artificial flowers, glass painting, embossed painting, macrame articles like bags, lamps, mirror holders, pen holders, flower vases etc. These were contributed by -Aakash, Riddhi, Lakshya, Pranav, Suhas, Rudra, Rishit, Suryansh, Rashmeet. One of our students, Aakash Kataria participated in the IPSC Textile Designing (needle work) Festival which was held at Gujarat in the month of November where he made a wall hanging of cotton strings.He received appreciation for his wonderful creation. This year the college prize for the best Needle work was won by Riddhi Shrivastava.

#### WOODCRAFT

Craft is an art expressing one's creativity. Many new students with tremendous talent joined us this year. Each year is a great learning experience for us as we experiment with new ideas and this year too was no different. The students with their hard work and dedication carved some amazing pieces of art. Sculptures of Lord Buddha, Swami Vivekananda and Mahatma Gandhi were master pieces of our in-house creations. The showstopper was the portrait of our Annual Prize Giving Chief Guest, Lok Sabha speaker, Mrs. Sumitra Mahajan.

College Prize for woodcraft this year was received by Vaibhav Gupta. Contributions of Priyam Raj, Nirdhwan Singh, Vivek Jaiswal, Arya Saraogi, Ranveer Rathore, Umang Sultania, Ayush Sachdev, Kaustubh Raj, Hardik Ahuja, Vedansh Agrawal, Ramit Kataruka, Vinamra Agarawal, Kaustubh Agrawal, Archit Chawal and Shatrunjay Singh were appreciated by many a visitor at the Annual Exhibition. It's their year round effort which finally makes them accomplished artists.

With so many exhibits created with precision ,the entire exhibition reflected an excellent blend of skill, hard work and craftsmanship.

#### CHEFS OF DC

Chefs of DC is the place for nurturing young chefs of Daly College under the guidance of Mr. Balwinder Singh. Students are trained during the year and once they are ready, tests are conducted to ensure that learning is happening. Various recipes are tried out by the students thereby equipping them for the future. The new learners are given 45 minutes to cook, post which they themselves taste it. At the end, the food is critically analyzed and a feedback is given which enables students enhance their culinary skills. It's interesting to note that boys have outnumbered the girls breaking one of the typical stereotypes that is prevalent in the society-only girls can cook!

#### **MUSIC**

Daly College, in the past year ,organized two Fund Raising events, a morning concert in the local streets of Chappan, different levels in Inter-house competitions, exhibition at the APG and hosted a vocal music competition in the French language for the first time thus opening various opportunities for students. Addition of new musical instruments has increased participation of the student artists. This penchant for music of the Daly college artists will ensure that music at DC will play on and please many a music lover in times to come.

#### **FINE ARTS**

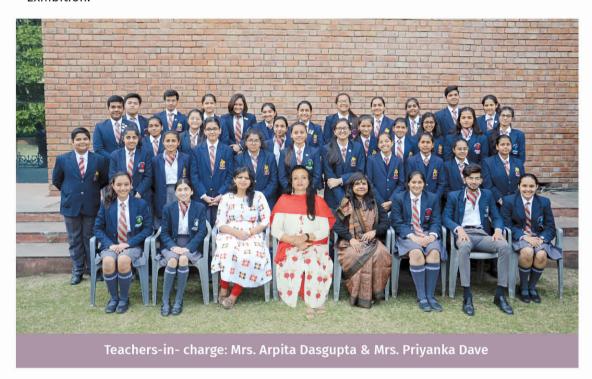

Creativity takes courage
-Henri Matisse

The year 2018 proved to be a great step for all our artists. Exposure to various forms of arts and courageous exploration of new mediums resulted in the creation of a variety of masterpieces.

The Annual Art Exhibition at the Annual Prize Giving is the most awaited event of the year for us. This year, we passionately made two full size cement sculptures for the school premises and planned to do more in the near future. Our illusion door with a splash of bright magenta bougainvillea drew everyone's attention. Moreover, the Mughal and Rajasthani miniature paintings by our senior students transported the viewers to a different era.

On the other hand, the canvases with vibrating flowers, inspired by western masters of different art movements made everyone spellbound. Our day to day lives were portrayed with mastery on the canvases by our outgoing artists. With much enthusiasm, our artists played with different mediums ranging from murals, graffiti, mask making, cartooning, digital art, advertisement designing, dress

making and even artists' diary designing. We also created wall hangings in fusion of jute and cloth. In addition to this, our IGCSE Art and Design students wonderfully displayed their meticulous works at the Annual Exhibition.

Dalians also showcased their talents at local, national and International levels.

Priya Rajpal's painting was selected for the Calendar through the ICS International Art competition, 2019. Sara Qureshi and Ishita Agrawal received a special mention in the same competition.

At the New Digamber Public School, Indore, our students became the winners. Anshika Jain, class XI C, stood 1st in Water Colour Still Life, Aanya Kasliwal ,class 8 CI too received the 1st prize in Folk Art and Ishita Agrawal, class IX CI, stood 2nd in Outdoor Sketching.

On October 31st, 2018, 16 artists escorted by Mrs. Priyanka Dave participated in the IPSC Visual Arts Festival, hosted by Welham Girls' School, Dehradun. The two days' fest extended a platform for us to enrich our creative selves and showcase our talents in a plethora of events ranging from photography, advertisement design, mural painting, composition, pottery, dress designing etc. Team DC brought laurels to the school in many of the events.

A heartfelt gratitude to everyone who is directly and indirectly involved in helping us touch the zenith of success.

#### Sculpture, Pottery & Ceramics

This year, the Sculpture, Pottery and Ceramics department was made a part of the Fine Arts department making it compulsory for all students. The theme this year, 'Glaze and Metallic' involved great learning as old techniques gave way to new ones. New techniques like rubber casting and making sculptures from fiber etc exposed us to the latest trends which have emerged in this field thus making us skilled in them too.

The sculpture department made dogs, cats, horses, rhinos which were made by Ishaan S. Thakur, Nancy Solanki and Nandini Mandovara. The 2018 IPSC Sculpture model was made by Prasiddhi Kankaria & Saurya Sorayan.

The Pottery and Ceramics department made teracotta jewellery,tiles,pen stands,pots,etc. which were made and glazed by Harshwardhan Bhawnani, Devansh Mishra, Mehak Kulkarni & Yash Sharma. The 2018 IPSC Pottery and Ceramics model was made by Saurya Sorayan & Prasiddhi Kankaria.

#### **DANCE**

When we dance, our purpose is not to get to a certain place on the floor, it's to enjoy each step along the way.

#### Udbhav Utsav and International Folklore Festival

After winning a national prize at Udhbhav Utsav, 2017 held in Gwalior, Daly College received an invitation from Italy to represent India at the International Folklore Festival, Italy.

#### IPSC Dance Fest 'Nrityaparva'

The Daly College dance team brought glory to the school by participating and winning the IPSC Dance Fest 'Nrityaparva' held in The Assam Valley School in the month of September, 2018. There were 16 schools from all over the country that had come a long way to participate in this mega event. The team consisted of 15 students ,namely,Vanshika Bhandari, Katyayni Singh, Yesha Doshi, Vidhi Soni, Navyata Jain, Nishant Dawani, Amee Caprihan, Chaheti Agrawal, Jhanvi Agrawal, Kratika Nahata, Jahanvi Badera, Dhwanika Agrawal, Harshita Garg, Vandit Badjatiya and Aaryan Anand.

The first category was the Classical Solo dance. Vidhi Soni performed pure kathak and not only won a lot of appreciation but also bagged the first position in this category.

The next category was of folk dance where our team performed Haryanvi and secured the third position in this event and received accolades aplenty from schools all over the country. We were specially mentioned for our vibrant costumes and energetic performance.

A team of 24 dancers escorted by Ms. Priti Sable and Mrs. Noopur Dube went to Italy in the month of July . The team exhibited India's rich culture by performing classical dance form 'Kathak' along with folk dances of India . The team became the best performer of the event.

Moving to the semi-classical category, the dancers portrayed the wonderful story of 'Ardhnareshwar' where they repeated the marvellous history once again and secured the second position in this category.

The last category was western dance where we showcased hip hop and freestyle dance forms. The dancers were praised for their captivating performance and applauded by all for their coordination and energy on stage.

Winning has almost become a ritual now. Once again, our school won the overall championship and all the hard work and sincerity paid off.

All these achievements would not have been possible without the hard work and guidance of our mentor.

#### **Inter-house Group Events**

After the wonderful victory we had the Inter-house dance competition for level 1 and level 2 .The categories which were selected were as follows:

For level 1 we had western group and semi-classical solo and for level 2 we had contemporary group and folk group dance.

Event	House	Position
Inter -house	Indira House	1
western group	RajendraHouse	11
dance Level 1	Bharati House	III
Inter -house	Indira House	Ī
semi-classical	Bharati House	11

Inter -house	Ahilya House	Î
contemporary group dance	Indira House	11
Level 2	Vikram House	III
Inter-house	Ahilya House	1
folk group dance	Indira House	П
Level 2	Ashok House	III

#### Cultural program for the support staff of the school.

After the Inter-house got over, we had a cultural program, a fundraiser, for the support staff of our school in the month of October in which students performed a classical group dance consisting of 35 dancers who performed Rajasthani and Bundelkhandi folk dances.

The western group dance included old Dalian, Sooraj Dube along with other Dalians, namely, Vanshika Bhandari, Katyayni Singh, Nishant Dawani,Navyata Jain, Amee Caprihan, Chaheti Agrawal, Dhwanika Agrwal, Janvi Agrawal was liked by all.

The Grand Finale had dancers performing a light folk dance on live music which was very captivating. Dancing for a cause was a different experience altogether!

#### **Annual Prize Giving**

The cultural program started with a welcome dance which was a semi-classical dance form on the theme "Ardhanareshwar". Following this was an amalgamation of dance drama which was based on "Kabir" which consisted of four dances:

Kathak n folk dance-on Banaras Ghat, dhol procession by boys

Kathak thumri, Grand Finale-"Hoshiyar Rehman re Nagar Mein Chor Aavega "

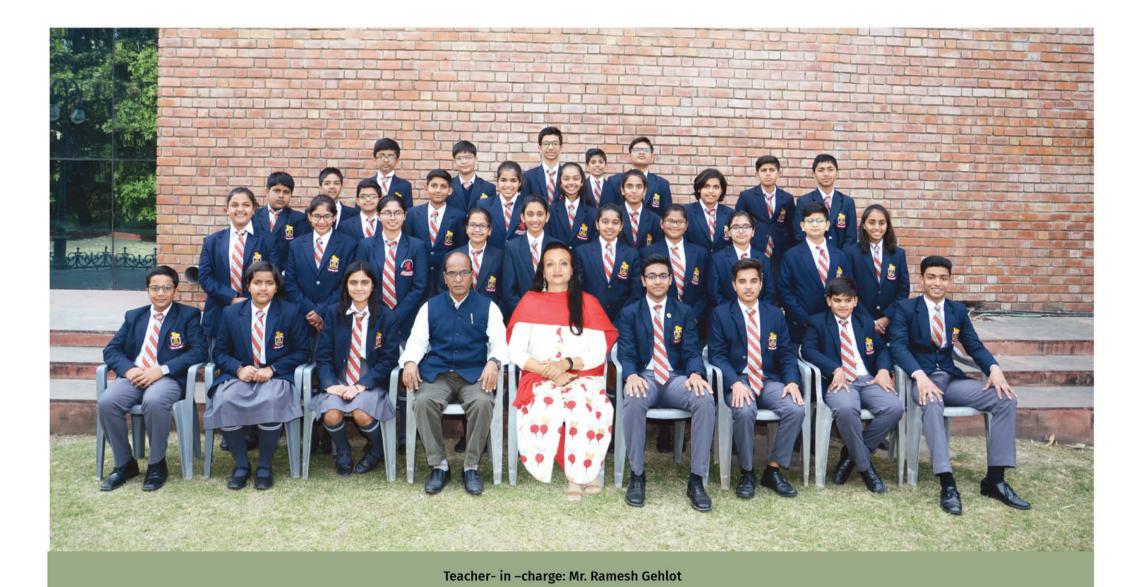

Overall, around 100 students participated in these dances whose brilliant performances received accolades aplenty from the parents, and guests.

#### **PHOTOGRAPHY**

Photography is a way of feeling, of touching, of loving. What you have caught on film is captured forever... It remembers little things, long after you have forgotten everything.

-Aaron Siskind

"We take photos as a return ticket to a moment otherwise gone." - Anonymous

Photography at Daly College has always been an interesting and joyful hobby and the students have always shown great interest in learning something new and out of the box.

This year also the photography club welcomed many new enthusiastic faces. The children showed great keenness to master the art of photography and produced excellent results .

As part of our learning this year, besides the regular lessons in photography, we acquired training in making collages ,photo frames which were exhibited at the Annual Prize Giving. In keeping with the principle of three Rs, we decided to use waste materials to make photo frames with foam. Interestingly, these proved to be amazing as it captured many an eye at the APG.

All in all, it was an eventful year where great learning was possible. Many moments were captured on various important occasions by our student photographers.

#### QUIZ

Unlike the past glorious days, this term did not greet us with glorious victories although we did manage to buckle up a little in the end. We began with the Invitational Quiz where Mahiman Tiwari and Vedant Jain reached the top six in the preliminary round but could not make it to the top.

In the Leo quiz ,Vivek Jaiswal and Mahiman Tiwari were the winners in the oral round.

Paranjai Singh and Vedant Jain secured the third position in the Inter-school Gibson quiz held at Mayo Boys' School, Ajmer. Dalians also participated in the Platinum Quiz hosted by Scindia Boys', Gwalior.

While we took a little battering at the Inter - school stage, the fight was fierce at the Inter- house level. The Inter-house quiz is conducted at four levels. At the senior school, the first and the second Inter- houses were won by Rajendra and Tagore houses respectively.

The Lunawada Quiz held on November 26, 2018 was bagged by the Ashok House with Bharati House coming second and Jawahar and the ODA team securing the third position.

The juniors were not far behind in the Inter -school quiz. Abhinandan Bam, Raghav Agarwal and Ekansh Gada won the city round of the SAVEUS Eco Achievers Quiz on Wildlife and qualified for the Zonal Round in Mumbai where they secured the second position in the semi finals.

With this generation of quizzers signing off having contributed to the pool of achievements, the juniors are gearing themselves up to receive the baton of quizzing with a resolve to fare better.

## ENGLISH LITERARY SOCIETY

Teacher-in-charge- Mrs. Veena Roy Chowdhury

The English Literary Society grooms the personality of an individual by unveiling their latent skills and develops and strengthens it through a plethora of opportunities. A wide variety of literary activities, namely, debates, extempore speech and elocution cum character enactment are carried out across the year. These activities enable the students to hone their oratory skills and thus make them fluent and confident speakers.

The literary activities are conducted at three levels. Level I comprises students from classes XI and XII, level II from classes IX and X and level III has students from classes VII and VIII.

The Impromptu Parliamentary Debate at Level I introduced by the society last year has helped to develop a greater sense of confidence among the students. The Elocution Cum Character Enactment introduced last year has also helped unearth great oratory and acting skills. Through their participation in a wide variety of activities, students showcased their talents and chiseled their literary skills.

## HINDI LITERARY SOCIETY हिन्दी साहित्य परिषद (2018-19)

Teacher-in-charge- Mrs. Apoorva Banerjee

इंसान के पास शब्द नहीं होते तो इंसान का रिश्ता भी संसार के साथ वैसा ही होता जैसा कि जानवर का होता है। भाषा का इतिहास मानव सभ्यता के इतिहास जितना पुराना है। विचार, कल्पना और भावों की अभिव्यक्ति में साहित्य की अह्म भूमिका रही है। साहित्य और उसकी तमाम विधाएँ हमें जीने की कला तो सिखाती ही हैं हमारे व्यक्तित्व और जीवन को पूर्णता भी देती हैं।विद्यालय स्तर पर आयोजित तमाम प्रतियोगिताओं के पीछे भी यही उद्देश्य समाहित है। इस वर्ष अंतरविद्यालयीय स्तर पर दून स्कूल देहरादून, सिंधिया स्कूल ग्वालियर और न्यू दिंगबर स्कूल इन्दौर में आयोजित प्रतियोगिताओं में विद्यार्थियों ने हिस्सा लिया और बेहतर अनुभव के साथ-साथ उपलब्धियाँ भी हासिल कीं। शिवांश बागड़िया दून स्कूल में आयोजित प्रतियोगिता में वाद-विवाद के प्रथम और दिवितीय चक्र में श्रेष्ठ वक्ता चुने गए। रिषिका जैंन ने भी न्यू दिंगबर स्कूल की वाद-विवाद प्रतियोगिता में प्रथम स्थान प्राप्त किया।

विद्यालय स्तर पर आयोजित तात्कालीन भाषण प्रतियोगिता में विद्यार्थियों की सक्रिय भागीदारी रही। अंतर्गृह स्तर पर आयोजित वाग्मिता एवं चित्र अभिनय प्रतियोगिता और कैम्ब्रिज और संसदीय शैली में आयोजित वाद-विवाद प्रतियोगिता में कड़ी स्पर्धा और वुनौतियों का सामना प्रतियोगियों को करना पड़ा। विषय चयन, संचालन, आयोजन और तैयारी के स्तर पर प्राचार्य, उपप्राचार्य, विभागाध्यक्ष और हिन्दी विभाग के सभी साथियों के सहयोग से ही तमाम प्रतियोगिताएँ सफलतापूर्वक आयोजित हो सकीं।सभी के प्रति मैं अपना आभार व्यक्त करती हूँ।

# EDUCATIONAL AND ADVENTURE TOURS

TREK TO CHOPTA & TUNGNATH

TREK TO DODITAL AND WHITE WATER RAFTING AT RISHIKESH

#### **VISIT TO EUROPE**

15 students escorted by Mrs.Moyde and Mr. Rajneesh went on

an excursion to Europe. The first destination was Rome where the students were awestruck seeing the architecture and the rich history that the place has. Visits to The Colosseum and the Roman Forum proved to be great learning experiences.

At the Pope's residence and Saint Peter's Basilica, in the Vatican City, one could experience the serenity that the places radiate. It was sheer delight to be at the Sistine Chapel which looked much better than one would imagine.

Visits to Pisa, Florence and Venice were very meaningful. The Leaning Tower, an architectural marvel made us look at it in wonder .The workshop at the Ferrari Museum was very informative. There were assignments for every day and one of them was to make a car of our own and brochures on it too. The guided tour of the city of Venice was an indescribable experience! Switzerland and Milan were next on our itinerary. Visit to CERN made us wonder how magical science can be. Switzerland was full of surprises. One such surprise was the chocolate factory of Maison Cailler. The UN Headquarters and the Red Cross Museum awakened the hitherto dormant spirit of global citizenship in us. One can't find a place like Interlaken in the world. It is so beautiful. The river, the mountains, the horizon and the sunset, the sight of the snow left us spellbound. A bag full of beautiful memories and wonderful learning brought us back to our homes, happy and satisfied!

#### **NCC AIR WING**

The year 2018 was a year full of learning and adventure for the NCC air wing cadets. With 26 cadets aboard, the training programme kick started for the year.

The training started with the drill practices. The Air Force officers from the Unit visited the campus and taught basic drilling skills to the cadets. The cadets displayed these skills during the Annual Athletics Meet which were well received by everyone.

The cadets also contributed to make the Annual Athletics Meet more glorious. It was further made glorious when the cadets escorted the authorities to award the medal winners. Well dressed NCC cadets added great glamour to the ceremony. Tanush Samaiya, Sparsh Goyal, Shreyansh Nema Jai vardhan Tibrewal, Kalash Jain, Prateek Choudhary, Dhananjay Singh Ranawat and Sarthak Sodhani contributed greatly to make the event successful.

Officers from the Indian Air Force were invited to make the students familiar with the history and working of the Indian Air Force. The cadets were familiarized with various aspects of national integration, weapon training, leadership, disaster management, health and hygiene and self defense. It inculcated a sense of pride, responsibility and desire to serve the country.

They also presented the Guard of Honour to the Chief Guest during Annual Prize Giving Function. Dhananjay Singh Ranawat of class 10 commanded the Guard of honour .An aeromodeling workshop was conducted to make the cadets familiar with the basics of aero modeling.

The cadets look forward to an even more eventful year ahead and hope to participate in camps and other adventure activities.

#### **NCC BOYS** (ARMY WING)

The year 2018 started with enthusiasm and saw the enrollment of twenty-five new cadets in the month of April. The total strength of the wing reached fifty. The cadets worked hard and indulged in exciting activities like poster making, slogan writing and tree plantation.

Presenting the Guard of Honour to our APG chief guest, Mrs. Sumitra Mahajan, the honourable speaker of the Lok Sabha, was a privilege for us. The chief guest was delighted to see the performance of the cadets.

Furthermore, 12 cadets of the 2nd year attended the CAT Camp in the month of January, where they participated in various events like tent pitching, drill, weapon training, map reading, drawing, essay writing and other skill-based activities. We hope that the coming year will be fruitful for the cadets and hope that all the cadets bring glory to this institution.

#### **NCC GIRLS**

Daly College, as an institution, has been proudly connected with NCC for years .All students have been willingly participating in NCC activities and performing well.

The boys and girls have different sections and are divided into army and air wing respectively. 15 cadets appeared for the NCC 'A' Certificate examination as part of the cadet curriculum.

It has been customary to present the Guard of
Honour to the chief guest every year at the Annual
Prize Giving. It was a privilege for the NCC cadets this year too as they got
an opportunity to present the Guard of Honour to our chief guest, Mrs
Sumitra Mahajan, the honorable speaker of the Lok Sabha.

The chief guest was indeed delighted to see the performance of the cadets and later on, during her speech in the cultural function, she didn't forget to acknowledge the efforts of the display welcome put up by the NCC Cadets. Her presence inculcated a deep sense of pride and hope in all the Dalians .The girl cadets looked up to the chief guest as their role model.

Overall, the combined efforts paid off and, once again, the APG was a grand success. We look forward to a year which provides us with more learning opportunities.

First Officer, Mrs. Savita Kharadkar was awarded the Commandant's Certificate for Excellence in Firing and Yoga. Our Heartiest Congratulations!

### **ROUND SQUARE REPORT**

"There is more to us than we know. If we can be made to see it, perhaps for the rest of our lives we will be unwilling to settle for less."

- Kurt Hahn

The Round Square shares a commitment to personal development and international understanding. It provides a platform which inspires creativity, critical thinking, collaboration and communication, so that the students are ready for tomorrow's world.

To follow the Round Square IDEALS, Daly College organizes such events that help students to develop into a whole person through academic, physical and cultural experiences.

This year, Daly College for the first time, hosted a Round Square Trek and Adventure Camp, 'Novaturient' (desiring or seeking change in one's life) for the students of Round Square member schools (South Asia and Gulf Region). The adventure activities, trek and camp, truly helped in the overall development of the young delegates. It taught them to overcome all difficulties that come in their path with firm determination and grit, paving the way for a successful and adventurous life.

Our regular event, Daly College Eye Camp, was also organized twice this year. A noble initiative was taken by the Principal to shift the eye camp from the usual urban to rural areas so as to help that part of the society which is the most vulnerable.

### **RS EXCHANGES**

#### **Exchange to Stiftung Louisenlund, Germany**

Awaiting this experience for almost a year, at the end of the summer of 2018, I realised it was all worth it! Louisenlund is an international boarding school in Germany, and by International I mean that there are students from all over the world! My class itself had students from Iran, South Africa, Mexico, Dubai, Brussels and various parts of Europe. Not only that, I was awestruck by the variety of activities they had to offer, there was everything from firefighting squad to a kitchen squad. I, however, got myself into a small fraction of those activities like sailing, pottery, debating society, Thai kick boxing, service and theatre. Every weekend that I attended at school was a new and unexpected adventure. The school had a party every second weekend, but that wasn't it, and in the morning they had ice-breaking sessions like inter-class "new" games and a 24-HOUR marathon!

May sound a bit cliched but this exchange can be seen as a turning point for me. I completed my very first novel here, gave IB exams, made friends from probably 20 different countries, travelled alone, cooked, went grocery shopping and the best part was to get into a taxi and go to a new German city every weekend, and the only person I had to depend on for all this was myself!

-Gaurika Anand

#### Exchange to Woodleigh School, Australia

Travelling for 13 hours, all alone just two days after my visa arrived was an experience in itself. I left for my month long exchange to the Woodleigh School in Melbourne in the month of May. I was received by my host family at the airport who are the most affectionate and jocund people. It didn't take me more than a day to let go of the initial hesitation and apprehension. They are of Italian-Greek descent so needless to say everyday meals were the best of Italian food I've ever had!

Still recovering from the jetlag and with jitters, I stepped into Woodleigh on my first day. I immediately started exploring the campus and all the other opportunities that they had in store for me. I played basketball for Woodleigh every Monday and also did other activities like fundraisers and field trips. I did classes there just like any other student with literature being my favourite one. I went to many places with my host family on the peninsula like the hot springs and the bush ranges where I was 10 meters away from kangaroos!

Woodleigh is located in a bush setting on the countryside which gave me the experience of a rustic lifestyle. They don't have school uniform. In the school canteen, they have the most amazing mouth watering brownies.

I visited places like the St. Patrick's church, ANZAC Memorial, Eureka Sky Deck and the Yarra River. In the end bidding adieu to everyone was the most difficult task. This exchange definitely helped me shape my personality and left me with memories to treasure and bonds that will last a lifetime.

A profound thanks to my school for providing me with this enriching opportunity.

Reciprocal Group Exchange with Woodleigh School, Australia

Seven students Rudra Saigal, Shalavya Agrawal, Vasudev Agrawal, Anandi Nair, Aadya Kedia, Nabieha Khusro and Chahat Panjwani attended the City Bound Program at Woodleigh School, Australia under the aegis of Round Square from April 21 - May 8, 2018. The students were escorted by Mr. Kunwar Singh Rawat.

A group of six students along with two teacher escorts from Woodleigh School, Australia visited the Daly College, Indore from September 24 – October 2, 2018 as a part of the reciprocal exchange programme.

22 students and 3 staff members from Ivanhoe Grammar School, Australia attended a Certificate Course on Cultural Heritage of India in September, 2018.

# EYE CAMP, 2019 AT HATOD & KAMPEL

To leave the world a little better than you found it. That's the best a man can ever do.

#### People's Response

67-year-old Gopal Yadav said, "I've been unable to see clearly for the last three years. I had always hoped to see the world again and my dream has come true only because of this camp. I'm feeling very happy."

78-year-old Mrs Kalka Jat, said, "For the last four years, I've been unable to see. I felt a cloud in front of the eye. It was terrible for me to work and see. Now I can see clearly and am very happy with the camp."

# COMMUNITY SERVICE

On 26th January, students of Ashok House donated clothes, blazers, bed sheets and pairs of canvas shoes at a city hospital.

Principal, Staff and Students cycled their way to school to create awareness.

## PANNA TIGER RESERVE COMMUNITY SERVICE AND WILDLIFE AWARENESS PROJECT

Daly College, in association with Bagh Aap Aur Van (BAAVAN) Trust started by Dr. Raghunandan Chundawat, aims to work together for the conservation of the emerald tigers at Panna and create an awareness campaign for wildlife conservation.

Daly College has decided to focus on the buffer villages of the Panna Tiger reserve.

On the 13<sup>th</sup> of March, a group of 21 Dalians escorted by three enthusiastic teachers left for the much awaited pilot survey project. This project is our Principal's dream project where real community service to the needy society of the buffer villages can take place. The entire project was formulated and planned by the Daly College in association with the Baavan Trust that stands for Bagh Aap Aur Van and works towards protecting the tigers and conserving the forests in the forest reserve area. Activities conducted during the five days such as washroom construction, wall painting and the eye camp, amongst the others, proved to be great learning experiences for all.

On March 17, 2019 the handing over ceremony was conducted by Dr Raghu Chundawat and the Dalians.

#### **Wall Painting**

The young budding student artists of DC painted the walls of a government school in the rural area of Banki village to facilitate a more visual learning environment in the school.

#### Tree Plantation and Road Patch Work

On the 2nd day of the service project, Dalians, in the scorching heat, took up the initiative to complete the patchwork of the poorly constructed mud roads in the nearby area of Kupi Village.

#### Panna Tiger Reserve Safari Visit

We visited Sarai - a beautiful riverside retreat close to the Panna Tiger Reserve. It was created using village style mud and thatch but had spacious contemporary interiors. The dining/sitting area was an open structure commanding serene and stunning views over the Ken River. The cool temperature inside without the use of any technical machine took us by surprise.

Animals like sambar deer, spotted deer, wild boar, nilgai and some more were spotted. Listening to the warning call of deer and langurs made us realise that we are away from civilisation, and into the wild. A fierce leopard hunting a langur was a spectacle to behold. The sight of several eagles and vultures and their nests on the natural rocks added to the beauty. Spending time by the serene waters and witnessing huge crocodiles taking a sunbath delighted us all. This safari was indeed a memory which would be cherished forever.

It gave us tremendous happiness to be able to change so many lives and help them to become more sensitive towards the socio-economic issues of the society that made this visit memorable and close to our hearts.

#### Wildlife Awareness Orientation

This Service Project made us realise how wild animals and humans can coexist.

Dr. Raghu Chundawat's documentary talked about how humans can learn and study behavioural aspects of animals without making any changes to their daily routine. We also visited a beautiful hotel where the rooms had mud walls and all this displayed a remarkable example of sustainable living. It was an eye opening experience.

#### Eye Camp- Statistics at a glance

The eye camp was organised on the 17th of March, 2019 in the village of Kupi. There were 836 registrations and 507 spectacles were distributed.

No. of Registrations: 836

Males : 377 45%

Females: 459 55%

Distribution of Spectacles: 507

Males : 189 37%

Females: 318 63%

#### **MUNs 2018**

MUN is popular at Daly College as it enhances basic skills of the students first being a boost in confidence, and then learning how to negotiate, research and most importantly listen and take notes. MUNs also help the students to get a global perspective of the world and sensitize them towards issues which, if not directly but indirectly, affect them too. Keeping this in mind, this year we conducted the first Inter-house MUN so that novices get a chance to participate and more and more students are initiated into this very fruitful activity. The youngsters of the school were also not left behind and a junior conference was held for them in September. Continuous workshops during clubs or on Sundays and Intra-class MUNs keep the students ready to participate in MUN conferences held by other institutions. These activities are not only beneficial for the new students but also for the experienced ones as they get prepared to chair committees too. This also encourages the students to think out of the box and this year they organized a conference where the students' on the spot thinking and research work was tested - this was a first of its kind conference which was to build a new nation. This year around 200 new students were initiated into MUNs and 150 students attended 8 conferences out of which 48 brought laurels.

# CERTIFICATE COURSE IN INDIAN CULTURE & HERITAGE

The largest group from Ivanhoe Grammar School (IGS) yet – a group of 25 students – visited Daly College for the 5th consecutive year. They were warmly received and given a brief overview of the history of Daly College, which was followed by an interaction with our Vice-Principal, Mr. A.S. Ansari.

A special assembly was planned for the IGS students and teachers, where they were given a traditional Indian welcome of garlands and tilak, and were formally welcomed by our Principal, Mr. Neeraj Kumar Bedhotiya.

The IGS students completed a comprehensive certificate course on cultural heritage of India with enthusiasm and excitement. Through PPTs, videos and group discussions on topics like Prehistoric India, Religions of India, Festivals of India, Indian Rites and Rituals, Medieval and Modern Indian History, Indian wedding and more, the students delved into the richness of Indian traditions and heritage. They also indulged in open Q & A sessions based on each module.

IGS dabbled in Indian pottery, block printing and cooking authentic Indian dishes. They also performed a Punjabi folk dance - "Bhangra", on stage with DC students with energy and grace.

IGS students visited significant historical and religious places like Mandu, Ujjain and Maheshwar and visited the famous Mahakal Temple. They had an experience of a lifetime by performing the traditional temple aarti and havan and even trying their hand at the traditional and rustic "Kushti". The next day, they went on an interesting tour of the city of Indore as well.

The Principal's dinner was the culmination of the visit, with IGS students dressing up in colourful, ethnic Indian attire of sarees for girls and kurtas and saafas for boys. While talking about their experiences at Indore, many of them expressed their appreciation for the Indian cuisine.

The Australians left DC with their Course certificates, traditional souvenirs, beautiful sarees and other gifts, long-lasting friendships and a bagful of memories to last a lifetime.

The course modules and trips were meticulously organised and executed by Dr. Rajopadhyay at the helm, with the support of Mrs. Ashwini Naphde, Mr. K. S. Rawat and Mrs. Shweta Verma. A select group of Daly College students were with the IGS group at all times and they formed a strong bond with each other. The team of DC student volunteers included Ashmi Jha, Tamanna Handa, Krityasudha Lulla, Ami Jain, Arthur Henry, Lavanya Pahwa, Rishit Sharda, Rohan Jain and Sneha Golccha.

After leaving DC they proceeded to visit Jaipur, New Delhi and the Taj Mahal at Agra.

IGS students were highly disciplined, respectful and genuinely enthusiastic learners, ready to experience various aspects of our different culture. Their smiles and positivity were infectious. This was also a reflection of their dedicated and energetic teachers - Mr. Gary Chapman, Ms. Helen Marotta and Ms. Allison. It was Gary's third visit to us and the first one for Helen and Allison.

# FROM THE DEPUTY DEAN'S OFFICE

Nelson Mandela said 'Sport has the power to change the world, it has the power to inspire, it has the power to unite people in a way that little else does.' All this was evident in the sports activities conducted throughout the year.

Our vision for Daly College is to make it one which is known for excellence in sports in terms of training and infrastructure.

We will strive to improve the health and wellbeing of the Dalians and make the communities stronger through sport and physical activity. This year also saw great athletes rising to the occasion, competing fiercely but fairly for their school, and one could witness great examples of sportsmanship.

Girl athletes continued to perform better. Something to be celebrated!

This year again, at the Annual Athletics Meet, we had a mass display of yoga, gymnastics, self defense and aerobics and ensured maximum participation.

Our girls' hockey team proved their excellence by winning the CBSE West zone hockey tournament and in the National tournament they stood first runners-up. The boys' U-19 team won the Kishangarh Trophy Hockey Tournament.

Our girl shooters again aimed for the IPSC overall championship trophy and the boys' stood 1st runners- up. Ayush Chaudhary and Nancy Solanki qualified for 'Khelo India' games and won the scholarship.

We successfully hosted the All India IPSC basketball tournament for girls' U-17 and once again our girls demonstrated highly professional skills on the court by winning the tournament.

Mahak Jain and Sudipti Hajela continue to excel in the International sports circuit. Their par excellent performances in Tennis and Equestrian respectively won them accolades aplenty.

Our staff cricket team visited Mayo College, Ajmer to play a friendly fixture with Mayo College and Mayur School staff teams.

This year we will be witnessing the Ranji Trophy and the Mushtaq Ali cricket tournament at the historic Scindia ground in association with MPCA. We have worked very hard in rejuvenating the Scindia ground and the Scindia pavilion as per BCCI standards.

To combat the rising obesity levels in the community, we are straining every nerve to boost physical activity with the 'Khelo India Fitness Assessment' and further promote awareness about the standards of physical fitness and motor skills that our young Dalians should be aiming to achieve, a concept called physical literacy.

Overall, it has been a year full of activity and learning and we hope to scale greater heights in future.

### **BASKETBALL GIRLS**

The first term of this session dawned with vibrant energy and enthusiasm infused in the girls who were set to paint the wall with colours of victory. The responsibility to perform well in the upcoming IPSC U-17, which was going to be hosted by D.C. itself, kept fuelling the morale of the participants who challenged themselves physically and mentally every single day of their practice. The rigorous practices were positively channelized by the

flavour of expertise added by Ms Pavitra Chandra, an International level player and trained coach from Bangalore .These highly motivated girls won many accolades for their performances in SGFI, the Sunita Singh Memorial and IPSC-U-17 tournaments.
