DALIAN

THE YEARBOOK 2023-24

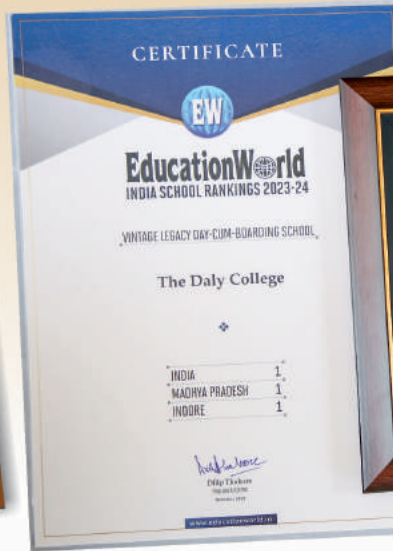

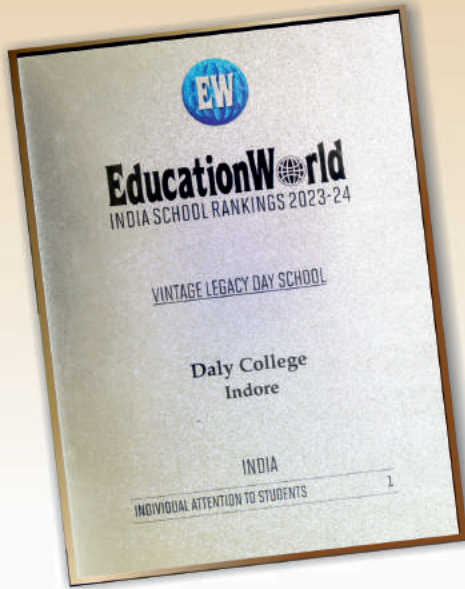

DC

EDUCATION SINCE 1870

**ACCOLADE  
EXTRAORDINAIRE!**

## PRINCIPAL'S MESSAGE

*"Your journey is a canvas—paint it boldly."*

These felicitous words of Michelle Obama emphasize the transformative power each individual holds to craft their unique path. If you have sculpted a mind that is agile; if you have nurtured a heart that is compassionate; and if you have created a spirit that dares to dream, you have embraced real education.

At Daly, we stand on the shoulders of a rich legacy, committed to nurturing well-rounded individuals. We ardently champion well-roundedness and go beyond the conventional, by instilling a commitment to hands-on, immersive learning experiences. Here, students embark on a transformative journey, delving into their passions and honing practical skills.

Our mission at Daly is clear: to equip students with a plethora of opportunities that navigate challenges seamlessly. The entire academic year is an expansive ocean of opportunities. As you turn the pages of the Yearbook, you will witness meaningful moments carefully woven, showcasing the year's unfolding narrative. Within its pages, witness a powerful tableau: some students sketching innovative worlds on paper, others transcending records; a few traversing the globe for exposure, while some diligently honing skills for mastery.

Reading a school yearbook is like opening a time capsule, each page echoing with the laughter, dreams, and triumphs of a collective journey. When you hold this miniature Daly College, this Yearbook, in your hands, you'll see that it's a poignant journey through the corridors of memory, where nostalgia and pride intertwine.

By the time you read this, we will have graduated another class of seniors, ushering them into a world of unbounded possibilities and welcoming them to their newfound status as alumni. Welcome to this side of the world which eagerly awaits to see you making a difference wherever you go.

Before signing off, I would like to quote Roosevelt - 'This world is yours, dare greatly.

'My fervent wish is that whatever path you choose, let it be a happy one.

God bless!

**DR. GUNMEET BINDRA**

Principal

## MESSAGE BY EDITOR IN CHIEF

### Greetings

The eternal optimist in me always sees March as the month with its back-to-school quality, presenting a kind of blank slate full of promise, as exams are over, and we swing into a new session. However, it is also a reminder that one more year has gone past. And so here we are with another issue of the Yearbook. What an absolute pleasure it is capturing these moments so momentous and making them timeless in this collectible!

It is mind-boggling to see the inexorable infiltration of Artificial Intelligence (AI) into the educational sector. Yet, in the face of this technological surge, the onus falls squarely on our shoulders to weave AI, algorithms, and Machine Learning (ML) into the fabric of education. As we deploy these transformative tools, we must ensure that every byte of information and every algorithm align with our commitment to responsible and ethical education. Allow me to ferry you back to school. This year has unfolded a kaleidoscope of diverse experiences, a meticulously curated ensemble where there were opportunities aplenty. It is making the most of these opportunities that makes all the difference. From the lively French Fest and the Literature Fest to witnessing the launch of Chandrayaan 3 to the intellectual journey at the World Book Fair, each opportunity reflects our school's commitment to learning beyond classrooms.

'First' implies excellence, suggesting a sense of being the best. What a feeling! Well, this year, we have consistently

experienced this feeling in abundance. Savour these moments captured in the Yearbook, as you witness the victories cradled in the hands and around the necks, with a promise to make these perennial.

Students, here's to you-just relive these moments and smile to yourselves for you are proud Dalians!

Not to overlook The Yearbook staple-The Annual Play, a breathtaking showcase of artistic brilliance which deeply touched the hearts of many. The Junior School, with its infectious exuberance, has found a permanent place in all our hearts. The school has acted centrifugally sending the students not just across the nation but globally making a tangible difference.

The section on Community Service highlights the school's multifaceted initiatives which not only nurture empathy and compassion but also cultivate in students a profound understanding of their broader social responsibilities.

Being a vehicle for these narratives is a true honour for me and our team. I hope you enjoy reading the

Yearbook as much as we did in bringing it to you.

**AASHI  
KUKREJA**

Ever positive and active, Aashi participated in various offerings of the school, including IPSC badminton and football competitions, notably contributing to the football team at BK Birla Pilani in 2022. Competitive, tough, and talented, she captained the 2023 Girls Team-B during the Kasliwal Trophy, and consistently participated in inter-house sports and dance competitions. Having myriad interests and inclinations, Aashi has also received a certificate for the Macmillan Education workshop on marketing and finance (22-23) and the Macmillan Budding Scientist Award (21-22). Always ready and willing to help, she volunteered for the Eye Camp and the Washroom Project, and also completed the "I Myself Self-Protection Program". Wishing to take the corporate world by storm, Aashi wants to pursue BBA with finance and become a businesswoman in the finance sector.  
God bless Aashi abundantly!

**ABHYUDAYA  
SINGH**

Well-spoken, respectful, a keen sense of humor, peppered with sporting flair, Abhyudaya, the DC Squash Captain, has been the MP State Squash Champion in Under 17 and Under 19. Making winning a habit, he represented DC in IPSC Squash in 2019, 2022, and 2023, and earned multiple podium finishes and gold medals. He also won the Prematabai Holkar Squash Championship in Under 15, Under 17, and Under 19 categories. Notably, Abhyudaya has achieved the highest National Ranking of 7 in Under 19. Ready to utilise his competitive spirit and positive attitude to the fullest, his future plans involve pursuing a career in the finance sector.  
God bless Abhyudaya abundantly!

**AGRIMA  
AGRAWAL**

Sweet, polite and ever-smiling, Agrima has actively participated in sports and co-curricular activities, including the inter-house swimming, football and hockey competitions. She also participated in the Indore World Summit 2022. Creative and caring, Agrima received a Merit Certificate for Fine Arts and volunteered for the Washroom Project. Seeing her creativity and empathy, Agrima will surely shine in a career in designing, which is her dream.  
God bless Agrima abundantly!

**ADITYA  
JAIN**

Witty, positive, along with talent for hockey, Aditya actively participated in IPSC badminton and hockey, and was selected for hockey nationals. He was also part of the DC hockey team, who were runners-up in the IPSC Hockey tournament. His curious mind also ensured a keen interest in MUNs. Always ready to face life head on, Aditya wishes to become a businessman.  
God bless Aditya abundantly!

**BHUMITRA  
LAL NIGAM**

Soft-spoken and respectful, Bhumitra has notable accomplishments in sports and co-curricular activities, including being a part of DC's winning team of the Kasliwal Football trophy 2023. Given his positive attitude, we are confident he will have a bright and promising future. God bless Bhumitra abundantly!

**DHAWANI  
GOYAL**

Sweet-natured and positive, Dhawani has successfully steered her Dalian journey with good performances in academics, and co-curricular activities, including a silver badge in sculpture in 23. Always willing to have new experiences, she participated in the Round Square Conference, London, in September 2021. Putting her motivation and creativity to optimum use, she plans on taking over her father's business. God bless Dhawani abundantly!

**HERIL  
GOWADIA**

Possessing a brilliant mind and a pleasant demeanour, Heril has a stellar academic record, with a commendable score in Class-10 and consistently excellent performance in Mathematics, scoring a perfect 100 throughout Class-12. He also participated in the Commerce and National Economics Olympiads. Tough and tenacious, he played basketball at the state level, earned a Certificate of Merit, and also keenly participated in inter-house cricket, football, and badminton. He satiated his unending curiosity through participation in various MUNs, including the Cathedral MUN, YPS MUN and MU20 Summit. His creative thinking, organisation skills and empathy were amply displayed during his work in the DCMUN logistics team, volunteering for the Eye Camp and the Washroom Project, and earning a gold badge in pottery. Heril plans on leveraging his academic prowess and organised, creative mind to explore the realms of business, economics, and finance. God bless Heril abundantly!

**JAPRAJ  
SINGH BHATIA**

Jovial, polite and positive, Japraj has been active in community service initiatives, including participating in tree plantation drives. With his friendly demeanour and ability to make the most of what life has to offer, he supported and contributed to his house at various events. Aiming to fully apply his knowledge, empathy and positivity, Japraj plans to work on taking the thriving family business from strength to strength. God bless Japraj abundantly!

**JASHNRAJ  
SINGH BHATIA**

Keen, bright and positive, Jashnraj has done well academically and participated in inter-house hockey. His empathy and caring nature shone through his active contribution to community services initiatives like V4U Social Society and Walk for Homeless. Always looking for an intellectual challenge, Jashnraj wishes to explore a career in finance. God bless Jashnraj abundantly!

**KANISHKA  
GARG**

Creative and caring, Kanishka is the Cultural Prefect. Displaying her grit and dedication, she excelled at the Annual Athletic Meet, winning bronze medals in discus throw twice. She was also part of the girls' football team that secured third position in the Kasliwal Football trophy. She is a mesmerising dancer, having showcased her prowess in various inter-house events and in the Turkey Dance Fest 2023. Her empathy and kind heart were amply evident while she actively contributed to the Eye Camp and supported the Bharat Ki Beti NGO. With her creative talent and determination, Kanishka will surely be able to achieve her aspiration of becoming a successful businesswoman. God bless Kanishka abundantly!

**KARAN  
SINGH BHATIA**

Energetic and optimistic, Karan has effectively navigated his journey as a Dalian, with good performances in academics, sports, and co-curricular activities. We commend his efforts and wish him success in all his future endeavours. God bless Karan abundantly!

**KRITI  
SHARMA**

Personable and dynamic, Kriti has performed well in sports and cultural activities. She secured the 2nd position in long jump in the districts and actively participated in inter-house hockey and football competitions. She was part of the team that secured the 1st position in inter-house dance, and also earned a special mention at the YPS MUN. She has been active in woodcraft, textile design and Chefs of DC. With her positive attitude and passion, Kriti will surely see her dream of becoming a successful businesswoman come to fruition. God bless Kriti abundantly!

**KSHITIJ  
BADERA**

Thoughtful and caring, Kshitij has been an active Dalian, participating in various house activities over the years. With his pleasant smile and his upbeat attitude, he will surely achieve everything he wishes to. God bless Kshitij abundantly!

**LAKSHYA  
AGRAWAL**

Resourceful and inquisitive, Lakshya is a notable debater and MUNer, playing an important role in DCMUN 23 and representing DC in various MUNs, receiving Best Delegate awards as well. With his remarkable enthusiasm, he was part of the TAP Debate Programme in 2022 and also earned a gold badge sculpture. He has been a key participant in inter-house sports and co-curricular activities, with a special interest in dramatics. God bless Lakshya abundantly!

**LISHA  
GUPTA**

Sweet-natured and polite, Lisha has done creditable work during her journey as a Dalian, with good performances in academics and co-curricular activities. We commend her efforts and wish her success in all her future pursuits. God bless Lisha abundantly!

**MAHI  
NARSARIYA**

Equal parts gregarious and diligent, Mahi boasts of a bright academic record with academic badges, merit certificates and high commendation cards. Remarkably creative and competent, she actively participated in many inter-house competitions, showcasing her prowess in sports and dance. She also earned a silver badge in Fine Arts, and earned prizes in various art competitions such as Kalakumbh and Abhyudaya. With her quintessential energy and drive, Mahi aspires to venture into trading. God bless Mahi abundantly!

**MITUL  
AGRAWAL**

Ever positive and active, amiable and caring, Mitul has been performing well across academics, sports and co-curricular aspects. With his enthusiasm and energy, he participated in inter-house football, hockey, cricket, athletics and cross-country, and has gone for districts in skating. Having multifarious talents, he earned recognition in Hindi and English dramatics, elocution and group songs. He notably represented Team India at the Turkey Dance Festival and was awarded a gold badge for Dance. He completed the NCC Cadet Certificate, volunteered for the Eye Camp and participated in MUNs. Putting his sincerity and motivation to optimum use, Mitul aspires to contribute to society through his family business or a self-established organization. God bless Mitul abundantly!

**MOHAK  
AGRAWAL**

Energetic, hardworking and a formidable hockey player, Mohak, the DC Hockey Captain, has notable achievements in inter-house and inter-school hockey competitions, along with playing at IPSC and State levels. A natural leader, as captain, Mohak led the team to the runners-up position in the IPSC U-19 2023, and earned the title of Best Goalkeeper. CHATURVEDI**

Academically admirable, unwaveringly committed, and commendably steadfast, Gauri is a beacon of inspiration and role model for her peers. Academic Prefect, CI, and Chief Editor of the Daly Prophet, Gauri is tenacity personified. Her academic journey is bedecked with College Colors and an Academic Badge. Clinching the Cambridge Outstanding Learner's Award in grade X was the apogee of her academic triumphs. A debater par excellence, Gauri speaks with panache. She was adjudged as the second-best speaker at the J.K. Kate Memorial Hindi debate. She has given some superlative performances at various inter-school debates and won accolades aplenty. An accomplished MUN participant, Gauri has received High Commendations in coveted conferences. She has also represented the school at Round Square conferences. Gauri engaged in extensive community service initiatives, contributing massively to various projects. From inter house debates to art to extempore to music and filmmaking, Gauri has done it all with great elan and exuberance. She is the recipient of the Salter Zutshi Prize and the Lady of the Year award, which is a recognition of her multifaceted brilliance. God bless Gauri abundantly!

**KARAN  
BINDAL**

House Captain of Jawahar House, Karan Bindal is a stunning blend of academia and extracurricular activities. He received a College badge, Certificate of Excellence, and a Silver medal for his excellent performance in Cambridge IGCSE Grade 10. An impactful MUNer and a language maven, Karan has performed marvellously at MUN conferences. He spearheaded transformative initiatives in community service, orchestrating drives for clothes and books distribution. Recipient of the Daly College Gentleman of The Year Award, 2023, which is a testament to his exemplary conduct and values, further enhances Karan's illustrious profile. Karan enjoys a strong presence in the sporting arena. Serving as the Vice Captain of the Daly College Tennis team, he achieved a stellar Second Rank in SGFI Tennis Team Event (U19). Karan's remarkable feat as the 5th seed underscores his talent and tenacity. This remarkably versatile, undeniably steadfast, and effortlessly suave student is a beacon of inspiration and role model for others. God bless Karan abundantly!

**KESHAV  
AGRAWAL**

House Prefect of Tagore House, Keshav has an infectious smile and impeccable behaviour. An assiduous student, Keshav received a Badge of Excellence for Academics in IGCSE, class 10. A maestro on the drums, achieving Trinity Level 4, and securing Silver and Bronze badges for Western music, he has contributed melodious notes to the cultural tapestry of the school. On the sports field, he led the Inter-House Cricket team to triumph in both Class 11 and 12. His versatility extends to various sports, including Hockey, Football, Basketball, Swimming & Cricket. God bless Keshav abundantly!

**KRISHNA  
MALVIYA**

House Prefect Rajendra House, Krishna is an assiduous and a diligent student. A student with a good academic record, Krishna received a Certificate of Merit for his performance in IGCSE. He clinched the 3rd rank nationwide in the National Commerce Olympiad conducted by SRCC. A maestro in the realm of photography, his impact reverberated through the lens and screen, earning him the College Prize and College Colors for Photography. A maven in video editing and filmmaking, Krishna served as the student assistant director at the Junior School APG and spearheaded the media team in prominent school events like the DC French Fest and the Y20. He received College Colours for Visual Arts. God bless Krishna abundantly!

**NANDIKA  
BARJATYA**

President of Round Square and Social Service League, and the Hospitality Head of DC MUN 2023, Nandika is conscientious and well-behaved, and has a cherubic smile. An academically inclined student, Nandika received a Certificate of Distinction in IGCSE. Nandika's sports tapestry is woven with spirited participation in inter-house hockey, football, and basketball. An ace swimmer and a promising athlete, she emerged as a driving force, making monumental contributions to secure her house's resounding victories. In the realm of co-curricular and cultural activities, Nandika's presence brightens over ten Round Square conferences and Model UN events. She is the proud recipient of the King Constantine Medal for Excellence in RS activities and the IAYP silver award. God bless Nandika abundantly!

**REHAAN  
MAGLANI**

Rehaan is a witty and well-informed student with good communication skills. His effervescent disposition and articulate arguments, steeped in humor, make classroom discussions engaging. Beyond textbooks and tests, his street smartness and practical wisdom are commendable. A talented MUNer, he navigates conferences effortlessly. He contributed significantly to the success of the Eye Camp initiative. Rehaan has participated in inter house music competitions and performed laudably. He aspires to become a successful businessman. God bless Rehaan abundantly!

**RONIT  
DEY**

A student with a good academic record, Ronit is extremely witty, intelligent, confident and always smartly turned out. Ronit's presence elevates classroom discussions to an animated and engaging level, marked by his substantial contributions. Beyond academics, his prowess extends to sports participating actively in Inter-house Basketball, Football, and Hockey. A distinguished MUNer, he earned a Special Mention at an MUN conference. God bless Ronit abundantly!

**SAADGI  
GARG**

A personality tailor-made for academia and sports, Saadgi, Deputy Head Girl and the girls' Squash Captain, epitomizes versatility. She serves as a beacon of inspiration and is a born leader. She is the proud recipient of the Principal's Medal and a lapel pin for excellence in academics, College Colors, and badges, as well as the Principal's Medal for squash in the U-19 Girls' category in 2022. Armed with the gift of the gab, she emerged victorious in renowned debates such as the D.F. Jack Memorial English Debate and the Oliphant Memorial English Debate. Saadgi played a vital role in the secretariat at the MU20 Summit 2023, Asia's largest high school conference. Her international exposure includes a transformative four-week Round Square Exchange to Armidale, Australia. An artist par excellence, Saadgi has been awarded College Colors for her accomplishments in fine arts. Her extensive list of accolades includes the Her Highness Maharani Ahilyabai Holkar Gold Medal, Sanghi Trophy for the Best All-round student in Class X, Batch of '87 medal for the Best Artist (Girls) in 2023, Mrs. Mira Sumer Singh Memorial Medal for dedicated community service, and Vijayditya Singh Memorial Trophy for being the Best artist. Saadgi orchestrated an initiative by organizing a drive for books and clothes for students in local schools. She has proposed an industrial design for an auto-assistive reading stand (an ergonomic device) for patients with motor disabilities which is currently under review at the Intellectual Property Office, Govt. of India. God bless Saadgi abundantly!

**RISHIMA  
RAHEJA**

House Captain of Ahilya House, Rishima has led by example. She received a Silver Medal and an Academic Badge for securing 88.4% in Class 10 IGCSE Boards. An ace basketball player, Rishima received College Colors for basketball, leaving an indelible mark on national championships. A gifted elocutionist and debater, Rishima received the Most Promising Debater award at the Mayo College Silver Jubilee Invitational Debate, 2022. Two gold badges adorn her crown of achievements for her superlative performances in co-curricular activities over the last two years. She chaired the UNESCO Committee at the Masters Summit MUN '23 and received Special Mentions thrice at MUN conferences. Rishima is deeply involved in community service, actively contributing to NGOs and spearheading initiatives like book and clothing drives. God bless Rishima abundantly!

**TANAY  
KAUL**

Undeniably witty, profoundly insightful, and impressively intelligent, Tanay encapsulates a remarkable fusion of academic brilliance and sporting prowess. Recognized with a College badge, Certificate of Excellence, and Silver Medal for surpassing the 85% benchmark in Class 10, he further bolstered his academic profile with the ICE Certification by IGCSE and consistent Certificates of Merit. In the co-curricular arena, Tanay demonstrates versatility, excelling in the SRCC National Economic Olympiad and actively participating in MUNs, debates, quizzes, and theatre. He contributed to the school's community service initiatives, including the construction of washrooms in a village school and the organization of clothing and book donation drives. An ace basketball player, Tanay has represented his house in inter-house basketball and ODA tournaments, where he performed admirably. He is a regular face in various sports such as football, hockey, and cricket. A voracious reader and language maven, Tanay has been offered admission to Ashoka University. God bless Tanay abundantly!

**TATHAGAT  
CHOUHARY**

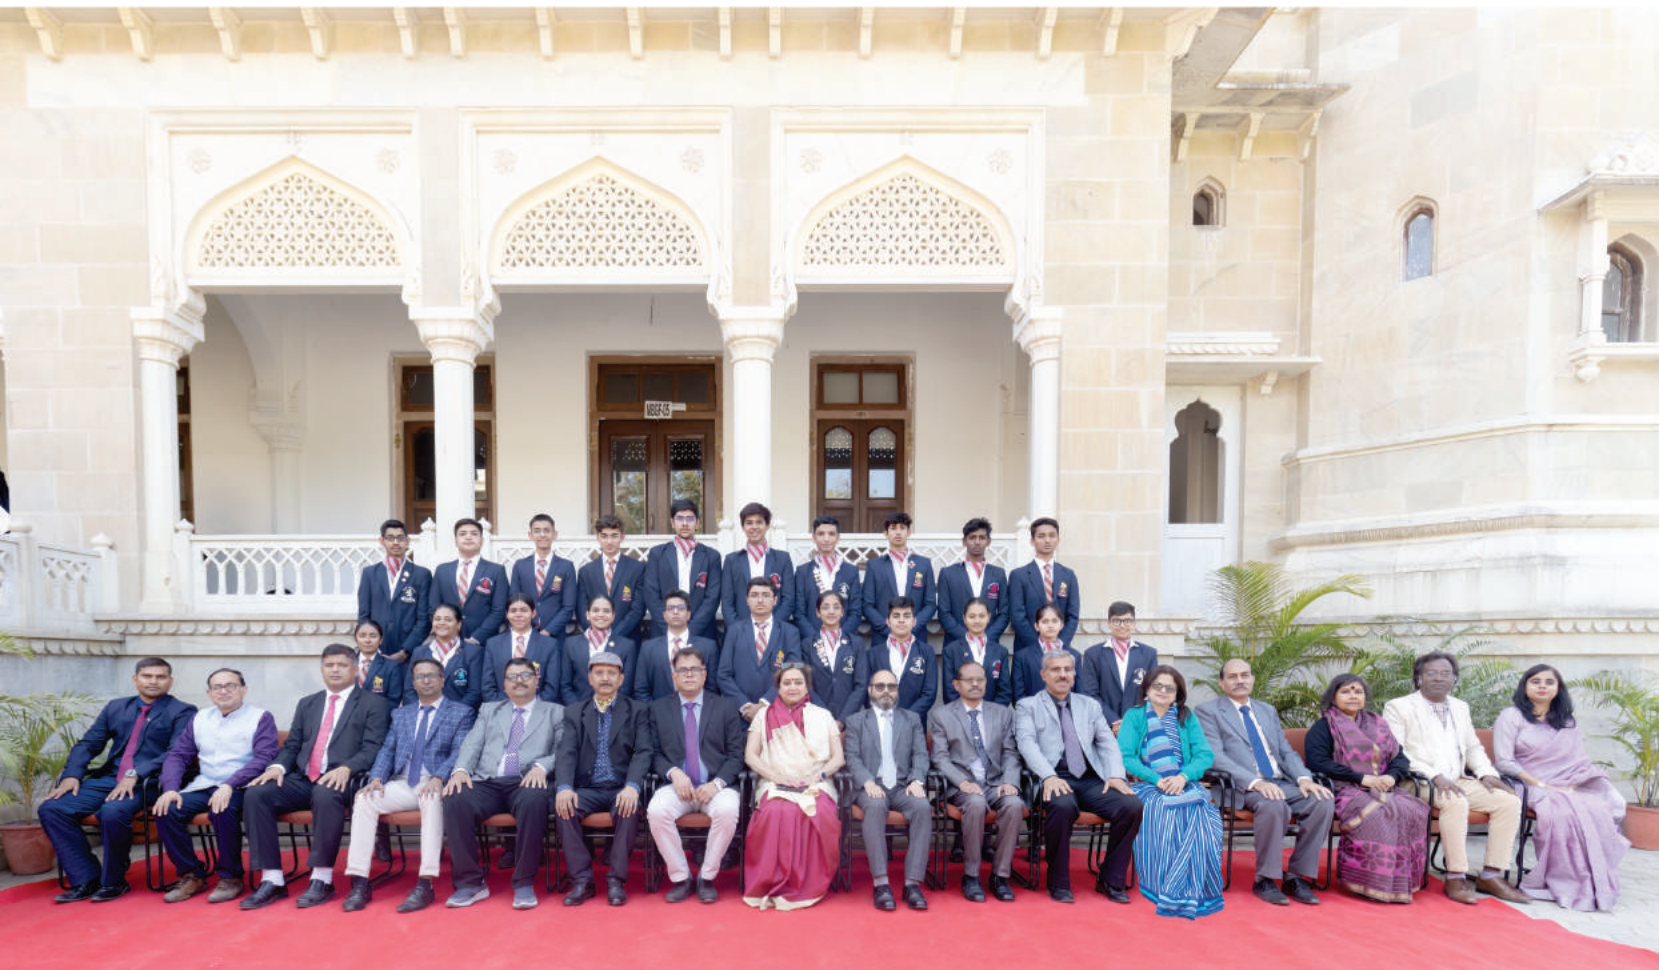

The dynamic basketball captain, Tathagat, has not only led the team to glorious heights but has also showcased extraordinary versatility. At the basketball IPSC, he steered the team to a remarkable second runners-up position. A force to be reckoned with, he proved his mettle at the Swimming Nationals, where his aquatic prowess shone. He won two bronze and two silver medals at the swimming IPSC. The selection for the Water Polo Nationals attests to his multifaceted talents. Tathagat has exhibited great finesse at the MUN conferences. Language comes naturally to Tathagat. An extremely witty and animated student, he effortlessly infuses vitality and humor into academic and social settings. God bless Tathagat abundantly!

**VIVAN  
GAUTAM**

Deputy Head Boy and Tennis Captain, Vivan exemplifies academic distinction, eloquence, and leadership. He secured 94% in academics, earning Academic Colours in IGCSE, and receiving a Certificate of Distinction from Cambridge. He is also one of the few students in the country receiving an AP Scholar Certificate for his excellent performance in the Advanced Placement examinations while also winning gold medals in six Olympiads. A tennis aficionado, he has achieved a commendable 13th national ranking in tennis. His sports journey is adorned with College Colours, SGFI and IPSC gold medals, and participations in many ITF tournaments as well as bagging top awards in national series tournaments. His portfolio as a MUNner includes a plethora of achievements with multiple Best Delegate awards. He was part of the Secretariat, DCMUN, 2023. He was also the recipient of the Principal's Medal for the Best Muner (Boys) in the school. Vivan is the proud recipient of the EC Merchant prize for the Best Quizzer in the school. He was part of the team that emerged as the Overall Winner in the coveted Lunawada Quiz and the IPSC IT fest quiz. He led a rainwater harvesting filter construction project, collaborating with Erawat Pharma and Nagnath Charitable Trust. This integrated design is now a patented industrial design recognised by the Intellectual Property Office, Government of India. God bless Vivan abundantly!

**AASHITA  
CHAUDHARY**

In the tranquil depths of Aashita's quiet demeanour lies a formidable force of accomplishment. A consummate shooter, Aashita exhibits unparalleled precision and finesse, consistently hitting the mark with remarkable accuracy and unwavering focus. She excels in both shooting, earning gold and silver distinctions in championships, and chess, achieving notable success in SGFI Division and District Level Tournaments. Beyond sports, Aashita's academic brilliance is evident in her 100 Scholarship from Stanley College, Perth, Australia. She embodies a harmonious blend of academic prowess, athletic accomplishments, and a promising future. God bless Aashita abundantly!

**ADHIRANSHU  
SINGH SOLANKI**

Adhiranshu displays a calm demeanour, encapsulating serenity and friendliness in every interaction. A key member of the gold-winning IPSC U15 Boys Shooting team, he showcased his versatility with achievements in squash, cultural pursuits, literary activities, and accreditation in the 'I Myself Protection Program.' His journey is adorned with commendations, certificates of excellence, and a prestigious silver badge, all testaments to his intellectual prowess. This grand narrative culminates with his remarkable achievements in the SOF Olympiad and the International Chemistry Quiz. An NCC air wing Cadet and an individual with an unquenchable thirst for knowledge, Adhiranshu strives for adeptness in various pursuits. God bless Adhiranshu abundantly!

**AISHWARYA  
KUMAR SINGH**

Aishwarya's zest for life adds a vibrant and cheerful touch to the world around him. He has demonstrated his versatility by participating in various sports and co-curricular fixtures. His shooting journey encompasses brilliance as he achieved a pinnacle in 2019 with a gold medal in the IPSC shooting and continued his impressive journey with four consecutive participations in the MP State Shooting Championship, earning a well-deserved bronze in 2021. His proactive approach, coupled with achievements like completing a cyber forensics course and participating in technology-related events, highlights his commitment to staying informed and perpetually expanding his knowledge, and fostering innovation within the dynamic realm of IT. Aishwarya is a well-rounded individual poised for success in his chosen field. God bless Aishwarya abundantly!

**ANUPAM  
KANOONGO**

IT Prefect, Anupam Kanoongo, stands out as a beacon of inspiration, seamlessly blending innovation with a commitment to personal and communal growth. Possessing expertise in 3D modeling, IOT and programming, he has significantly contributed to the school's tech community. His entrepreneurial spirit shines through with the launch of a YouTube channel, "Tech Info," in 2022, offering AI and programming tutorials. Adeptly donning roles like Media Head, Programmer and Quizzer, and Technical Head for various events like DCMUN, IPSC French Fest, IPSC IT Fest, and Round Square Project Soil, showcase his versatile leadership, technical proficiency, and collaborative spirit. Anupam's coding finesse and innovative spirit makes him a standout leader in the school's tech domain. God bless Anupam abundantly!

**ANUSHKA  
CHITALE**

Anushka, a versatile individual, has left an indelible mark in various facets of school life. Her artistic flair shone in inter-house Music, both Indian and Western, as well as in dance and dramatics. A versatile actor, she effortlessly transforms into different characters, captivating audiences with her expressive performances. Acing IPSC Dramatics and even securing the Critic's Choice Award for script writing, she has not only won the prestigious Shri A.M. Lahari Memorial Award for Hindi Dramatics Girls but also earned the title of Best Actor in Hindi Dramatics, cementing her position in the realm of performing arts. Anushka, the Social Science topper in class 10, who consistently excelled academically and earned a Certificate of Excellence, Academic Colour exemplifies multifaceted talent & intellectual brilliance. Fuelled by a profound passion for comprehending and positively influencing the human mind, she aspires to become a Clinical Psychologist with unwavering determination. God bless Anushka abundantly!

**DARSH  
GARG**

An enterprising young man, Darsh has demonstrated remarkable achievements, showcasing his talent, commitment, and confidence. From triumphs in inter-house cricket and active participation in various sports since Class 10, to inter-house plays, Darsh excels in various arenas. His credentials include a successful exchange program to Australia, ongoing pursuit of the IAYP Gold Award, and authorship of a published research paper on Explainable AI in Education Technology. Darsh holds certifications as an Android and iOS developer and has secured the top rank in the MP state ranking Tennis Tournament. Darsh's professional acumen shines through a brief but impactful internship at Fusion Global Business Solutions, where they developed an 'Automated Birthday Notification' program. Darsh's accomplishments reflect a blend of academic prowess, athletic excellence and dedication to social impact. God bless Darsh abundantly!

**GARVITA  
SAXENA**

Academic Prefect, Garvita, navigates the world of science with an insatiable curiosity. She maximizes every moment, seamlessly immersing herself in books during any available free time, ensuring no opportunity for enrichment is overlooked. Her accomplishments are adorned with numerous medals, enhancing the regal splendour of her success. Garvita, a quiz maestro and sports dynamo, seized the 1st place at the Lunawada Quiz and the Environment Quiz. From dominating the basketball and hockey arena to conquering IPSC Dramatics, her versatile achievements showcase excellence in every field. The "Best Speaker" in English Parliamentary Debate, 1st in Western Music Solo, and a "Special Mention" at the National Sudoku Championship – Garvita shines in both art and intellect. Garvita's commitment to academic excellence is a testament to her promising future and her steadfast commitment is certain to reap rewards. God bless Garvita abundantly!

**GEETIKA  
LATH**

Head Girl, Geetika Lath, stands in a league of her own and has illuminated our academic halls with brilliance and achievement throughout her journey. Recipient of College Colors for Academics and Academic Prize for four consecutive years from Classes 7CI to 10CI, her scholarly prowess reached unparalleled heights, earning her the Outstanding Cambridge Learners Award for securing the highest marks worldwide in Cambridge IGCSE Mathematics and a Gold Medal in the International Chemistry Quiz organized by the Royal Australian Chemical Institute. A powerhouse on and off the court, she led her basketball team to victory at the Lady Honouria Invitational Tournament and secured a Runner-up position in the Jr. NBA Championship, earning a spot in the Nationals. Her dedication in athletics earned her College Colours, and she proudly represented the IPSC team in the Athletics Nationals. Her five-year winning streak in cross country exemplifies her unwavering commitment to sports, truly showcasing that "the ball is in her court." Geetika, our all-star dynamo, clinched the Sanghi Trophy and the prestigious Her Highness Maharani Ahilyabai Holkar Gold Medal for Best All-round student in Class 10. Secretary General of DCMUN '2023, she bagged the Principal's Medal for Best MUNer Girls. Her eloquence earned College Colours and a Bronze Badge, with three consecutive years as the Best Speaker in English Debate Cambridge Style. Geetika, rocking it with her stellar accomplishments and dedication, totally embodies what it means to ace it academically and all-around. God bless Geetika abundantly!

**HEEM  
MOHAN  
PUTHRAN**

Boys' Athletics Captain, Heem Mohan Putran, a formidable embodiment of strength and precision, forged a path of dominance with unparalleled skill and unwavering determination. A true track sensation, he clinched the prestigious Best Athlete Award at our Annual Athletic Meet. His prowess skyrocketed at the CBSE Cluster and IPSC Athletic Meet where he amassed many medals, a testament to a spirit that refuses to be subdued. A force to be reckoned with, he also earned medals at the MP State Athletics Meet and the Indore District Athletic Meet. Representing both the IPSC Team and CBSE Team at the Nationals in 2023, he consistently showcased excellence on the track. Heem has set standards that inspire and command respect from peers and rivals alike. God bless Heem abundantly!

**HITESH  
AGRAWAL**

Hitesh's personality is tailor-made for academic brilliance, with a profound scientific bent, innate curiosity, and analytical acumen that sets him apart. His self-driven and socially responsible nature, coupled with achievements in diverse fields, reflects a versatile and exceptional individual. An academic dynamo, he showcased a remarkable scholastic journey, achieving an impressive 94% in Class 10 and demonstrating commendable performance in both SAT and TOEFL, while also earning a Cambridge ESOL A2 grade certificate of merit and securing top spots in competitions like SOF-IMO and Cuemath quiz. He has authored articles on hydrogen-powered vehicles and the Zimbabwean crisis, and co-founded the "Adding Hope" club to promote mathematics among underprivileged students. Hitesh's endeavours unfold as a captivating symphony, harmonizing social responsibility with industrial acumen, a testament to his resoundingly self-driven and curious nature. God bless Hitesh abundantly!

**ISHAAN  
SUREKA**

Ishaan's contributions extend across various domains, showcasing his versatility and prowess. In the realm of sports, he actively participated in football, basketball, and hockey at the inter-house level. His enthusiasm and commitment are equally notable in the cultural sphere, where he displayed his musical talent by participating in the inter-house Western music events. Academically, Ishaan has garnered accolades, earning a Certificate of Merit in the 10th grade. Beyond the confines of the classroom, his achievements in chess stand out prominently. He has not only represented the school twice in the Chess Nationals but has also been awarded the coveted College Colours twice for his exceptional performance in chess. A chess aficionado, he proudly represented the school at the Chess SGFI. His versatile talent will undoubtedly stand him in excellent stead, paving the way for remarkable accomplishments and undeniable success.

God bless Ishaan abundantly!

**JAANVI  
DOSHI**

Jaanvi, a scholastic maestro, achieved a remarkable 97.8 percent in CBSE Class 10, securing the top scholar position and earning a coveted special prize for academic excellence. Excelling in Class 11 exams, she garnered further accolades with College Colours and badges for her exceptional academic performance. A model of responsibility, she gracefully carries herself with modesty, showcasing a pleasant countenance that warmly resonates with her conscientious and approachable nature. Jaanvi's leadership skills shone through as the Vice Captain of the IPSC Girls Badminton team, where she clinched a bronze medal in the IPSC 2022-23. Her versatility extended beyond academics and sports, as she actively participated in co-curricular and cultural activities. She further elevated her global exposure by representing the school at the RSIC Conference 2022 in London. Jaanvi's achievements, crowned with international exposure, underscore a truly accomplished and dynamic individual.

God bless Jaanvi abundantly!

**JATIN  
BHENIYA**

Jatin's silent strength and genuine sincerity makes him an invaluable team member and friend. A harmonious blend of reliability and humility, he has demonstrated competence in co-curricular, cultural and sports activities. His achievements in both shooting and squash at the IPSC level showcase his athletic talent and dedication. Furthermore, his participation in the MP State Shooting and Squash Tournaments highlights his commitment to honing his skills at the regional level. In the academic sphere, Jatin has earned a Merit Certificate in Class 10th. Jatin's involvement in various domains paints a picture of a student who actively contributes to both the athletic and creative facets of school life.

God bless Jatin abundantly!

**MRITYUNJAY  
SINGH RATHORE**

A formidable force on the football pitch and recipient of College Colours for football, Mrityunjay's unparalleled skill and strategic prowess make him an outstanding player, consistently leaving opponents in awe of his athletic finesse. His demeanor, a perfect blend of stature and grace, adds an extra layer of appeal to his already striking persona. He has amassed a commendable array of accolades, a testament to his exceptional proficiency in diverse sports and co-curricular pursuits. He was honored with the prestigious Anirudh Singh Hada Sports Scholarship for his outstanding contributions to football. A skilled maestro of the soccer pitch, he also earned the title of the Best Player in both the ODA Cup 2023 and the inaugural NDPS Invitational Tournament. Demonstrating excellence, he has clinched medals in inter-house shooting and athletics. Mrityunjay not only dazzles with exceptional talent but also embodies the true heartbeat of a sportsman, radiating passion and prowess on and off the field. God bless Mrityunjay abundantly!

**NAITIK  
VINESH  
TEJWANI**

This remarkable young man consistently shines in sports, securing notable positions in U-19 and U-17 Cricket at IPSC events. His commitment to goodness and his inherent decency shine through, setting him apart as a commendable individual who continues to leave a positive impression on those who cross his path. Acknowledging his excellence in cricket, Naitik has been awarded College Colours and a Certificate of Merit in cricket. His sports achievements extend beyond cricket to active participation in chess, athletics SGFIs, and table tennis IPSC. Naitik has also showcased leadership skills by leading the team in cricket inter-house competitions. Naitik's leadership in inter-house competitions and his eloquent testimony through diverse sports make him a pillar of sporting excellence within his school community. God bless Naitik abundantly!

**PALASH  
SHARMA**

Palash exemplifies the adage 'Still waters run deep.' His calm demeanor belies a reservoir of dedication, making him a steadfast and invaluable presence in every endeavour. His prowess extends beyond the academic realm, as evidenced by his captivating role as a proficient anchor whose commentary ignited enthusiasm at the Annual Athletic Meet and he also showcased his leadership by leading the marching contingent of his house. His unmatched values shine through, making him a dedicated participant in all inter-house activities, driven by an unwavering commitment to his house. Palash's quiet determination and genuine sincerity create a ripple effect, making him an asset in any collaborative effort. God bless Palash abundantly!

**RANVEER  
DHAWAN**

Ranveer, the IT Prefect, adept at navigating the digital realm with finesse, demonstrated exceptional leadership skills in various co-curricular and cultural activities throughout his academic journey. Exuding a cheerful personality and radiating exuberance and zeal, he consistently led the Tagore house teams in multiple sports fixtures and inter-house competitions, showcasing his prowess in diverse disciplines and earning accolades.

Ranveer's participation in Model United Nations fetched him awards. With a stellar academic record, including a remarkable 94% in class 10, Ranveer aspires to become a software engineer. Ranveer's strive for excellence and his urge to embrace and master the latest advancements in the digital world will surely make him go places.

God bless Ranveer abundantly!

**SHASWATI  
KULKARNI**

A pleasant and serene individual, Shaswati is known for her calm and humble demeanour, embodying a modest nature that resonates with her peers and teachers alike. Her participation in inter-house fixtures also brought laurels for the house. In academics, she earned a silver medal and a badge of excellence in class 10 for achieving an impressive score of 94.2%. Beyond the academic and co-curricular realms, Shaswati showcased her artistic talents by participating in the IPSC Art Fest. In essence, Shaswati emerges as a harmonious blend of humility, talent, and academic excellence. God bless Shaswati abundantly!

**VANSHIKA  
SHRIVASTAVA**

Vanshika, the Gymnastics Captain, stands as a beacon of achievement with her unparalleled agility and precision. Her leadership in sports is exemplified by inter-house victories in hockey and basketball. Showcasing her prowess in gymnastics, she competed at both state and district levels. In the cultural arena, Vanshika's artistic flair shone through her participation in inter-house dance and Indian music, where she earned accolades for classical solo and group performances. Her visual arts triumphs include notable achievements in IPSC visual arts. Demonstrating a commitment to service, she actively contributed to the eye camp in 2022. Vanshika's accomplishments paint a picture of a promising individual, effortlessly fusing athleticism and creativity. God bless Vanshika abundantly!

**YUVRAJ  
AGRAWAL**

Yuvraj, the Academic Prefect, is an unstoppable force in the realm of knowledge, wielding an unwavering commitment to scholarly pursuits. Yuvraj's Model UN odyssey, highlighted by a triumphant 1st position as a team at the Virtual Model G20 Summit and his leadership ascent as Rapporteur, Chair, and Vice Chair in diverse MUN conferences, showcases his exceptional acumen and command in diplomatic spheres. Yuvraj's diverse accomplishments span academic competitions, ranging from parliamentary debates to extempore and quiz competitions. Adding to his accomplishments, Yuvraj holds an A2 Diploma in French awarded by the French Ministry of Education, showcasing his linguistic proficiency. His participation in leadership programs at Daly College and The Doon School further bears testimony to his commitment to holistic development. Yuvraj's intellectual prowess, illuminated by a profound love for learning, sets him apart as an avid scholar with a steadfast dedication to knowledge. God bless Yuvraj abundantly!

**ZUHAIR  
CHANDURWALA**

A fervent sports enthusiast, Zuhair, served as the Sports Prefect, elevating his leadership to new heights. As the Captain of Skating, he possesses a brilliant mastery of the rink, marked by impeccable precision. He has participated in Nationals and clinched the coveted title of Champion of Champions in IPSC Skating twice. This aquatic virtuoso, the Vice Captain of Aquatics, attained recognition as the Best Swimmer. Zuhair's sporting journey is adorned with gold medals, College Colours, certificates of merit, and victories at district and state levels. Beyond the athletic arena, he dazzles in cultural pursuits, earning accolades in MUNs, leading committees at DCMUN, and contributing to Round Squares Conferences. Zuhair's academic brilliance, evident in his impressive 95% score in Class 10, is complemented by active participation in diverse inter-house activities. His multifaceted excellence, defines him as a true epitome of accomplishment and leadership. God bless Zuhair abundantly!

**KRISHNAM  
CHIRANIA**

Krishnam Chirania, a good athlete, has notably represented Daly College in Badminton and Hockey IPSCs, achieving the esteemed position of Badminton Vice Captain. His exceptional dedication and sportsmanship led his team to secure the runner-up position in Hockey IPSC, while individually clinching a silver medal in the Annual Athletic Meet. God bless Krishnam abundantly!

**MANASVI  
SOJATIA**

Manasvi Sojatia, a charismatic performer, has showcased her talents globally, gracing the Edinburgh Fringe Festival stages in 2022. Renowned for her prowess in dance, she has left an indelible mark at the IPSC French Fest 2023 and Udbhav dance competition in 2023. Her excellence extends beyond the stage, earning her a Gold Badge for dance and a Bronze Badge for Fine Arts in 2022-23. With a passion for psychology, Manasvi aspires to delve into criminal psychology, reflecting a poised and well-mannered persona. God bless Manasvi abundantly!

**NAVYA  
SHARMA**

Navya Sharma, a distinguished scholar, has garnered two academic badges and secured an academic medal in 10th grade with an impressive 90.6%. Her athletic prowess shines through participation in national marathons and basketball tournaments, achieving excellence in both. Engaging in a spectrum of co-curricular activities, Navya has excelled in elocution, debates, music, and NCC. Notably, she has clinched prestigious college prizes, demonstrating her eloquence and debating prowess. As the Junior Bharati House Captain, Navya combines leadership with versatility, embodying the essence of a well-rounded achiever. Aspiring to be an economist, businesswoman, or data analyst, Navya exemplifies excellence across academics, sports, and cultural pursuits. God bless Navya abundantly!

**PRADHUMAN  
AHUJA**

Pradhuman Ahuja has showcased good cricketing skills as the highest wicket-taker in the 2023 Inter-house Cricket. Engaging in various co-curricular activities, he actively participated in the APG from Class 7 to 9. His dedication extends to exhibitions from Class 9 onwards. With a career aspiration focused on continuous growth and skill enhancement, Pradhuman is committed to keeping abreast of the latest trends and technologies. His ultimate goal is to contribute to creating an inclusive and diverse work industry. God bless Pradhuman abundantly!

**PRATYAKSHA  
PATNI**

Pratyaksha Patni, a known stalwart in soccer, exhibited unwavering dedication and prowess throughout his illustrious journey. Having triumphed in various tournaments, including the Kishangarh Shield and Inter School competitions, he navigated the Daly College Football Team to numerous victories. Beyond sports, his interest in becoming a data analyst reflects a multifaceted individual destined for success. God bless Pratyaksh abundantly!

**RANVEER  
PRATAP SINGH**

Ranveer Pratap Singh, a prodigious athlete, has effortlessly glided into Roller Skating. Beyond his prowess on the rink, he proudly dons the role of Vice Captain, steering the school squad with unwavering dedication. Immersed in the vibrant zone of co-curricular activities, Ranveer emerges as a multifaceted individual, blending sportsmanship with scholastic enthusiasm. With skates on his feet and ambition in his heart, he aspires to sculpt a future in the intricate landscape of business management. God bless Ranveer abundantly!

**RISHABH  
BOKADIA**

Rishabh Bokadia, the Vice Captain of the School Cricket Team for 2023-24, showcased unwavering dedication in the field of cricket. His stellar achievements include securing the Best Bowler title at the U-14 Invitational Cricket Tournament and clinching significant victories in the All India IPSC Cricket Tournament. Beyond the cricket pitch, Rishabh's multifaceted talents shine, with active involvement in cultural events and filmmaking. God bless Rishabh abundantly!

**ROHAN  
KAPOOR**

Rohan Kapoor, a known athlete, has triumphed in the IPSC Soccer championship with the school team. His excellence extends beyond the soccer field, showcasing remarkable athletic abilities. Currently aspiring to become a thriving businessman, Rohan Kapoor stands at the intersection of sports and entrepreneurial dreams. God bless Rohan abundantly!

**SHIVYA  
AHUJA**

Shivya Ahuja consistently showcased exceptional consistency and finesse, leaving a notable mark on both sports and cultural pursuits. Having secured notable positions in athletic meets and actively participating in inter-house events, she embodies dedication and sportsmanship. In cultural activities, Shivya's artistic flair shines through, earning her accolades in visual arts, woodcraft, and clay mask making. Furthermore, her commitment extends beyond personal achievements, as seen in her involvement in community service projects. God bless Shivya abundantly!

**SHOBHIT  
ADHANA**

Shobhit Adhana, a javelin throw maestro, has showcased his prowess in athletics and actively contributed to eye camps organized by the school's community service team. His aspirations align with joining the family business, reflecting a commitment to both sport and community service. God bless Shobhit abundantly!

**SHREEVATSA  
JAIN**

Shreevatsa Jain, distinguished as the under-14 IPSC runner-up for football and under-14 states runner-up, showcased notable talent in the Kasliwal Trophy 2022-2023 and Ashwin Cup 2022-2023. Holding roles of responsibility and excelling in woodcraft and adventure club, Shreevatsa aspires to contribute to the family business. God bless Shreevatsa abundantly!

**SOUMYA  
JAIN**

Soumya Jain, the energetic force on the sports field particularly Basketball courts, joined DC in 2016 and has since left an outstanding mark. As Basketball Captain, she clinched the titles of Best Player at Sanawar School's invitational tournament and 2nd place at the IPSC tournament in Mayo College Girls' School, Ajmer. A fabulous high jumper, she secured 1st place three times. In athletics, she earned silver in 3000m, 4x400m relay, and a bronze in high jump (2023-24). Beyond sports, Soumya shone in cultural realms, winning 1st place in visual art and 2nd in dance. A fine arts enthusiast, she aspires to flourish in this creative domain. God bless Somya abundantly!

**TANAY  
PATWARI**

Tanay Patwari, a dynamic sportsman, consistently showcased exceptional skills in various sports. Having represented his state team as a key member in the Football Nationals, he triumphed as a vital defender, earning acclaim in the IPSC football competition. Tanay's tennis skills secured him a notable runner-up position in the MP ranking doubles. His journey is an inspiring testament to resilience and sportsmanship. God bless Tanay abundantly!

**TARANG  
SADHWANI**

Tarang Sadhwani has actively engaged in diverse school activities, excelling in both academics and extracurricular. He has participated in inter-house football and athletic meets, showcasing his sportsmanship. In co-curricular and cultural pursuits, Tarang has notably served as a delegate in DCMUN, initiated an AFS startup, contributed to an eye camp, and demonstrated his eloquence in Cambridge-style debates. With a clear career aspiration to become a lawyer, Tarang reflects determination and focus. God bless Tarang abundantly!

**VIJEETRAJ  
SINGH RANAWAT**

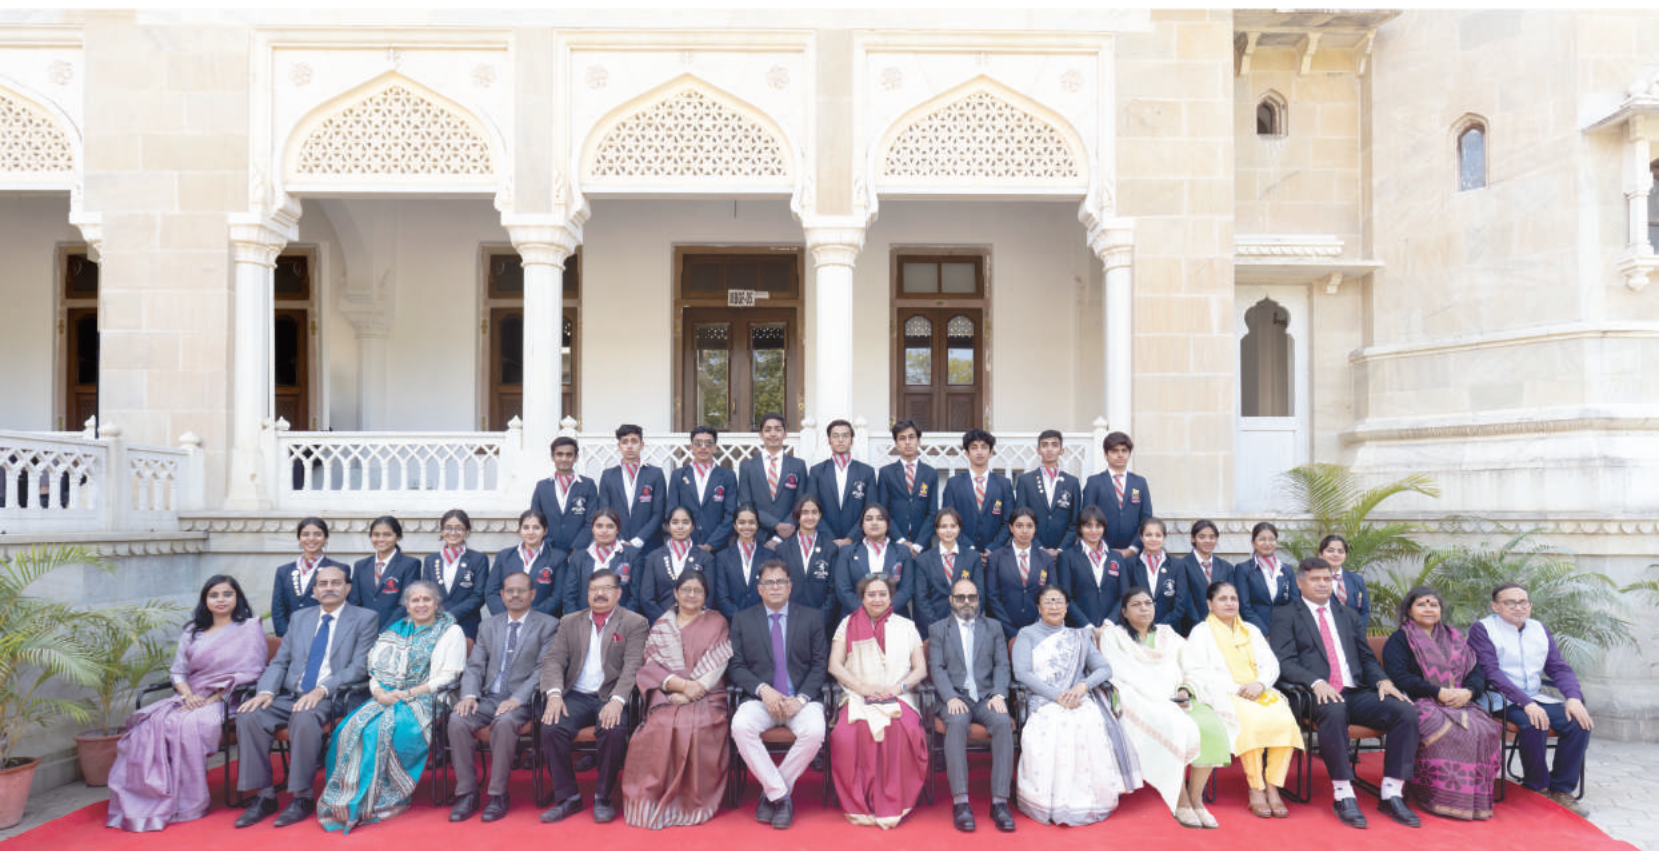

Vijeetraj Singh Ranawat has demonstrated remarkable achievements at PPS Nabha, excelling in hockey and securing the runner-up position at the IPSC Hockey competition hosted by that school. His athletic prowess extends to cross country, where he claimed the second position in the U-19 category this year, accompanied by numerous medals in Athletic Meets. Engaging in co-curricular and cultural activities, Vijeetraj participated in the QGIS round square organized by The British School, New Delhi, achieving third place in IPSC Product Design during 11th grade. As the captain of Vikram house, he has shouldered responsibilities with dedication. Looking forward, his career aspiration is to pursue a professional history-related job and, after achieving success, venture into the hospitality industry by establishing his own hotel, where he aims to actively engage in management. God bless Vijeetraj abundantly!

**VIVAN  
DAMMANI**

Vivan Dammani has been a simple, active and cordial student. He has participated in most of the activities of the school. God bless Vivan abundantly!

Prasiddhi Agrawal, Ahilya Ghorpade, Advika Pagnis, Gagandeep Kaur Gill, Gursimran Kaur Bhullar, Rishika Deshpande, Riddhima Kumari Singh, Yashaswini Sisodia, Arkja Singh, Harshita Patni, Disha Jaiswal, Tanisha Singh Rao, Riddhima Chandhok, Bhumi Lal Nigam, Ansuya Chandgothia, Aishani Barwal

#### Second Row standing (Left to Right)

Mahendra Vikrampal Singh Chouhan, Bhavdev Singh Chauhan, Pranav Reji, Abhimanyu Singh Dikhit, Rishabh Maharshi, Veer Pratap Singh, Nirbhay Singh, Raghumanyu Singh Chundawat, Anup Jat

**ABHIMANYU  
SINGH DIKHIT**

Abhimanyu has been a successful cricket player with impressive batting technique, bowling precision and outstanding fielding. A boy with a charming demeanour, he has won everyone's hearts as well as many tournaments at IPSC and National levels. He played a pivotal role in Daly College winning the prestigious Kishangarh Shield twice and was awarded the College Colour for cricket. On the academic front too, Abhimanyu holds a commendable record. Beyond the realm of sports and academics, he has motivated himself to venture into photography. His achievements and pursuits undoubtedly make him an exemplary student with a promising future ahead. God bless Abhimanyu abundantly!

**ADVIKA  
RISHIKESH PAGNIS**

House Prefect- Junior Bharati house, Advika is an inquisitive and creative individual who excelled in all that she set her mind to. Her intelligence and quick thinking enabled her to win various quiz competitions and receive multiple gold and silver badges. Advika also excelled in debating and dramatics. She aspires to study Data Science with a specialisation in Economics, and to inspire and lead by example as a Woman in STEM. God bless Advika abundantly!

**AHILYA  
GHORPADE**

Ahilya is a gifted individual with the ability to light up every room she walks into. She is an accomplished swimmer with an excellent speed in the water with minimum effort. The strength of her stroke against the tide made her learn a lot to connect with her own life. Her dedication and speed won her two silver and two bronze at IPSC and SGFI levels. In only two years at DC, she has won everyone's hearts with her simplicity and impressive smile always radiating happiness. God bless Ahilya abundantly!

**AISHANI  
BARWAL**

An A certificate holder as an NCC cadet, football player and graceful dancer, Aishani's energy with a broad smile is so infectious- it makes everyone else motivated. Her house spirit was shown and appreciated through her marching during Annual Athletic Meet and football skills during Kasliwal and IPSC tournaments. She has been an active part of the band, receiving the College Colour. She wants to pursue Law in the future. God bless Aishani abundantly!

**ANSUYA  
CHANDGOTHIA**

House Captain- Senior Bharati House, Vice-Captain swimming girls, highly energetic, strong and most skilful swimmer, Ansuiya has been an asset to us. An adaptive strategic leader, she has shown her organising skills during many inter-school events. She also takes pride as an active member of the College football team. Her competitive spirit has got her many accolades. She wants to take up Law in future .  
God bless Ansuya abundantly!

**ANUP  
JAT**

From exhilarating and fast-paced to strategic and skilful, football has been described using an array of words that capture its essence and the passion it ignites among players like Anup. Being Captain of Team B in Kasliwal tournament, he has shown leadership of the highest order during Kishangarh Shield and Ashwin Cup tournaments. He has been awarded with the College Colour for football. Adding to this, he has been a delight to watch on stage with his comical acting skills. He wants to pursue Law.  
God bless Anup abundantly!

**ARKJA  
SINGH**

Captain College Girls' Shooting team, Arkja is a commendable combination of debating, quizzing and music skills. Her brilliant all-round performances made her receive College Colour for shooting, along with other accolades in co-curricular activities. She wants to pursue higher education in political science and serve the nation.  
God bless Arkja abundantly!

**BHAVDEV  
SINGH CHAUHAN**

Captain of the College Equestrian Boys' Team, Bhavdev is creative, independent and expressive. He is a keen composer and also an expert horse-back rider. His enthusiastic participation has brought him many laurels.  
God bless Bhavdev abundantly!

**BHUMI LAL  
NIGAM**

Bhumi has always controlled her wins and losses. She has trained herself to compete in a variety of sports having involved her physical strength, speed, power and endurance. She is a true synonym of the Greek word 'athlete' whose focus was never swayed during the Annual Athletic Meet and various football tournaments including Kasliwal and many IPSCs. This sports enthusiast wants to pursue fashion designing in the future. God bless Bhumi abundantly!

**DISHA  
JAISWAL**

Disha possesses a combination of creativity, imagination, and a unique perspective on the world around her. She has successfully expressed these through various forms of art, such as fabric slushing, painting, sculpture, music and drama. She has won many accolades, including the College Colour for band and silver badge for fine arts. She wants to pursue fashion communication in the future. God bless Disha abundantly!

**GAGANDEEP  
KAUR GILL**

Vice-captain Girls shooting team, a precision-focused individual with a knack for air rifle shooting, Gagandeep's steady hands and keen eye made her a sharpshooter, hitting targets with impressive accuracy. She won 5 golds and 6 silvers to mention a few, and was also awarded the College Colour for shooting. A passionate cook and baker, she wields spatulas and measuring cups with the same precision as she does her rifle. She wants to pursue culinary and become a Michelin chef one day. God bless Gagandeep abundantly!

**GURSIMRAN  
KAUR BHULLAR**

A diligent and committed swimmer, Gursimran has won many medals at IPSC levels. She has been a promising skilled athlete who brought laurels. God bless Gursimran abundantly!

**HARSHITA  
SANJAY  
KUMAR  
PATNI**

Harshita has been generous with her time, wisdom and resources. Her commitment was appreciated when she confidently conducted a few events as Master of ceremony. She has been keen on social service and volunteering to aid the underprivileged. Her participation in various inter-house activities including the quiz made her a member of many successful events. God bless Harshita abundantly!

**HARTEJAS  
SARUP**

Hartejas has been a committed participant in most of the House activities. A keen swimmer and sportsman, he has always been motivated to make his House win top positions. God bless Hartejas abundantly!

**MAHENDRA  
VIKRAMPAL  
SINGH  
CHOUHAN**

A passionate bibliophile and successful quizzer, Mahendra showed his leadership as House captain of Rajendra House confidently. His focused and energetic strategy made his House win many accolades. His firm belief in the words- like 'Lead with heart, win with spirit. Be a House Captain!', helped him. He wants to become a well informed youth and join politics. God bless Mahendra abundantly!

**NIRBHAY  
SINGH**

A determined, skilled and committed football player, Nirbhay has been our pride for the last two years. His performances at National, IPSC and SGFI levels are always appreciated, earning him the College Colour for football. The most memorable moment of his captured was his bicycle kick during one of the tournaments when he jumped backwards like a backflip, and kicked the ball in midair. He has been an actor, singer and a dancer. His fearless playing brought him and the school many accolades. He wishes to take up acting in future. God bless Nirbhay abundantly!

**PRANAV  
REJI**

Honoured to receive Artistic Excellence Award for Driftwood Art in Arts IPSC fest, MAHARANI PUSHPAMALA RAJE DEWAS PRIZE for the Best Student Artist among boys, Pranav received a silver badge for sculpture and the College Colour for Fine Arts. He has been the best athlete in the CBSE Athletic meet, a promising football player and passionate swimmer too, receiving College Colour for athletics and football. This determined sports person wishes to take up fine arts at a higher level.  
God bless Pranav abundantly!

**PRASIDDHI  
AGRAWAL**

Academic Prefect, promising debater, dancer and MUNner, Prasiddhi has won silver badge for debating in English and Bronze for dance. With a commendable academic record, Prasiddhi achieved the second highest score in her batch in the 11th grade. She is a genius by all means and aspires to become a lawyer in the future.  
God bless Prasiddhi abundantly!

**RAGHUMANYU  
SINGH  
CHUNDAWAT**

House Captain- Tagore House and Vice- Captain Shooting and Equestrian college teams, Raghumanyu has been a disciplined and committed sports person who brought laurels to the school at both, IPSC and SGFI levels. This marksman is one of the finest athletes who has won many gold and silver medals in various tournaments at state and national levels. A boy with pleasing manners, Raghu has been a committed football player since junior classes and has been a treat on the ground for his exceptional talent and skills. He has received the College Colour for football and shooting. He also got the honour of being the mounted escort for our chief guests for a couple of times. He is an A certificate holder NCC cadet. A keen bird watcher and photographer, he wishes to pursue higher studies in Economics.  
God bless Raghumanyu abundantly!

**RIDDHIMA  
CHANDHOK**

Football in terms of technique and game intelligence is a skill to Riddhima whose unwavering commitment made her show leadership as Vice-Captain girls football team and also as an active member of the first ever Kasliwal tournament for girls. Furthermore, she has also displayed her excellence in Basketball as the Vice-Captain of the girls basketball team. Leading not one but two sports teams to victories, Riddhima has been a leader in all senses as the House-Prefect Indira House. She has been a star theatrical performer, and has been appreciated and awarded with College Colour and a silver badge. She aspires to delve into psychology for her higher studies.  
God bless Riddhima abundantly!

**RIDDHIMA  
KUMARI SINGH**

Having been a motivated member in the Daly College Athletics Division, Riddhima is not only the Captain Athletics Girls', but also the College Sports Captain. The perfect picture of elegance, endurance, and confidence, Riddhima Kumari is a versatile person with a creative mind for painting, quizzing, scripting, acting and speaking, receiving a silver badge for Fine Arts. She also went on an exchange to South Africa. She has been one of the promising football players in many tournaments including the most prestigious Kasliwal tournament. She has received the College Colour for excellence in athletics. She, with a radiant smile on her face, is confident to take up a leading position in the country one day. God bless Riddhima abundantly!

**RISHABH  
MAHARSHI**

House Captain- Ashok House, Rishabh believes that debate is a valuable skill that everyone should have and he has been brilliantly exhibiting in timing, rhetorical flourishes, one-liners, and body language at inter-house and inter- school levels, including the most prestigious Oliphant Memorial English debate held at Welham Boys' School this year. His scripting and acting skills always made his House proud. His smile has been a mix of happiness and confidence to motivate others. He wishes to become a lawyer in future. God bless Rishabh abundantly!

**RISHIKA  
YOGENDRA  
DESHPANDE**

A disciplined and confident Equestrian Captain, Rishika has been passionate to excel in more than one sport. A committed athlete and singer, Rishika won many medals, College Colours and gold badges, having participated in many CBSE, SGFI and IPSE levels, having set the school record for discuss throw in the Athletic Meet. She also composed, appreciated art and generated new ideas. With this versatile excellence, she wants to pursue a career in foreign languages and psychology. God bless Rishika abundantly!

**SHRI SAI  
MANGAL**

Creative, original and with a good knowledge of media production and communication, Sai has an excellent verbal communication skill. He has scripted many English plays staged at Inter-house level. He plans to become a successful businessman in future. God bless Sai abundantly!

**TANISHA  
SINGH RAO**

A skilled and disciplined athlete, Tanisha- the Sports Prefect performed at four national games in two sports- swimming and athletics and won many medals. This year she has been awarded the best athlete and has also created new records, receiving College Colour for Athletics, along with multiple gold and silver badges. She also received many gold and silver badges as an appreciation for her commendable performances in acting and painting. She won the best actress award this year.

God bless Tanisha abundantly !

**VEER  
PRATAP SINGH**

We always expected more from Veer, and he never disappointed us. He inspired other team mates to strive for greatness in hockey and football. A soft spoken sportsperson like him has been a delight to us. He wishes to pursue Law. God bless Veer abundantly!

**YASHASWINI  
SINGH SISODIA**

House Captain- Indira House and Vice- Captain College girls' squash team, Yashaswini has always been active and keen in playing all types of sports and producing favourable results. Jovial by nature, she showed the ability to delegate, inspire and communicate effectively and made her House bring many laurels. Motivated, supportive and energetic, Yashaswini has been a delight to watch during all football matches including the Kasliwal tournament. She wishes to take up Law for her higher studies .

God bless Yashaswini abundantly!

## PRESIDENT'S WELCOME ADDRESS

### HH MAHARAJA VIKRAM SINH PUAR

*Good evening everyone,*

Honourable chief guest and international sports pride of India, Mrs. MC Mary Kom, internationally acclaimed fashionista and Bollywood icon, Honourable Guest Mr. Kabir Bedi, Respected Vice President, BOGs His Highness Rajvardhan Singh Narsingarh, my dear colleagues on the Board of Governors, revered Principal of Daly College Dr. Gunmeet Bindra, esteemed guests, parents, dedicated staff and students, with a heart full of pride I welcome you all to the grand event of the 153rd Annual Prize Giving.

We are blessed to find ourselves in the company of not one but two illustrious personalities. One, a six time AIBA World Women's Boxing Champion, adorned with accolades such as Arjuna Award, Rajiv Gandhi Khel

Ratna Award, Padma Shri Award, Padma Bhushan Award, and the Padma Vibhushan Award, alongside the distinction of being the bronze medalist at the 2020 London Olympics.

On the other hand, an actor whose career has transferred three continents, gracing the realm of film, television and theatre in India, in the United States among other European countries, notably Italy, Mr. Kabir Bedi.

It is with profound joy that I extend a warm welcome to the esteemed individuals who have graced our school with their presence this evening. Allow me to seize this moment to extend once again a heartfelt congratulations to our Principal, Dr. Gunmeet Bindra, the custodian of Daly College, for her exceptional strides towards the successful implementation of many projects such as the Finishing School, the Horse Riding Academy, Internationalism and many other student oriented all round programs which have propelled the school to new heights fostering educational innovation, creating reform and deeper connections with stakeholders of all ages.

Reflecting on my illustrious colleagues on the Board, I marvel at their vision and unwavering desire for growth and farsightedness. The efficiency of my board members is primarily responsible for all the grand strides which this institution is making in all spheres.

The Daly College Board, as a creative force, is unafraid to take bold and inspiring decisions. Even in the face of challenges and criticism, they have displayed commendable commitment. One such decision is to provide a totally new Junior School Building for the future generations.

I'm proud to say that the work on this unparalleled project is going to start very soon. The Daly College is literally like a temple for all the boys and girls to study here along with the Old Dalians. It is such an invaluable institution which is home away from home. A place where the children not only gain knowledge but also are groomed for a world class lifestyle. The children leave the campus as confident young men and women who will bravely face the challenges of life.

I know that as a fact, because I myself am an Old Dalian, who owes a lot to this institution for what I am today.

To the parents, your unwavering support is acknowledged with heartfelt gratitude. Your partnership has enhanced the school's progress and we stand on the cusp of touching the pinnacle of glory.

To our esteemed alumni scattered across the globe, your contributions are deeply

appreciated. Efforts have been made to fortify our national and international chapters for better communication and forging a bond.

For this, I am happy to announce and congratulate the ODA for launching a new app for Old Dalians all over the globe.

This app will be launched tonight at dinner and I am happy to announce that this app will be a step forward to accomplish the vision of better connectivity with all Old Dalians across the globe. I am sure this app will 100% prove to be the backbone of the Old Dalian Association. This should be the hallmark for all such endeavors.

To conclude, I extend my heartfelt gratitude to my eminent guests for their gracious presence, unwavering support and internal motivation. May this patronage continue to bless and uplift Daly College!

Thank you so much, I wish you all a joyous Christmas and a prosperous New Year.

**PRINCIPAL'S**  
**APG SPEECH 23**

*"Home Is Where Love Resides, Memories Are Created,  
Friends Always Belong, Laughter Never Ends."*

**DR. GUNMEET BINDRA**

Ladies and gentlemen, Daly College is home to all of us! We have some enviable guests visiting our home this evening.

Chief Guests, Ma'am Mary Kom and Mr Kabir Bedi, members of the Board of Governors, guests, parents, grandparents, Old Boys, friends of the school, staff and above all, dear children, a very warm good evening and a very warm and hearty welcome to you all to the 153rd Annual Prize Giving celebrations, on this the 9th day of December 2023.

Ladies and gentlemen, it is with great exultation and exhilaration that I introduce to you our Chief Guests for the evening, Ma'am Mary Kom and Sir Kabir Bedi.

Ma'am Mary Kom needs no introduction, but for the sheer privilege of talking about her, I share with you just a glimpse of the towering personality, an embodiment of Strength, Wisdom, Nobility, Family, Power, Heritage, Courage and Dignity. An iconic Indian boxer, Ma'am Mary Kom is a five-times world champion. Taking up a sport considered "masculine" by social standards was no easy task for her but today her prowess is for all to see!

From winning the Best Boxer Award at the first State Level Invitation at the Women's Boxing Championship in Manipur in 2000, to the AIBA World Boxing Championship thrice between 2001 and 2006, to a silver medal in 2008, at the Asian Women's Boxing Championship in India, to a gold medal at the 2009 Asian Indoor Games in Vietnam to another gold medal in Kazakhstan at the Asian Women's Boxing Championship in 2010 to a bronze in 2012 when women's boxing featured as an Olympic sport in the Summer Olympics in London for the first time, to yet another gold in 2014 Asian Games, held in South Korea, Ma'am Mary Kom brought these honours to a home that binds us all, our home called India! Ma'am also teaches boxing to underprivileged youngsters for free.

Ladies and gentlemen, how does it get bigger than this... Ma'am Mary Kom was awarded with the Padma Shri in 2010, honored with the Padma Bhushan in 2013 and decorated with Padma Vibhushan in

**DALY COLLEGE, INDORE**

2020, for her invaluable achievements and contributions in the field of sports. Her much-awaited autobiography, 'Unbreakable' which chronicles all her life's struggles and how she indefatigably rose above them, was released by Harper Collins in 2013. The famous Indian actor Priyanka Chopra has played this ardent and resilient sports woman in a Bollywood

movie based on her life, released in 2014. Ma'am, we are so so grateful to you for honouring us with your presence in our celebrations today.

Ladies and Gentlemen, as we gather to celebrate milestones and dreams, it is our absolute privilege to welcome Mr Kabir Bedi, an individual whose life journey exemplifies the art of dreaming. His presence here tonight is more than just a star-studded affair; it's a testament to the convergence of talent, in performing arts and literature. Mr Bedi is an alumni of Sherwood College, Nainital and St Stephen's College, Delhi. The pioneer to take Bollywood to Hollywood, his journey has inspired many to break the shackles of home cinema. Winning the hearts of audiences worldwide, this mysterious bad guy in the James Bond classic

"Octopussy" became a household name with his role in the super popular American series "The Bold and the Beautiful."

Mr Bedi's artistic voyage ignited fervour with his portrayal in the Italian TV series "Sandokan." He rocked the stage as Othello, and brought Emperor Shah Jahan to life on screens across Canada and India.

Acknowledged by the Italian Republic for his unparalleled contributions, Kabir Bedi was knighted with the esteemed civilian honour, "Cavaliere," his autobiography, "Stories I Must Tell: The Emotional Life of an Actor," captivated audiences globally, earning the esteemed Amazon Most Popular Book Award in 2021, while its Italian edition was hailed as the "Book of the Year" at the Venice Film Festival in 2022 which also saw him securing a Lifetime Achievement Award during that ceremony.

Mr. Bedi, your presence has indeed added a sparkle to our celebrations this evening.

We extend a very warm welcome to this year's Padmashree R N Zutshi medal winners, HH Rana Manvendra Singh Barwani and Lt. Commander (Retd) Deepak Agarwal, Vir Chakra awardee, Old Dalians who have excelled themselves in their fields. Welcome back home Sirs.

Ladies and gentlemen, a home is where a family resides. It is with a deep sense of gratitude that I remember this evening our Founder, Sir Henry Daly, whose vision has brought together this family called "The Daly College". On this 153rd Annual Prize Giving, I pay a

tribute to the soul of this great man. Ladies and gentlemen, today, as I speak, I am dissolving the distinction between school and home...calling Daly College as our home...a home where a huge joint family resides...and the head of the family is our Board of Governors, each of whom is there for the school, in spirit and in person.

At the helm of affairs of the Board is our President, HH Maharaja Vikram Sinh Puar of Dewas Senior. He has been a part of Daly College as a student and has now gone on to become the captain of the ship, as I refer to him. With Maharaj's wisdom and continued support and positivity, the most difficult things just seem easy and simple. His maturity and unparalleled love for the school is indeed very motivating. His desire and dream is to see his school reaching the pinnacle of glory and for this, he is working with immeasurable zest and energy. Thank you, Maharaj, for always being there for me as a Principal. Thank you, for making me feel so much at home at Daly College.

His Highness Maharaj Narsingharh is always very appreciative of the school's endeavours and initiatives.

Mr. Dheeraj Lulla, continues to be omnipresent and omni efficacious, the one who thinks of the progress of the school 24\*7. Thank you Mr Dheeraj for breathing Daly College.

Mr Monu Bhatia is a quiet rock of Gibraltar who

has provided exemplary support while Maharaja Priyavrat, chips in with his valuable and timeless suggestions.

Mr. Sandeep Parekh contributes actively in discussions related to the School.

Mr. Sanjay Pahwa and Mr. Sumit Chandhok have been excellent custodians of the parents' concerns and issues and I thank them for the same.

They say every man is a king in his home, yes ladies and gentlemen, Daly College is becoming my home and I truly feel like a Queen. And I feel like a Queen in this home called "Daly College" because my boys and girls bring home innumerable laurels. Let me share with you some of these treasures that my boys and girls have brought home.

Let me begin with the tallest laurel brought home, brought home by none other than Sudipti Hajela who won a gold medal in the team event in Equestrian

Dressage at the

2023 Asian Games, bringing home and not just to the home called Daly College but to the home called India and doing all of us proud. Well done Sudipti!

The School's athletic team brought home, for the first time, the overall runners -up trophy in the 58th All India IPSC Athletic Meet 2023 in the Boys' and Girls' U-19 categories. In the CBSE Cluster XII Athletic Meet held at

Bhopal, we saw our team bring home the overall runners- up trophy in the Boys' and Girls' categories.

The school's soccer team brought home the IPSC U-19 football trophy after 17 years, yes! you heard it right! The trophy has come back home after 17 years.

Our junior school team brought home the Saleem Khan cup for Cricket for the 11th year in a row... I am not mentioning here the myriad other trophies that the junior school children have brought home.

Ladies and gentlemen, the list of trophies brought home is rather long and so I will just rattle them off ...

- Runners-up trophy, All India IPSC Badminton, Girls' U-19;
- Runners -up trophy, All India IPSC Hockey, Boys' U-19 and Girls' U-14;
- Championship trophy-Girls' All India IPSC Shooting;
- Runners-up trophy- Boys' All India IPSC Shooting;
- 2nd runners-up trophy - All India IPSC Skating Championship;
- Runners-up, Shri Mahendra Sethia Memorial U-16 Inter -School Cricket;
- 2nd Runners-up Trophy-H.H. Maharaj Madhav Rao Scindia Cricket;
- Runners-up, All-India IPSC Table Tennis, U-14 Boys;
- Winners' trophy - All-India IPSC Squash, Boys' in U-12, U-14 & U-19;
- Overall Winner trophy, Girls' All-India IPSC Squash, U-14;
- Gold medals at the SGFI Gymnastics Championship;
- Winners, 18th Lady Honouria Lawrence Invitational Tournament, Lawrence School;

- 2nd Runners -up trophy, All India IPSC Boys Swimming Championship
- 2nd Runners-up trophy- All India IPSC Boys' and All India IPSC Girls' Basketball U-17;
- Runners-up trophy by the Boys' Basketball team from the International Sports Collaboration tournament held at Jr. & Sr. High School of Kogakuin University, Japan;
- Overall Winners' trophy, All India IPSC Tennis Tournament, U-12, U-14 & U-17;
- Gold in both team and individual events at the All India IPSC Tennis U-12 Boys n girls, U-14 girls, U-17 girls;

Ladies and gentlemen, it will be no exaggeration to say that Daly College has become home to training some of the finest Tennis, Chess and Badminton talents in the country.

And let me validate what I am saying. Pehal Kharadkar has brought home innumerable laurels in her category including but not limited to a Silver medal at the Khelo India National Youth Games, Gold medal for Indore in the SGFI States, Representative of Madhya Pradesh in the SGFI Nationals as the first seed of the team; Winner at the All India National Series Tennis Tournament, Gold medalist at the Khelo MP State Youth Games; Winner in doubles at the Asian Junior Tennis Ranking Tournament.

We have Reet Arora who has also brought home notable victories in the AITA Championship Series in the U 12 and U 16 categories, winning the title in the Championship Series in the under 14 category, held at Jalandhar, the winning trophy for U-14 AITA National

Series in the singles category and the All India Tennis Association championship trophy in the U14 category for both singles and doubles, earning her a Spanish tennis coaching scholarship.

Cera Dagaria has brought home the Bronze medal for India from Bali; State Champion U-19 and U-17 ; 2 Gold medals - Khelo MP Youth Games; Winner, MP National School Chess Olympiad; Silver and Bronze medal, Asian Age Group Chess Championship held in Thailand; currently ranked 6th in Asia in the U-16 category, she was selected to visit the World Chess Olympiad and has been selected to play at the Asian Youth Championship in UAE.

Keya Chandani represented India at the Kotak India Junior International Badminton Tournament.

- Let me also have the pleasure of showing off to you our various medals tally that were brought home:
- In Athletics, we brought home 17 gold, (15 last year) 23 silver, (19 last year) 12 bronze (9 last year);
- In Shooting, we brought home (30 last year) 45 gold this year, (11 last year) 49 silver this year, (32 last year) 49 bronze this year;
- In the interest of time, let me just share this year's medals tally:
- In Skating ,we brought home 6 silver, 6 bronze.
- Squash - 6 gold, 4 silver, 3 bronze;
- Tennis - 26 gold, 5 silver, 5 bronze;
- Swimming - 20 gold, 29 silver and 13 bronze;
- Total: 114 golds, 116 silver and 88 bronze medals for classes 7-12 alone. We are up from last year's tally. I take immense pride in

showing off that Jr school has also brought home 15 Golds, 8 Silvers and 5 Bronze medals in various national and international events

- Ladies and gentlemen, this year we have 114 children who have played or have been selected for playing Nationals through SGFI, CBSE, States, etc...
- Ladies and gentlemen, our teams not only brought home trophies and medals but also have set 18 new home records during the Annual Athletic Meet 2023.

- 200m & 400m Hurdles, and in Pole Vault; 200m in High Jump, Shot Put, 4 x 400m relay; Javelin Throw; Discus Throw ; 3000m; Broad Jump;
- if you please, 200m even in U-12.
- Well, the stage is setting for more laurels next year!

And it's not just sports -

- Our team brought home the Overall Championship trophy from the Srijanam All India Art and Design Fest 2023 at The Assam Valley School.
- Runners -up trophy from the 33rd Oliphant Memorial English Debate held at Welham Boys' School;
- The Outstanding Performance award

in the Indian Group Song at the All India IPSC Music Fest;

- Award for Artistic Excellence in Graffiti Art and for Artistic Excellence in Driftwood Art in the All India IPSC Visual Art;
- Outstanding Performance Award in script and reading, and in non-verbal act - All India IPSC Dramatics;
- Winners' Trophy -Semi -classical dance, at The Udbhav International Festival, Gwalior;
- Multiple Merit Certificates in various categories in the All India IPSC GK quiz;
- Innumerable High Commendation awards, Best Delegate, Outstanding Delegates, and many Special Mentions, Honorable Mentions, at various MUNs;
- In academics, the crowning glory is the laurel brought home by Rishaan Bhatia of XI CI -the Outstanding Cambridge Learner Award 2023 for being the World Topper in IGCSE Maths by scoring a 100%.
- In IGCSE, of the 29 students who appeared, 26 earned the Cambridge International Certificates in Education Award with Distinction or Merit and in all they scored 154 A\* and As.
- Saara Lunawat and Vanshika Sangla did the school proud by scoring A\* in all 9 subjects.
- In the A level Examinations, Siddhant Jhawar, Prakhar Agrawal and Pragun Gupta were the stream toppers.

In class XII CBSE, Devansh Agarwal topped the batch with 96%.

- Class XII students earned 454 distinctions across subjects.
- Devansh Agrawal achieved a 100 in

Accountancy & Business Studies.

- Aziz Husaina a 100 in Painting.
- Swastindra scored a 100 in Music.

In the Class X CBSE exam, Ishana Vaish topped the batch with a score of 96.2% with a perfect 100 in French.

Shradul Jain scored a 100 in Social Science.

Ladies and gentlemen, we have a galaxy of star children receiving their awards today.

I have great pleasure in announcing two new very prestigious awards, Smt Manju Ramesh Lulla award for Lady of the Year, for a student who is a beacon of intellectual curiosity, navigating the halls of knowledge with poise, a seeker of wisdom in the classroom's intricate dance. Shri Gurdeep Singh Bhatia award for Gentleman of the Year, for a student who walks the corridors with a blend of charisma and respect, his academic pursuits guided by a sense of responsibility and a commitment to excellence.

Ladies and gentlemen, Life takes you to places, love brings you home. Takes you to places, sure!

- Daliens have been trotting across the country.
- Our MUNers went to The Doon School and Welham Boys' School, Dehradun for DSMUN and WELMUN, respectively, Sai International School, Bhuvaneshwar, for SAIMUN, Dhirubai International School, Mumbai for DAIMUN, The Assam Valley School for AVSMUN, MGD, Jaipur for IPSC MUN, The Singapore International School for SISMUN, Selaqui

International School for QMUN

- Our Prefects went to RKK School, Jodhpur, and of course, for various IPSC events and competitions.
- RS conferences at Hyderabad Public School, The Lawrence School, Sanawar, Sunbeam School Lahartara, Varanasi, Birla Public School, Pilani and The Sarala Birla Academy, Bangalore.
- for Community Service and Wildlife Awareness Project at the Panna Tiger Reserve

Ladies and gentlemen, Life takes you to places, love brings you home. Takes you to places, sure!

Daliens have been trotting not just across the country but across the world.

- They went to Slovenia for World Schools Debate;
- to Turkey for Children Folklore Festival; to Deutsches Football Academy, Germany for a soccer tour ; to Oxford for MUN.
- Amey Mishra brought home a Silver medal at an International Shooting Championship held in Hanover, Germany.
- Children went on international exchanges to Cate School, USA, Brookhouse School, Kenya, Stiftung Landheim Ammersee, Germany,
- Scotch College, Australia,
- Bunbury Cathedral Grammar School, Australia and The Armidale School, Australia;
- Round Square International Service Project in Thailand;
- to Kenya for Round Square International Conference 2023' and to St. Constantine's International School, Tanzania for another Round Square Conference.

Ready to leave home, our students have secured admission to many universities across USA, UK , Australia , Singapore and Canada ...naming some : National University of Singapore ( NUS), Amherst College, Boston University, University of California, Stony Brooke, Drexel, University of Toronto, Deakin Australia, University of Melbourne , Geneva Business School, Switzerland, Cardiff UK and many more.

Ladies and gentlemen, there is a very old saying "East or West, Home is the best". So whether we have been trotting across the country or across the globe, finally back home to Daly College is where we find our happiness.

A cheer of laughter on the campus is a multivitamin for all of us. And we have shared our happiness with innumerable visitors who came in as resource persons and guest speakers, including stalwarts like Prof. Sonam Wangchuk , Author Chetan Bhagat and Dr. Anand Rangnathan, Jay Sands, a musician from Philadelphia, A group of five teacher-trainees from The Melbourne Graduate School of Education, Australia for their

International Internship Programme and many more at various events hosted by DC.

To name a few:

- CBSE's Capacity Building Programme for our staff on the theme of Happy Classrooms;
- A three-day Art of Living Happiness Curriculum for staff;
- "Financial Literacy and Use of Digital Tools" program;
- G -20 State Level Conference for Principals on NEP and new initiatives by CBSE;
- a two-day Adolescents' Life Skills and Mental Health Summit attended by nearly 470 students, 160 teachers and 350 Principals.
- Round Square International Conference - Baltantra;
- G-Lietrati;
- The Scoonews Global Educators Conclave, etc., etc., etc..

DC has also been a home to students visiting us on an exchange programme from Round Square Schools namely Cate School, USA, Landheim Ammersee, Germany, Scotch College, Australia, St Stithians Girls' College, South Africa.

Wendy Wunder once said 'The magic thing about home is that it feels good to leave and it feels even better to come back'. This is so very true for our Old Dalians for whom DC will be a home forever. I often hear them saying it feels too good to come back.

Our Old Dalians are like the elder siblings who have left the nest but are always welcome back. We take immense pride in their achievements and see them as beacons of inspiration for our current students.

The school- their second home was buzzing with excitement and energy yesterday, where as many as four batches, 1973 (Golden Jubilee batch), 1998 (Silver Jubilee batch), 1996 and 2003 batches visited their Alma mater for a get-together. The sight in the dining hall was an absolute treat. Ladies and gentlemen, Daly College is not just a home...it is an ancestral home. It is music to my ears when I hear Dalians counting the number of people from their families, sometimes going into dozens, who are Dalians...3rd, 4th, 5th and even 6th generation Dalians ! Thank you to you Old Dalians, for you are not only giving your children and grandchildren the gift of an unparalleled education, but also giving them the gift of legacy. And the non Dalian parents, you are beginning a legacy in your family, for your children will pass out from the portals of these towering gates to become the envied Old Dalians.

And DC truly, as I just said, is an ancestral home. Yes, pleased to share with you that we have been ranked 1st for the second consecutive year by Education World in the Vintage Legacy Day cum Boarding School category. "When it comes to developing character strength, inner security and unique personal and interpersonal talents and skills in a child, no institution can or ever will compare with or effectively substitute for the home's potential for positive influence" ..... Stephen R. Covey.

As I speak of home, ladies and gentlemen, it is impossible to draw a parallel to the role parents play in our school community. Dear parents, your involvement, encouragement and support are the pillars that strengthen

our school-home bond. Just as a strong home builds a strong community, your active participation in your child's education fosters the strong school environment for DC. Thank you dear parents for your faith in the school.

"The home is the child's first school; the parent is the child's first teacher - Barbara Bush

May DC continue to be a home for our children because of all the loving teachers who become parents for them in the school. Their strength is the warm affectionate link between home and school. Our untiring, focussed and dedicated staff, at various levels, work relentlessly to create an atmosphere

that mirrors the care and guidance found in a loving home. I take this opportunity to thank each one of them, those present, those who have gone away and those who will leave in the times to come, for being a strong pillar of the house we live in. Yes, ladies and gentlemen, home is safe, home is vulnerable, home is authentic, home is true, home is steady, home is an oasis, home is a place to recharge and unplug, home is

a deep sense of rest, home is a place to eat the donuts or did I hear DC samosas and then workout. Home is a time to reset, home is a place to gather those you love. Yes, ladies and gentlemen DC is home to scores of boarders and it is to make their home even more comfortable that the Boarding Houses have seen a facelift, Air-cooling has been done in NBH, Rajendra House and Junior Bharti. My favourite is the gigantic 150 inches' screen with Platin speakers...a true home theatre in each house. To add to the existing facilities and beauty in the school, we will install, this evening, a sculpture, a symbolic representation of aspiration, ambition, achievement and effort. Prof Rishi Barua, from Santiniketan worked with two children to create this piece of art. In addition, we also renovated classrooms in the New Block and CSB,

the Staff room with an additional mezzanine adorns a new look, Jr School furniture was replaced, and much more. Ladies and gentlemen, Home is where memories are created and friendships are born and nourished. The school has hosted a number of events and activities - Books Donation Drive, Mutthi Bhar Anaaj activity, Career Fairs and Career

Info sessions, weekly Career Counselling classes, One to one college guidance sessions, Tree Plantation Drive, Onmark Football Academy,

"To be happy at home, is the ultimate result of all ambitions. The end to which every enterprise and labour tends and of which every desire prompts the prosecution"-Samuel Johnson. What makes a family happy is the presence of love, trust, open communication, shared values, respect and a supportive environment where each member can grow and thrive. People have differences, organisations have differences, institutions have differences but in a family, these differences are respected these differences are protected these differences are sorted lovingly and from there blossom deep bonds. In a family trust and respect are very important. Trust because it gives each member of the family the confidence to do more and be more. Respect because like they say in Hindi gharwale izzat karenge toh baharwale bhi karenge. It becomes the prime responsibility of every member of the family to respect each other; to have trust and faith in each other's intentions.

महल वही है हमारे लिए,  
वही हमारे लिए है,  
वही हमारे लिए जन्त है,  
जैसा भी हो चाहे  
अपना घर तो अपना ही होता है।

That is exactly what DC is... There is no place like home, ladies and gentlemen, there is no place like DC...

So for my dear children, my message for you this evening is- Please remember your family is

your anchor...nurture it with care and always value it as your most prized asset !

Let me conclude with the quote that I began with- this time turning the quote to a prayer to the Almighty - Dear God, May our Home always be a place where Love resides, Memories are created, Friends always belong and Laughter never ends."

Thank you,  
God bless our School !

God bless us all !

# Mr Kabir Bedi

Good evening everybody. I want to begin by paying my personal homage to the extraordinary achievements of my fellow chief guest, Mary Kom. I remember once when I was in college and Muhammad Ali was winning the World Boxing Championship and he opposed the Vietnam War and he was debarred for three years, he could not fight in his prime and people said, "How will he ever come back?" And yet, Muhammad Ali came back and he won the championship again. Mary Kom, not only did the same thing, but did the same thing five times over. She came back from motherhood and won the championship again and again five times, which even Muhammad Ali couldn't.

“So, Mary Kom isn't just India's best boxer, man or woman. Her story is an inspiration to every boxer around the world, and an inspiration to every sportsman amongst us, around the country and worldwide. I salute you Mary.”

His Highness Maharaja Vikram Singh ji, head of Board of Governors, other royal and illustrious members of the Board, Principal Gunmeet Bindra, all the staff and support staff and all those who help run this great institution. Alumni, parents, supporters, well-wishers, I think you are all part of a great institution. I thank the Principal, Gunmeet Bindra for inviting me here as your chief guest this evening. I myself, spent many years in boarding school. Both at Sherwood College, Nainital as well as St.

Stephen's College in Delhi, and for a brief while, a year in Santiniketan as well to wander my Indian roots so I very well understand the pressures, and pleasures of living in a boarding school. And so, I want to say that we are part of one very privileged group. We are, literate 1% of the world's population. We are part of that 1% that are educated, have a roof over their heads, have a meal on their tables. That's 1% of 7 billion people. That is the privilege we are born with, which is wonderful. Thank the lord, thank our parents, thank the universe for giving us this extraordinary privilege and giving us so many opportunities to make us a part of the group of people who have the best of this planet. That is a very special blessing and I'm sure we are all aware of it. Beyond that, we are living during the most exciting period of human history. Humans appeared on the planet maybe 2000 or 3000 years ago in the present form as Homo Sapiens. Recorded human history is probably 10,000, 7000, 5000 years old. But let's not go that far. Let's just go back 120 years, what was it like living then? There was no water, no electricity, you had to wash your clothes by hand and cook your food on fires. There were no cars. Perhaps a few trains connecting a few countries and a few cities but the fastest form of transportation was the horse. Airplanes are out of the question; your street lamps were lit like candles every evening. You lived in darkness and the cold, you lived in the extreme heat with no air conditioning, no gadgets, no radio, nothing. Just the last 120 years, we moved to that to the incredible sophistication of computers, technology and every form of software we can imagine, giving us ways to communicate in ways we couldn't even dream of and ways I couldn't even imagine in my childhood. Even in my childhood, you used a typewriter, and

if you made mistakes, you used white paint to retype it. So, to be living in an age with computers, medical breakthroughs, rockets to the moon, when there's more technology in your cellphone than the technology used to take the man to the moon, we are living in extraordinary times.

If that wasn't enough of a blessing, we live in a country which is India. I remember for three years, there weren't any phones at home because the government was the only one that could produce them and for three years there was a waiting list. You had to either bribe someone to get it or to go to someone to get a special phone. Jump cut to a situation like today where over a billion mobile phones are now in this country. Extraordinary changes have

## ■ CHIEF GUEST'S ADDRESS ■

happened in your lifetime.

In economic senses, we used to grow at about 2-3% a year. Today it's growing at 6-7%, more than double, it makes an enormous difference. And just in the last nine years, we have had the most extraordinary changes. Airports have doubled, ports have doubled, 400 kilometres worth of highways have been added, we have given bank accounts and health insurance to millions. Systems like UPI, more transactions happening in India compared to the US and China put together. This is the new India. The new India you are growing into which gives you every opportunity in the world.

Of course, this is a problem in itself. When you have so many opportunities, what do you do? Now lot of people will you give 'gyaan' that do this or that. I'm sure you are all smart enough to know what to do with what you have. But you need to be able to ask the right questions. Today,

we are entering the time of A.I. so in a sense, even educational models will change because education teaches you the answer to several questions. What is this times this? When did Ashoka exist? When did Buddha exist? What are stratified rocks? All this knowledge is given to you in several fields. Today, you can ask ChatGPT everything, and in less than a second you have the answers. So having the answers is not necessarily the best advantage in today's world. But learning to ask the right questions, that is a skill you will need when knowledge is available instantly. So, if you want to maximize the changes, learn to ask the right questions.

With all these incredible changes, another thing you have to deal with is when let's say an American comes to India for the first time, he's living in a nice five star hotel, he steps out and suddenly his senses are assaulted by all kinds of sights, sounds and tastes of different places and people. Different cultural things, the way people dress, how they look and feel and are. All of this is

immense sensory input, all of this is new information about new people, new cultures and new countries. It's very exciting but there is still such a thing as an overload and so they go back to the hotel, it feels like America and it gives them more time to process what they've seen, get used to it, put it in its proper place and have a nice bath and go out for tourism the next day. So they are prepared for another round of stimulation etc etc. And they go back absolutely gob smacked by the country, but they go back to America, to familiar surroundings and they talk about it in very comfortable terms.

Now, what they have been through is called culture shock, because you suddenly get the shock of a new culture but because you have the space to go back and process it, you get over it. Then eventually after the whole trip is over and you're stimulated to the max, you go back to America and you process it and you get over the culture shock. You are facing a different kind of shock; you're facing a future shock. Future shock is when the world around you changes and changes rapidly. Today with technology, this change is extremely rapid. And you've got to learn to navigate this change because in future shock, there is no safe harbor to which you go back and say, 'Oh let me think about future shock.' Before you even get over that you are in the next future shock. And before you get over that you are in the next. So how do you deal with this?

Let me give you a quote from Charles Darwin who wrote *The Origin of the Species*. "The species that survive are not the strongest, they are not even the most intelligent. The species that survive are the ones that learn to adapt." And so, as a species we want to adapt to the ever-changing, fast changing world around you, you have to learn to adapt to it. You have to learn to recognize the new opportunities with it; you have to learn to shed the baggage of the past and embrace the knowledge of the new.

These are not easy things, because it pushes you out of your comfort zone. You have to learn to live

in a different way, a different world. Yes, it's true, we come from a wonderful country, with great traditions, great culture, great roots that have not been shaken for thousands of years, those will never leave us. But, the environment and world in which we live is changing so rapidly that unless the villager learns to do UPI transactions, he will soon not be able to pay with cash and so he has to adapt. Today, I see people scanning things to pay just like that, everything is changing. And the other problem you face is one of abundance. There is WhatsApp, Facebook, Instagram, Twitter, TikTok, whatever you have. All these are wonderful things that give us pleasure and it's good to have pleasure. We all need pleasure. We all want pleasure. But if pleasure, takes over and that is all you do, you will produce nothing and become a vegetable. The challenge for you is to get your pleasure from these new wonderful things, but find ways to balance your pleasure and productivity. I myself, planning to check my Instagram for ten minutes end up finding myself there for two hours. And you know, you will think you are young and have all the time in the world. You don't. The day has only got 24 hours, and in those 24 hours, what you do defines your tomorrow. As Gandhi said, "The future depends on what you do today." So don't think you'll do it tomorrow, because tomorrow is just an idea in your head right now. If you want changes in the future, sow the seeds today. And if you spend too much time enjoying the joys of technology without finding ways of making your life richer in terms of knowledge, money, things you do, things you create, things you relate to and even human relations. Then, in the end, that technology will pull you backwards. Here are a few thoughts I want to share with you, without taking too much time. But I do want to ask you to think of one other thing. Coming to a college like Daly, you get the best of knowledge, the best of teachers. They will give you the best of skills, accessing the best the world has to offer.

The brightest man in the world, who rightly said is Einstein, and Einstein said, "Knowledge is not as important as imagination. Because knowledge deals with what is known, imaginations explores everything that can be known and can ever be known." That creative part of ourselves, that thinks originally should always be kept alive. Keeping your creative self vibrant is very important. Whether it is through creative things you like to do or participate in or perform. It doesn't matter whether you're a banker or a man in the army, you could like to sing, to paint, to admire art. Keep that creative side going, you don't have to be an actor or performer to be creative. Everyone of us is creative and never lose that creativity because that creativity is positivity; that creativity will you give the best ideas in whatever field you work in, that creativity will give you new worlds to explore. And one other thing-learn how to recognize opportunity. It doesn't come with a brass band singing 'I'm Opportunity.' It could be something you overhear at a cocktail party and think 'I could do that' and a whole new company is formed. How do you think these billion-dollar companies exist? Uber, the biggest taxi company in the world doesn't own just one taxi. Zomato doesn't own just one restaurant, yet they are the biggest titans in their fields. Somebody took an idea, realized technology existed, put it to work and suddenly India has created over 200 unicorns. That's billion dollars' worth in companies, just based on ideas young people had who applied technology, took it to a marketplace and found a market for it. Every idea doesn't have to be a billion dollar idea, it could be an idea that gets you a promotion in your company, takes you from an executive to a director, becoming the head of a company. These are people that use their imagination. Always seek to do things in an imaginative way, not the usual routine was in a different way that makes a difference. All these things will make your life much richer. Imagination does not always have to be with work, it could be with personal

relationships, don't just send a card, do something different. Imaginations makes you stand out with people. What you remember about people is not what they did or their achievements, but how they made you feel. Find ways to make people feel good about you, that is the true wealth you will generate. After you are gone, all you leave is the memories you leave behind.

So to sum it up, you live in a very exciting era, surrounded by incredible opportunities no one in history has ever been more fortunate to have and yet you have your challenges because you have to adapt to changing environments. You have to develop your skills; you have to learn the art of asking the right questions. And ask yourself, what makes your heart sing, what would you like to do? The other day, I was watching a show and someone said something wonderful. "Figure out what you love to do, and then figure out what you have to do to do what you love to do."

You understand me? If you say you want to be a butterfly collector, then think how much money do I need for my life that I exist comfortably and become a butterfly collector. You will get all the satisfaction you want, because you are doing what you love. So, getting the biggest paycheck isn't the biggest reward, getting the biggest satisfaction, that is the biggest reward.

So, ask yourself, what makes your heart sing? What is it that you love to do? What is it that you can do better than others, that you would like to give to the world? These are the kind of questions to ask yourself. Learn the skill of asking questions rather than seeking knowledge.

*Thank you very much!*

# Ms Mary Kom

A very good evening to all of you. Respected, distinguished dignitaries on the dais, the chief guests, Ma'am and Sirs and of course all the invitees, the parents, gathered here today for this event.

Really, I'm so excited and so glad to be here in Daly College, Indore. Thank you so much for having me. I don't know how to start nor where do I start from. I'm so happy to see the performance of Daly College, Indore, excellent in both education and sports. I have no words, I wish this continues in the future as well, like the Dalian winning at the Asian Games. That girl has made us proud, not just Daly College, but also Madhya Pradesh as well as the country. We wish to see more and more of this in the future. So, parents and everyone present here, I request for you to please, please support them, that is all they require and need.

There was one thing I just wanted to tell you. In my case, you have seen the movie, the biopic. If you have read the book as well, 'Unbreakable', everything is already mentioned there deeply. Who am I? Who is Mary Kom? I had no support from my parents nor any infrastructure or facilities those days. Can you imagine? I cannot believe it myself, that I'm standing here today in front of you and sharing this. And girls, and all the students here

today. You are so lucky, so lucky let me tell you. Time to time, you have everything in Daly College, so now, achieve. We like achievement!

Let me tell you about how we struggled initially, how hard we had to work. It's very tough. When I began this journey, carrying that knowledge with me even today, sometimes I feel emotional. How did I become a champion?

Now I realise. Even though my parents couldn't give me food two times a day yet I didn't care, it didn't bother me. All I cared about was if there was a place to play. All of my hunger was gone. I was not hungry to fill my tummy, I was hungry to fulfill my dream. Today, I have proven already that number one, being a girl, I already achieved what I wanted to be. And, after marriage, with all the

negativity in the world. Even the mindset of our own people, Indian people. Now, it is totally different, it has changed slowly and slowly.

If we talk about the game of boxing, before it was, "Which girl will ever play boxing?" "This is not a woman's game, it is only a man's game."

But, even after marriage I proved it by becoming a world champion. I was a world champion before marriage and a world champion after marriage, and after giving birth. I gave birth to twins, two boys.

Yet people never stop talking, never stop sharing negativity. I myself don't know how to control or stop them; it's not an easy task yet I find a way to digest it. What can I do?

Argue? Fight? How?

I just proved them wrong.

I came back stronger after my babies, stronger and stronger becoming a five-time world champion, six times in total. I'm the only one with that record in IBA. I already have 8 medals, 6 gold, 1 bronze and 1 silver. And I don't remember all the medals that came before that, only the World Championship, Asian Games, Commonwealth Games and Olympic Games

“ I have all the medals in my hand, yet let me tell you students, even with all the medals in my hand, my hunger hasn't stopped. I still have that hunger. All of you have just started, it is just the beginning for you. You have your entire future ahead of you to achieve. ”

I wish to see so many laurels for Daly College and for the country. I wish and pray. Please remember, wherever you go and whatever you do, you have to do something for Daly College as well as your country. Thank you so much once again I won't like to talk for long. But I would like to leave you with a little part of career, it is not a joke or just a dialogue, it is the reality. I have faced so many challenges in my life but one thing to take away, last but not the least is that when there is a will there is a way. I will keep on fighting and proving myself and now it's your turn, all the students who can hear me. Now, it's your turn, you have to prove and you have to make us proud, for your school as well as for your country. Best wishes and lots of love, good luck. Thank you!

## 'MAGIC IN THE AIR'

Annual concert of Pre-primary

It was a delightful morning !! It was a special morning as we celebrated the concert of our Pre Primary children "Blossoms- magic in the air". The chief guest for the special occasion was Mr. Pushyamitra Bhargav, the sauve and distinguished Mayor of Indore. Mr. Asheesh Singh, the Collector of Indore was also present for the lovely occasion !! The Shiv Vandana was so gracefully presented by the little ones that it called for huge round of applause. The smart little Dalians who presented the orchestra was in synch with the aura of the event it was 'Magical'.

The talented participants delightfully presented different dances on all the foot tapping numbers like 'Toca-Toca', 'Cotton Eye Joe', 'Mambo', 'Charlie-Charlie' and the fabulous 'Grand Finale'. The play 'Frosty lost his nose' was so appreciated by the audience. It was truly a mesmerising event when all the eager parents and grandparents sat spell bound to watch there wards performing on stage. There was indeed 'Magic in the air' as the little Dalians showcased their talent.

### RAJGARH CUP CRICKET

The ODA Week started with the Rajgarh Cup Cricket match played between the Staff and the Old Boys. Thanks to some sterling performances by ODs Abhishek Bagree, Tejvir Juneja, Naem Qureshi, Jai Singh and Sandeep Thakkar, the Old Dalians won in a narrow finish. The staff put up a grand show through notable efforts from Mayurdhwaj Singh Jhabua (playing for staff), Rakesh Nagpal, Sanjay Thakkar and Deepak Bheniya. The players of the two teams were introduced to Principal, Dr. Gunmeet Bindra. Senior Old Dalian, Dr. Manish Patel did the honours for the Prize Distribution as the Chief Guest. Members of the BOG were also present for the occasion.

### BANERA CUP HOCKEY MATCH (PAST VS PRESENT)

The Banera Cup was played with great esprit de corps. President BOGs, HH. Vikram Singh Puar of Dewas, was the Chief Guest for the event. The Present Dalians won the

### LUNAWADA QUIZ

The much-awaited Lunawada Quiz was held on 1st December 2022, 6pm onwards. The Chief Guest for the event was eminent Old Dalian - Mr. Nilesh Agrawal (1998 Batch). The event was attended by Principal, Daly College, Dr. Gunmeet Bindra, along with the ODA President - Mr. Kamlesh Kasliwal, ODA Secretary - Mr. Tejvir Juneja, ODA Sports Secretary - Mr. Mayurdhwaj Singh Jhabua, and DC Senior Appointments and faculty members.

There was enthusiastic participation by all the teams (8 house teams and one ODA team). The seven rounds included: Who Am I, Global Affairs, Entertainment, Mathemagic, Sports, Incredible India and Rapid Fire. There were separate quizmasters for each, which included Mr. Tejvir Juneja as the Guest Quizmaster for the Entertainment Round, which was a round full of zest and energy!

Each round was played excitedly by all the Dalian quizzers and an eager audience. Rajendra House gave a good fight to the ODA team but they turned out to be the more seasoned quizzers and emerged victorious in the end. Rajendra stood second, followed by Vikram. As is tradition, in their ever-magnanimous style, the ODA handed over the winning trophy to Rajendra. The final positions after this gesture were - Rajendra - 1st, Vikram - 2nd, Ashok - 3rd.

## THE ODA WEEK

The ODA Week saw a lot of sporting action, wherein competitive matches were played between the Old Dalians, Present Boys & the Staff in various sports disciplines like Football, Basketball, Shooting, Tennis, Squash & Badminton.

## ANNUAL PRIZE GIVING

Held on December 10, 2022 His Highness Shrimant Jyotiraditya Scindia, the Union Minister of Civil Aviation, Government of India, adorned the chair of the Chief Guest in the 152nd Annual Prize Giving Ceremony of Daly College. The epochal DC main building, decked up as the backdrop of the programme created phantasmagorical ambience. The Chief Guest was graciously welcomed by the DC Lancers' convoy, ODA Committee Members & eminent Old Dalians. The APG was followed by the ODA Annual Dinner, which saw a participation of over 500 Old Dalians, including attendees of several reunions.

APG ODA

## ANNUAL GENERAL MEET

The Annual General Meeting of the Association was held at Dhirubhai Ambani Auditorium, Daly College, on Sunday 11th December. Eminent ODs were present for the same & shared their valued suggestions & views.

APG ODA

## ODA JHABUA TROPHY CRICKET PREMIER LEAGUE

The finals of the ODA Jhabua Trophy CPL '22 was played between Index Night Watchers and All Star Gladiators at the Scindia grounds. All Star Gladiators emerged as the new champions of the VI edition of the league. The Chief Guest for the occasion was Maharaj Ganesh Singhji Jhabua,. Also present were the Board members, Mr. Dheeraj Lulla, Mr. Sandeep Parekh, Mr. Sumit Chandhok, along with the Vice Principal, Mr. Ansari and office bearers of the ODA.

APG ODA

## PRINCIPAL'S LUNCH

The Principal's Lunch was organised at the Harish Chandhok Lawns. Prominent Old Dalians, both young and old, were present for the same.

## ROYAL COOKING FESTIVAL

An annual extravaganza of the ODA that started a decade ago, The Royal Cooking Festival was held on 8th December 2022, after a hiatus of three years owing to the Pandemic. Sponsored by Zevar Jewelers and powered by the Vidhyaraj group, the event was indeed a remarkable one. The special guest at the event was the Deputy Mayor of London, Mr. Rajesh Agrawal.

## JS ANAND MEMORIAL NIGHT CRICKET TOURNAMENT

The most popular ODA JS Anand Memorial Night Cricket tournament was held from 16th May onwards. The prize distribution was graced by Mrs. Intu Anand, patron of the tournament as the Chief Guest and Mr. Ajay Bagadiya as Guest of Honour. Also present were Mr. Nilesh Agrawal from Ambassador, Mr. Tushar Bhandari from Stok, Mr. Ankit Agrawal from Zed Black, Mr. Baneet Kohli from Urban Grocers, Mr. Ajeet Singh from Puma, Mr. Gaurav Wadhwani from AO Aurum and Mr. Bharat Bajaj from Mukesh Radio. More than 200 ODs participated in the Tournament.

Winners in different categories:  
Couples - Champions  
Above 45 - DC Staff  
Above 35 - Batch of 2005  
General - That's What She Said

## SMT MRIDULA DEVI KASLIWAL FOOTBALL TOURNAMENT

The ODA Smt Mridula Devi Kasliwal Night Football Tournament was at DC BCM Ground. The Finals were played between Spartans and JSR. Spartans won the match in a nail-biting finish. Chief Guest Mr. Lokesh Kasliwal along with Board Member Mr Sandeep Parekh, Sr VP Mr Ahmad Ansari, President ODA Mr. Kamlesh Kasliwal, and Hon Secretary Mr. Tejvir Juneja gave away the prizes. Sports Secretary, Mayurdhwaj Singh conducted the prize distribution ceremony. Atharv Airen was awarded the Player of the Tournament.

## CAKES N CRAFT BADMINTON PREMIER LEAGUE

ODA Cakes n Craft BPL commenced on 16th April at DC Badminton courts. 96 players participated in the tournament. The 1st Day saw some thrilling matches between Power Shuttlers & Golden Hawks. The day ended with an exciting decider game, which was won by Golden Hawks.

*An atmosphere  
of integrity*

# We are the World

## JUNIOR SCHOOL

## MESSAGE BY JUNIOR SCHOOL HEADMISTRESS

### Greetings

*Time flies. Time flies faster every year...and time flies like melting ice. In a blink, 2023 has come to end and we are well into the second month of 2024!*

The tiny ones of yester year have become a year older, confident first graders. Being with and around children, takes you on a ferris wheel ride...where the day goes, you have no clue.

Activities form the cornerstone of any kind of learning and this holds good here too. Learning while doing is something we strongly believe in. That's why, just as before, junior school has had a plethora of activities woven into our enriching and exciting curriculum- a testimony to our commitment towards providing the children with a holistic education. The world today, is not only ever changing but is very demanding and we at DC believe in sensitizing the children to this changing world of changing economics, changing perceptions because nothing is going to be stationary!

The children of today are the largest aspirational generation of

this planet, it is they who are going to build the world of tomorrow. Albert Einstein once said, 'Imagination is more important than knowledge.'

At DC we truly believe in the power of imagination, the power of communication, in the power of narrative...the perfect platform where the potential possibilities of any child, receive that gentle nudge to spread her/ his wings, take off and soar in the sky.

The following pages perfectly capture those 'Kodak moments' a moment frozen in time, yet eternal in vision...the twinkling eyes, infectious smiles, the engrossed expressions as they play, paint, read, sing and dance their way to our hearts!

As I identify with the emotions that each of the following pages portray, I hope the same for you as you soak yourself in the colours that is junior school!

God bless !!

*Rashmi Ahuja*

Jr. School Headmistress

## Art Appreciation

Great things are done by a series of small things brought together. –Vincent Van Gogh. The budding artists of Jr.School always try to experiment and do something different but, this year we came across completely different and unknown forms of art. Zentangle art on 3D boxes, Kalamkari painting on texture sheet, Fluid Art on canvas and 2D boxes, Comic F figures illustration with acrylic markers, Pencil and Charcoal shading, Geometrical designs, Alpana folk art on bottles and Blend of Art to encourage and spark their creativity. Theme Festivals of India on wooden frames and Alpana art was mainly a striking part of the exhibition. Nandika Singh Pawar VI B  
Virat Singh VI A

## Block Printing

The students of class V enthusiastically tried their hand at block printing, an art of printing patterns by means of engraved wooden blocks. It is the earliest, simplest and slowest of all methods of text printing. Designs are stamped on paper or fabric resulting in a mirror image of the one on the block. Our students started with printing on bookmarks, greeting cards, letter pads and slowly moved to printing on handkerchiefs, table mats, cushion covers, jute bags and wall hangings. They also made paper bags and decorated them. Under the able guidance of their mentors, Mrs Arpana Singh and Mrs Harsha Singh, Ira Modi, Lyra Baherwani, Anika Ranawat, Hridhyanshi Nema, Jaanya Nitin Chugh, Samridh Shukla, Yuvraj Ranawat, Haasil Sood and Ronit Agarwal beamed with joy as they proudly displayed their work and explained the technique that they had perfected with their hard work and dedication. Hridhyanshi Nema  
Jaanya Nitin Chugh

## Brain Cafe

[Computer Club, Jr. School]

The Brain Café club helps to develop creativity, innovation and improves the ICT skills of the students, sharpening their research and presentation skills and developing critical thinking. The students of the Brain Café club showed great enthusiasm throughout the year. They learnt to improve their powerpoint presentations. The different projects made by them during club time helped enhance presentation and organizational and presentational skills and presentation of the students.

The students of the club designed and displayed their projects during the Jr. School exhibition this year for the Jr. school computer exhibition. The projects made by the students were very well appreciated by the parents and the Chief Guest . Aadesh Ubeja VI B  
Dirghaditya Singh VI A  
Atharv Agarwal VI C

## Crafty Ideas

This year in Crafts class, students learned many techniques. They did creative activities and took part in competitions. At the exhibition, students showed great excitement for their projects. Some highlights included weaving, quilling, origami dolls, Mahbubani art and Warli art. For the Best out of Waste contest, students made art pieces from old newspapers, magazines, bottles, and cartons. In pottery, students made projects like an owl family, name plates, animal figures and toys. Overall, it was a great year of learning and creating in Crafts class!

Naisha Anand V A  
Bhoomi Mittal V A

## Drama

The English Dramatics Club of junior school has been a dynamic hub of creativity and expression throughout the year, fostering a vibrant space for students to engage in theatrical activities. Children participated in the activities to hone their acting skills, explore various theatrical techniques, and engage in improvisational exercises, fostering a well-rounded understanding of dramatic arts.

The club actively delved into script readings, providing an opportunity for the children to analyse and discuss different genres and styles, broadening their appreciation for diverse theatrical works.

Beyond the school walls, the club undertook community outreach initiatives, organizing performances for local events, creating a positive impact by bringing the joy of drama.

Heer Bhaherwani VI CI  
Avika Mehta VI CI

## Chirping Avians

(Birdwatching Club)  
Daly College offers a perfect habitat for a wide variety of birds. In Junior School, there is a bird-watching club and there are 8 members in our club.

Birdwatching is an exciting and healthy hobby that can be done alone or in the company of people. This hobby inspires a love for the environment, encourages empathy for all living things. The best thing about bird watching is that it doesn't require lots of equipment, what you need is patience and observation. We visited the entire DC campus and identified almost 45 different species of birds like white and yellow wagtails, green bee-eater, golden oriole, yellow-footed pigeon, sunbirds, water hen, koel, red vented bulbul, magpie robin, wood sandpiper, coppersmith barbet, pied myna etc. to name a few. The treat to the eyes was a Paradise flycatcher, the state bird of Madhya Pradesh, that was seen near Kataria Lake. The club members displayed photographs of birds and birdhouses made from old boxes and bottles during the Annual Exhibition. To make people aware about birds that are always around us and often taken for granted, a quiz was held to identify birds and their calls. We would like to thank our Principal Dr. Gunmeet Bindra, Headmistress, Ma'm Rashmi Ahuja and teachers-in-charge Giriraj Singh Chundawat, Minakshi Rathore and Goldi Singh for all the support.

## Cookery

"Cooking with kids is not just about ingredients, recipes, and cooking. It's about harnessing imagination, empowerment, and creativity." - Guy Fieri. In the vibrant world of culinary exploration, the Cookery Club at our school has been a delightful journey for fifth and sixth graders, immersing them in the art and science of cooking. Throughout the academic year, these budding chefs engaged in hands-on experiences, mastering basic cooking skills that ranged from peeling to crafting vegetables and fruits into diverse shapes and sizes, tailored for various dishes and cuisines. From the initial stages of whipping up simple milkshakes to exploring the realm of cold cooking, the students embraced the challenges and joys of the kitchen. The culmination of their efforts took center stage at the annual exhibition, where they showcased a myriad of skills learned over the months. The exhibition was not just a display; it was an interactive celebration of their achievements. The young chefs, brimming with enthusiasm, served their culinary creations to the Chief Guest Thakur Saheb Narendra Singh Bidwal, school Principal, Headmistress, teachers, and friends. The joyous atmosphere resonated with the clinking of plates and laughter, as these young maestros proudly shared the dishes they had prepared under the guidance of their dedicated school teachers. Saumya Agrawal, Anaisha Mewara, Ishika Gupta, Dev Matlani, Jeevika Desai and Kavya Somani deserve a special mention for their effort.

Additionally, the esteemed MasterChef Jasmine Lulla, known for her expertise, conducted baking sessions with the children twice a month. Her involvement added a delightful layer to their culinary journey, especially evident in the star of the show—rownies on sticks during the exhibition. MasterChef Jasmine Lulla's passion and knowledge enriched the students' experience, complementing the efforts of the school teachers. Mastering the art of setting tables, creating napkin folds, and preparing a diverse menu including strawberry banana smoothies, salad pizzas, bhel, ragi and oats cookies, the students showcased their talents with zeal. As the school magazine captures these moments, the Cookery Club stands as a beacon, illuminating the path of creativity, teamwork, and the joy of creating something delicious from scratch.

Saumya Agrawal VI A, Anaisha Mewara VI A

## Photography

Shutterbugs (Jr School)

"Photography is the story I fail to put into words."

-Destin Sparks

"To me, photography is the simultaneous recognition, in a fraction of a second, of the significance of an event."

The Daly College Junior School Photography Club (Shutterbugs) is the base platform for students to become professional photographers in the future. This club is a mixed batch of students from classes 5 and 6. The purpose of this club is to polish the photography skills of the students.

This year students enthusiastically learned about different technical terms (ISO, shutter speed, Aperture, depth of field, focal length) and skills to operate the camera.

The students actively participated in all the activities and frequently took pictures of all the events which were displayed during the school exhibition. The students have also captured mesmerizing pictures of different places (Desai lake, Sitamau House, Barwani House, Cactus garden, different garden areas and Kataria lake) on the campus. The Club always tries to bring out the photography talent of the school to its best output.

Ayaansh Kimtee VI A

Adityavardhan Sengar VI C

## Green Club

The most amazing thing about nature is its infinite variety. At the Green club we did a lot of activities on nature like collecting information about different kinds of plants and animals on the campus. The students went on nature walks and saw different types of birds and their nests. An activity of making paper bags and posters was very fascinating for the

students. They did the leaf impression activity with different types of leaves. These fun-filled educational activities kept the students engaged throughout the year.

Vihaan Vaish V A

Ratnika Singh Baghel V D

## Needle Work

In the quiet realm of needle's touch, Embroidery whispers, oh, how much! Threads entwine in a dance so fine, Crafting tales in each vibrant line! Knitting, crocheting, quilting, needle point, tatting/lacework, embroidery, and rug-making are all considered forms of needlework. It is, in essence, handwork including the use of a needle, tool, thread, or yarn to make a decorative or useful article. Transferring inherited talents from one generation to the next is extremely difficult due to changes in family sociology. Fortunately, the needlework department at The Daly College Junior School is bustling with activity, and it's amazing to watch kids pick up this dwindling art form.

Teaching embroidery to young people offers multiple benefits. It improves one's capacity for critical and mathematical thinking. It boosts self-esteem, minor motor skills, and hand-eye coordination. It additionally offers a means for parents and children to foster wholesome interpersonal ties. Still, acquiring this skill is a bonus in the hopes that the young people will be able to take care of their own clothes, or maybe this will just be the beginning of their journey to become a fashion designer for some!

Ira Modi V A, Haasil Sood V C

## Music Club

"Where words fail, music speaks." ~ Hans Christian Andersen

The Music Club at our school fosters a love for music and nurtures exceptional talents in both instrumental and vocal realms. The sessions culminated in a spectacular performance at the cultural program on 15th August. The orchestra skillfully played the patriotic melody "Saare Jahan Se Achcha," while the children poured their hearts into singing "Ae Bharat Maa" with unwavering passion. Euphoria embraced our school with a captivating musical play, "Tinderbox," where 31 talented children enchanted the audience with six soulful English songs. On Junior School Day, the 7th of December, 52 children showcased their musical talent with seven songs in the heartwarming play "Anne of Green Gables." These remarkable children, with their innate musical talents, are always ready to shine. Their skills extend beyond singing; they are adept pianists, violinists, and versatile performers. The 26th of January witnessed a breathtaking performance by the orchestra, showcasing their proficiency in playing "Sandesh Aate Hain" and "Mere Desh Ki Dharti." The choir, comprising of these gifted singers, resonated the nation's spirit with their rendition of "Jay Jan Bharat."

Vanya Chaudhary VI

Akshneer Bhatia VI

## Pottery

The children started the year with a lot of enthusiasm for the activity. They learnt all the basics like kneading clay, moving the potter's wheel, clay modelling, drying and baking process and understanding the heating process of the furnace. They learnt coloring the artefacts they made by brush painting and spray painting. They learned to make terracotta diya, flower pots, Indus Valley Civilization seals, animal figures, dice, masks etc. When these miniature artefacts were exhibited in the annual exhibition they were appreciated by the Chief Guest. The consistency of hard work and zeal to learn new things during the pottery activity has been the same throughout the year.

Rachit Bhardwaj VI B

Writing stories allows children to unleash their creativity and imagination. They can invent characters, settings, and plotlines, and explore limitless possibilities. It encourages them to think outside the box and develop their unique ideas. 23 children of Jr School took part in the Story Writing Relay activity that was held on 18th and 19th May, 2023. The first chapter was written by the host school and was passed on to RKKGPS, Jodhpur. Daly college wrote the third chapter and illustrated it beautifully. The children had a great opportunity to work in a group and brainstorm their ideas. The Jr school library had kids bustling around with energy and enthusiasm. The final draft was a testament of teamwork! Here is a glimpse of the activity.

## Junk Creation

Junk creation refers to the process of repurposing discarded or unused items to create new, often functional, objects. We added a creative approach to recycling and upcycling, considering waste into something of value. We transformed the furniture like wooden chairs and tables. Some flowers were painted on old wooden chairs and tables and they were transformed into something exquisite. Chest- An unused and ancient computer chest was covered by coconut rope (sutli) and lotus flowers were painted on it to give a traditional and antique look. Window pane- A beautiful windowpane was reinvented using an old bed-sheet. Buntings- Old bedsheets was used to make beautiful buntings.

## हिन्दी साहित्य और नाट्य क्लब

कविता, नाटक, कहानियाँ या हो तुकबंदी की बात, हम अपनी मातृभाषा में ही अपने भावों को सहजता से अभिव्यक्त करते हैं। इस वर्ष हिन्दी साहित्य क्लब के हम सभी विद्यार्थियों ने कहानियाँ लिखना, कविता लेखन करना नाटक के विभिन्न अंगों के बारे में जानकारी नाटक लेखन का प्रयास भी किया। विभिन्न अंतर्गृह प्रतियोगिताओं में मंच संचालन करते हुए नए-नए शब्दों का प्रयोग भी करना सीखा। कभी- कभी किसी दी गई परिस्थिति के अनुसार पात्रों का स्वाभाविक अभिनय भी किया। स्वयं कथोपकथन लिखने का प्रयास भी किया। हिन्दी लिटरेरी क्लब में हमने स्वतंत्रता दिवस और गणतंत्र दिवस पर भाषण लिखे और नाटक भी किए। वार्षिक प्रदर्शनी में नुक्कड़ नाटक तथा अन्य रचनात्मक लिखित चार्ट और मॉडल भी बनाए। औषधीय पौधों में इस वर्ष हमने नीम के गुणों की जानकारी भी दी।

## Science

Science is fun

Like learning to count or to read, learning how to “o” science is a lifelong process. Science and fun cannot be separated.

At the Science Club children did experiments on static energy, kinetic energy, kinaesthetic energy etc. They really enjoyed doing experiments like: How to make a balloon aircraft. How static energy works (with the help of thermocol plates). Making a model of lungs with balloons.

The favourite experiment was to make a volcano. Performing experiments not only involved the children in “oing” but also enhanced their questioning and reasoning skills. Hence, science is the process that takes us from confusion to understanding.

## The Art of Story Telling

The storytelling club was made to foster creativity and communication skills among its members. The club aims at teaching the kids the art of storytelling, helping them develop their imagination and express themselves effectively. Students participated in an interactive story circle, where they took turns adding elements to a collaborative narrative. It resulted in having several students participating in school events and confidently presenting stories to a larger audience.

The storytelling club continues to be a vibrant hub for students to nurture their storytelling abilities. It provides a supportive environment where kids can explore the power of words, fostering a love for storytelling that goes beyond school years.

Rakshita Shukla VC

## Mathematics

### Activities and Events:

1. Weekly Puzzle Sessions: The club orchestrated thought-provoking puzzle-solving sessions weekly, challenging members to think critically and creatively. These sessions not only honed their problem-solving skills but also cultivated a sense of teamwork and camaraderie among participants.
2. Guest Speaker Series: In a bid to offer diverse perspectives on mathematical fields, the club hosted numerous guest speakers, including esteemed mathematicians, researchers, and professionals. These sessions served to illuminate the real-world applications of mathematics, inspiring members to consider a myriad of career paths within the discipline.
3. Math Competitions: The Mathematics Club actively engaged in various inter-school and regional mathematics competitions, where members showcased their mathematical prowess, earning accolades and fostering a competitive yet supportive spirit within the club.
4. Mathematics Outreach Program: Recognizing the significance of community engagement, the club initiated an outreach program. Club members visited local schools, conducting interactive math workshops to instil a passion for the subject among younger students.

### Achievements and Highlights:

The club not only excelled in regional math competitions, securing top positions in both individual and team categories but also saw several members participating in national-level Math Olympiads.

## Doodling Club

The Doodling Club focused on teaching children how to doodle on a diverse range of mediums. The various mediums used during the club sessions included:

1. Cloth: Children learned to doodle on different types of fabrics, such as t-shirts, handkerchiefs, and tote bags. We provided fabric markers and paints to facilitate their creations.
2. Plates and glasses: Participants were taught how to decorate ceramic plates and glasses using special markers and paints that can withstand heat and washing.
3. Envelopes and folders: Children were encouraged to beautifully doodle on envelopes and folders, enabling them to add a personalized touch to their stationery and school supplies.
4. Mugs: Kids had the opportunity to design their custom mugs, using special ceramic markers, which were later fired into a kiln to ensure permanence.

## SPECIAL DAYS CELEBRATION

Literary activities aim to unveil the latent skills to develop, strengthen them through literary opportunities. As always, a wide variety of activities namely debate, elocution, extempore speeches, declamation cum character enactments, choral recitation were carried out this year. These activities enable the students to hone their oratory skills to make them fluent and confident speakers in future.

## 7th Inter- School Declamation cum Character Enactment

Junior School  
English  
Literary  
Activities

It is well said that a dead character can be brought back to life. Today this was well presented in the Daly College. On 7.10.23, Daly College hosted the INTER -SCHOOL DECLAMATION CUM CHARACTER ENACTMENT. There were nine schools from all over Indore participating. It was based on the mythological characters from Indian, Greek and Egyptian history . Its purpose was to make the students confident and to defeat stage fear. There were three judges, Mr Anand Wilfred, Ms Priti Sable and Mrs Aditi Ghatak. The last participating school was Daly College. From DC, Aryam Goyal and Aarav Goel participated. Aryam Goyal played the role of evil Duryodhana and Aarav Goel played the role of Cunning Shakuni Mama There were excellent performances by all the schools. After this, our chief guest Mr Ansari addressed the gathering and gave out the prizes. Aryam Goyal from DC came first, Aarav Goel also from DC, came second and Sanghamitra Kothari from Satya Sai , came third.

## Annual Photography Competition

The Photography competition was announced on 19th August on the occasion of 'World Photography Day'. It is the fifth year of the photography competition at the Junior School for the students of grades 5 and 6. 167 entries were received in 18 categories- Celebrations/Festivals, Car/Bike, Happy Days at School, Monsoon Magic, Monuments, Nature, Sports, Teachers, Wildlife, Black and White, My Pet, Me and My Selfie, Vacation Time, Grand parents, Candid Moments of People, Food, Rural Life and Humour. "Photography is the beauty of life captured through a lens". We had amazing photographs clicked by students and a total 55 certificates were awarded. The enthusiasm shown by the budding shutterbugs was worth appreciating. Adityavardhan Singh, VIC, Ayansh Kimtee, VIA

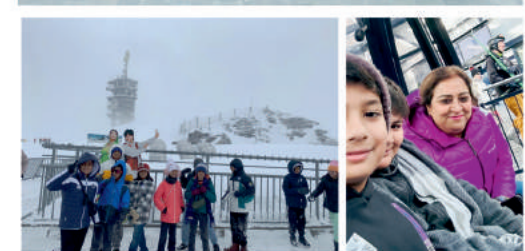

## Social Science Educational Excursion Class VI

Education is all about the overall development of an individual. Therefore, there needs to be a balance between active engagements-both indoors and outdoors - to develop the mind, body, and soul. For this, Social Science department organized an educational excursion to Sanchi Stupa, Bhimbetka caves, Udaigiri Caves, Tropic of Cancer, National Museum of Mankind, Vanvihar Zoological Park, Bhopal and Bhopur from 29th September to 1st October 2023, for 75 students of grade VI escorted by five teachers, to take learning beyond the four walls of the classroom. The main objective of conducting this educational excursion was to enhance personal and social development; develop a deeper relationship with nature and boost self-confidence when staying with classmates. We thank our Principal, Dr. Gunmeet Bindra, Headmistress, Mrs. Rashmi Ahuja, Mr. Giriraj Singh Chundawat, Mrs. Mukti Rathore, Mr. Dharmendra Parashar, Ms. Pinki Dawani and Ms. Muskan Jain for organizing this enriching trip.

## Excursion to Germany, Austria and Switzerland, 7th-15th March 2023

On the occasion of the splendid success of 'The Sound of Music', staged during the Jr. School Day, Principal ma'am announced a trip to Germany, Switzerland and specially to Austria, to visit the locations where the movie was shot. The group consisted of 50 children and teachers. The children and teachers were very excited when they visited the locations where the movie 'The Sound of Music' was filmed. They also visited Mirabell Palace Gardens, Salsberg, where the song Do Re Me was filmed. In the film, Maria and the Von Trapp kids dance around the Pegasus Fountain in front of St. Michael Church, where Maria and Capt. Von Trapp got married in the movie.

## Immerse and Inspire

6th - 15th April 2023 (Classes V and VI)

A brainchild of our Principal, Dr. Gunmeet Bindra, 'Immerse and Inspire' aims at achieving the goal "to develop well-rounded, independent thinking and confident individuals with leadership and communication skills who are socially, emotionally, spiritually secure and to create global citizens with strong values," through a well thought out and unique programme. This year, the programme was a grand success as 160 students from classes V and VI participated and had an enriching boarding house experience. During this programme, children participated in various activities and excursions like visit to Ujjaini, Heritage Excursion to Ujjain, sporting events like swimming, skating, basketball, badminton, cycling and traditional games. They enjoyed the Magic Show and learnt magic tricks and had storytelling sessions. Children were taught to tie shoelaces, wear a tie, thread a needle, sew a button etc. The cooking and the baking sessions were liked by them the most. Learning foreign languages, photography, decoupage, tie and die, pottery tiles, Gond art, wood work, face painting, calligraphy, 'mandana', paper collage, learning hymns from scriptures, session on personality development and dining etiquette were part of Immerse and Inspire 2023. This programme is a mélange of sporting and cultural activities which gives students the exposure that it takes to develop an all-round personality.

## RS Activities Junior School

ROUND  
SQUARE

Round Square is an international network of schools, based on the educational concepts of Kurt Hahn. Children at Daly College, Junior School enthusiastically participated in various Round Square activities like Zoom Post Cards, Collaborative activities, Conferences, and other school-based activities.

The activities at school were based on the six pillars of RS. Service being an integral part of the school' ethos, the kids of the RS Club collected old books and decided to donate it to the underprivileged children. A book kiosk was made and will be installed soon.

Have you ever stopped to appreciate the busy little bees and fluttering butterflies around you? These fascinating creatures play a vital role in our environment. The kids at Jr. School made insect feeders, put some fruit in them and hung them in and around the campus. They got an opportunity to learn new things, while spending more time outdoors!

Students of classes 1 -3 (approx. 289) participated in a Collaborative activity "Cities and Towns" with St. George's School, Windsor. The learning objective of the project was to improve language skills, Internationalism, Appreciation for diversity, Commitment to sustainability being the main learning focus.

Teacher in-charges: Mrs. Shruti Muchhal, Mrs. Shraddha Hasija & Mrs. Pooja Pahwa

8 students attended Round Square Zoom Postcard hosted by Woodridge College and Preparatory, South Africa on May 10, 2023. The theme was "Outdoor pursuits, adventure, challenge and me."

## Mr. Anand Kumar's visit

Shri Anand Kumar is an Indian Mathematics educator who conceptualised and initiated the Super 30 programme, in Patna, Bihar in 2002, to coach the underprivileged students for JEE- Main & JEE-Advanced, the entrance examination for the Indian Institutes of Technology (IITs).

Mr. Anand Kumar was awarded "Maulana Abdul Kalam Azad Shiksha Puraskar", Prof. Yashwantrao Kelkar Yuva Puraskar, Ramanujan Mathematics Award, Maharishi Ved Vyas, "Rashtriya Bal Kalyan Award" by the President of India, Shri Ram Nath Kovind., and the Global Education Award. In 2023, he was awarded the Padma Shri by the Government of India for his contributions in the field of literature and education.

The story of Mr. Anand Kumar is the story of grit, determination and triumph. During his interaction he moved the young Dalians with his story of indomitable spirit of persuasion. He urged the youngsters never to give up even if all odds were stacked against them. If the goal is noble nothing can deviate one from one's path and all the forces or powers of the universe get together to make the unattainable, an attainable reality.

Mr. Anand Kumar launched the book 'Impressions', a collection of short stories written by the young Dalians from classes 4 to 8.

## THE UNIVERSITY OF MELBOURNE MGSE

The University of Melbourne MGSE, (Australia) and Daly College, Indore, India Internship from 8th to 22nd July 2023.

A group of five teacher-trainees from The Melbourne Graduate School of Education at the University of Melbourne in Australia, a world leader in the field of Education, was at Daly College for two weeks from 8th to 22nd July. MGSE has developed an International Internship Programme with Daly College Indore since 2012, that seeks to provide Australian Teacher Trainees completing their Master of Teaching with an opportunity to visit and work in schools abroad. Daly College is the only school in India which provides this programme. This teaching internship provides Australian teachers with opportunities to gain a better understanding of education through experience in a different national system. At Daly College, visiting teachers from Australia learnt by teaming with their Indian colleagues to teach different classes. In addition, they participate in many other significant educational, social, cultural and community service programmes undertaken by DC.

In addition to time in classes, the MGSE students were provided with various opportunities outside the classroom, which included their visit to Sirpur Lake for bird-watching, Kasturba village for social and community services, historical sightseeing at Mandu, Maheshwar, Fossil Park, understanding community living at Manav Chetna Vikas Kendra, Abhivryakti orphanage, Lalbagh palace, Indore Central Museum and the Golden Temple, Amritsar, Punjab. Besides practising yoga and meditation sessions, the trainees attended sessions on Indian history, Indian dance, music, art, craft, 3D printing, tie and dye and kite flying. They also experienced sports which included shooting, horse riding, a cooking learning session, sessions on Indian Caste system, Vedic Maths and Ancient Indian Science.

	DC v/s Scindia	DC won by 9 wickets	

## KISHANGARH SHIELD

# PRE-PRIMARY

Pre-primary section -DC is a vibrant tapestry of discovery and play for young children. The early education phase revolves around fostering a love for learning through engaging activities. Pre-primary, Daly College provides a supportive environment where the kids explore the wonders of the world around them, develop social skills and grasp fundamental concepts. It's a time when

curiosity reigns supreme, and every day brings new adventures in the realm of early education. Activities often involve imaginative play, storytelling, music sessions, festival celebrations, field trips, assemblies, special days celebrations and most importantly "Annual Sports Day and Cultural Program" The session began with a visit to our very own petting zoo at the Principal's residence, where children were truly

# PRE-PRIMARY

amused to watch the animals closely and spend time with them. Before the children moved for summer break, it was just the right time to engage in a pool party (Splish-Splash Day) to beat the summer heat.

Celebrating Earth Day with a lot of fervour is a tradition at DC. Children enthusiastically participated in various activities and understood the importance of treating our Earth with care.

Several activities were conducted throughout the year, which include 'Phonics Workshop' by teachers to encourage peer learning amongst the staff, special assemblies to celebrate festivals where children assimilate the essence of every single festival in an enjoyable way, 'Pitter-patter raindrops' activity to enjoy the scenic campus in the rains, storytelling sessions by teachers, music extravaganza by Mr. Jay

Sands from Philadelphia and yet another by Paul Brothers. Children went on an outing to watch their favourite movie in PVR, TI mall. The aim was to combine education and entertainment in a dynamic setting. Amidst all the education and fun, children learnt the importance of community helpers as we had special guests to interact with our little ones –Dr. Priyanka Malpani (Suyash

Hospital) and the very famous dancing traffic cop Mr. Ranjeet Singh. Sports Day at Pre-primary is the most sought-after event and this year too the Jr. school ground was filled with mirth as the children participated in walk-past, dance-drill and races. Parents participated with equal enthusiasm to encourage our little ones. The winter session began with a lot more excitement as the entire Pre-primary

# EXHIBITION BIH Junior School

The crispy November air of the Jr. School buzzed with excitement - it was 29th November, '23, the Jr. School Exhibition Day. As Thakur Saheb Narendra Singh Bidwal, the Chief Guest, accompanied by our Principal, HM junior school and other dignitaries arrived, they were delighted to see the large-scale participation by the students of classes 5 and 6. The theme 'Heritage' was the common thread that beaded one and all. The English department traced down the 'First and famous' Indian writers of English novels, portrayed Pandvani and the characters from the popular plays of Shakespeare. The Hindi department paid their tribute to lost poets and their poetry and also devised interesting games on Hindi grammar.

# EXHIBITION B.I.H. Junior School

The Social Studies department rekindled the memories of the rich Heritage of Daly College and showcased the architectural marvel of the magnificent and longest wall of Kumbhalgarh fort. The display was captivating, be it the wonders created with junk, the RS informative corner, the sports corner proudly displaying the achievements of the sports persons of the Jr. School, the exhibition was a super hit !

The various experiments conducted by the children for the Sciences, were thoroughly enjoyed by the Chief Guest and the visitors alike. The Computer exhibition made us aware of the latest technical aspects of computers. The most sought after corner was the 'Astronaut ' Photo Comer. The presentation by the Mathematics department challenged the mathelological faculties of one and all.

It was interesting to note how the visitors, young and adults alike, were engrossed in solving math riddles and problems. The visitors were all praises for the brain teasing and thought provoking exhibition put up by the Mathematics department. The Nukkad Natak on 'Desh Bhakti' and the musical bonanza kept the visitors enthralled. The art and craft departments have been raising the bar every year. The talent showcased by the budding artists was mind-blowing! The little chefs of cookery proved, once again, that the way to one's heart is definitely through one's stomach. The mouth-watering delicacies attracted one and all, as the visitors were seen relishing each and every snack.

In all, the exhibition of Jr. School was indeed a spectacular show of talent, enthusiasm, and teamwork.

*Emanating the  
richness of our  
unique palette*

**CO-CURRICULAR ACTIVITIES**

## Greetings

*The mind that opens to a new idea never returns to its original size.*

– Albert Einstein

Yes, Einstein is right and we at DC don't want the mind of our students to return to its original size. We want them to explore, poke at, turn things upside down, question and leave no stone unturned to satiate their curiosity. AND for that they need to be left free to let loose their creativity. The result is many accolades and awards, beautiful creations and above all happiness. Every SUPW lesson, CTDC is abuzz with little artists, sculptors, potters, textile designers, musicians, dancers and actors learning, exploring and creating many a exquisite artwork. This artwork can be a music or dance ensemble, a lovely wooden mask, a beautiful blue pottery plate, a gorgeous piece of tapestry, an artistically sculpted figure, an interesting drama script, a photograph showing an amazing play of light, or simply colours used so cleverly to make a superb painting.

The Dalians are multifaceted – they are eloquent speakers and artists, brilliant dancers and actors, singers and poets and they are continuously pulled by one

department or the other but the Dalians are experts and they deftly manage their time and come out with flying colours be it inter-house or inter-school competitions which you will see mentioned in the coming pages.

A special mention, firstly, to the APG concert “Inayat” which was a feast to the eyes and such a satisfying portrayal of talent in the field of script writing, acting, dancing and music. Secondly, to the various exhibitions showcasing such varied creativity by our multitalented students - a true culmination of the yearlong hard work of the teachers and students alike.

I may not be a product of Daly College but today I can proclaim that I am a proud Dalian.

*Kanakbali Singh*

Dy. Dean Co-curricular activities

# FINE ARTS

"CREATIVITY IS CONTAGIOUS,  
PASS IT ON."

- Albert Einstein

*This year proved to be an exhilarating journey for the Dalians. Beyond artistic endeavors that liberated the young artists from fear and hesitation, it served as a platform to eloquently express their emotions. Fuelled by new concepts, they unfurled their creativity, introducing themselves to the vibrating allure of acrylics, and to the palette of translucent water colours, embarking on a transformative journey of innovation and visionary exploration.*

*From hatching and stippling to exploring pop art and impasto techniques, they did it all. The students of grades 9 and 10 CI, specializing in art and design, engaged in comprehensive research, delving deeper into the realms of artistic expression. This artistic pursuit extended to the art students of grades 11 and 12, as well as those inquisitive individuals who pursued art as a hobby (SUPW). All of them encountered and absorbed the fundamental elements and principles of art—embracing concepts such as balance, contrast, rhythm, proportion, unity, and more. These principles extend beyond the canvas, offering valuable insights that can be applied to the broader principles of life.*

*With learning, the Dalians demonstrated a commitment to excellence by garnering numerous accolades. In IPSC, Visual Art competition hosted by Scindia Kanya Vidyalaya, Gwalior, Saara Lunawat and Riddhima Jain earned the prestigious Award for Artistic Excellence in Graffiti Art and Pranav Reji and Hartejas Sarup secured the award for Artistic Excellence in Driftwood Art. Rishaan Bhatia also won the Inspiring Artistry Award in Human Flower Photography.*

*Adding to the commendable achievements, in Srijanyam Art and Design Fest hosted by Assam Valley School, securing the 1st position, Preksba Modi and Aadhyaa Gurnani excelled in artificial flower making, while Chabeti Rathore and Aadityansh Mittal claimed the top spot in Sculpture. In the domain of product design, Hetal Shastri, Aadhyaa Gurnani, and Preksba Modi demonstrated their prowess, earning them the 1st position. Meanwhile, Kaashvi Dhawan achieved the 2nd position in cultural photojournalism. Notably, Aradhyaa Agrawal, Krishna Gupta, and Trisha Khurana each secured the 3rd position in Portrait painting, Caricature, and Mathematical Art, respectively. Daly College clinched the title of Overall Champion at the Srijanyam Art and Design Fest for the first time.*

*Furthermore, the Dalians also grabbed the opportunity to learn the famous Bell Metal or Dhokra Art of the Bastar region under the guidance of the master craftsman, Sri Bhupendra Baghel fostering an appreciation of craftsmanship, cultural heritage, and the significance of preserving traditional arts.*

*Inspired by Albert Einstein's insight of creativity being contagious, the Dalians are actively embracing and planning to infuse a passion for art across the campus. This initiative has already taken shape with the installation of the metal sculpture, 'The Cloud' which is a symbolic representation of aspiration, ambition, achievement, and effort. The whole structure reminds one of a human being, yet there is a hand in place of the human head. This ambiguity is open to imagination and personal interpretations. Echoing the sentiment expressed by Gilbert K. Chesterton, "There are no rules of architecture for a castle in the clouds," this artistic endeavour embodies boundless creativity and invites a realm of limitless possibilities. Initiated by Dr. Gunmeet Bindra, Principal, Daly College, this sculpture is conceived and created by Mr. Risbi Barua, ex-faculty, Kala Bhavana, Visva-Bharati University, Santiniketan and Daly College students. It was inaugurated by Maharaj Vikram Singhji Puar of Devas Senior and the veteran actor, Mr Kabir Bedi.*

*The remarkable efforts of Mrs. Arpita Dasgupta and Mrs. Priyanka Dave shaped this enriching journey, nurturing a lasting passion and profound affection for the realm of art within each individual.*

**Aradhyaa Agrawal, IX CI**

# WOODCRAFT

Woodcraft is a beautiful art form that provides a wealth of benefits for children, both in the short and long term. From developing problem-solving skills to

improving mental health, teamwork, and communication skills, arts and crafts offer children a chance to learn and grow in a fun and creative environment.

Each passing year unveils fresh insights, honed abilities, and the addition of gifted newcomers who significantly contribute to the department's success. Through dedication, the creation of distinctive masterpieces and projects tailored to the school's ethos and style becomes achievable.

This year, the spotlight was on the newfound talent in pyrography, or the art of wood burning. Students showcased exceptional prowess in this discipline, imbibing the virtues of patience, perseverance, and composure.

Notable mentions include Adima Singh Baghel, Kamakshi Devi, Ananya Agrawal, Adhiraj Jhaveri, Priyanjal Shukla, Arnav Agrawal, Dbwaj Mahajan, Aranaya Taneja, Teerth Garg, Haritraj Singh Gaur, and Saksam Agrawal. Their names stand as testament to their remarkable contributions.

The Annual Exhibition served as a testament to the skills, diligence, dedication, consistency, and innate talent evident in various forms of woodcraft, including terracotta, pyrography, chip carving, engraving, woodturning, and exquisite scrollwork. The students took pride in learning and engaging in this innovative and creative event, eagerly sharing insights with teachers, parents, and fellow students. Their work garnered admiration and recognition from both educators and parents during the annual exhibition.

All these achievements were made possible under the mentorship of Mr. Sudbir Ranade whose guidance, expertise, and unwavering support have been instrumental in nurturing the talents and fostering the creativity of the students.

Swasti Tiwari, Class 9B

# SCULPTURE & POTTERY

Sculpture is a three-dimensional art made by one of some basic processes: carving, modelling, casting, constructing, and molding.

In the sculpture department, students learn and specialized in any one of these processes following their personal choices. Through regular training, they learn basics of sculptures, then continue with more advanced techniques. Students who made remarkable projects in sculpture this year are: Samwar Jain, Manas Agrawal and Aradhya Bansal made 'The Fountain', medium cement (size: 6ft x 4ft x 3 ft); Samwar Jain created a tree and insect structure in cement, as direct casting (size: 3 ft.); Janak Agrawal, Adityansh Mittal, Raghav Agawal, Manas Agrawal made a bust and sculptures of different stages of an infant's life in clay. From class 11, Aaryan Mittal crafted a towering sculpture of "Books" using glass fiber, reaching a remarkable height of 12 feet. Chabeti Rathore and Adityansh Mittal clinched the prestigious 1st prize in the Srijanyam competition.

Lav Verma, Parakram, Chandraveer Singh, and Vaisnavi Ambliyar demonstrated their artistic prowess by crafting exquisite blue pottery plates, vases, and an array of magnificent pots by employing techniques such as wheel throwing and hand coiling. Thanks to the instructors, Mr. Santosh Prajapati and Ms. Esbna Nagar, for helping the students to achieve all the new skills!

Adityansh Mittal, 11D

## TEXTILE DESIGNING

*"When art grapples, it triumphs; when revelling in its own triumphs, it singularly falters." Owen Jones*

Textile art, a three-dimensional expression of creativity, leaves its mark at every step, showcasing the significance of each technique. This year, the students walked onto various artistic avenues such as batik, block printing, product design, digital art, flower making, tie and dye, embroidery, flower rangoli, and weaving. The Annual Exhibition held this year served as a vibrant canvas for students to showcase their masterpieces, displaying proficiency in various textile art mediums.

A cohort of exceptionally gifted students, including Hetal Shastri, Archit Sehgal, Harshita Chandak, Avibaan Agrawal, Dev Sanghvi, Gunvir Singh, Siddhant Rajpal, Subana Karode, Jairaj Singh, Qjaswi Agrawal, Ishika Agrawal, Sataksbi Damor, Trisha Neema, Jaanya Wadhwani, Kartavya Agrawal, Aryaveer Rai, Hriday Gole, Sobam Nagda, and Aaditya Patel, have delivered outstanding performances in the textile department. Their creative ideas have been manifested through a diverse array of fibres and fabrics.

The students have consistently showcased their artistic prowess not only at the in-house events but also on external platforms, contributing to the department's vibrancy and success in nurturing artistic talent and fostering a rich learning environment. Preksba Modi, Hetal Shastri, and Aadhyaa Gurnani brought laurels to school by winning awards in product design and flower making at the Srijanyam Art and Design Festival at Assam Valley School. Mr. Sanjay Viswakarma's efforts played a pivotal role in elevating the creative talents of the budding artists.

*Hetal Shastri, 11 D*

## PHOTOGRAPHY

*This year the photography department has proved to be a fantastic platform for students to showcase their creativity and talent. The students' ability to capture stunning images*

of various subjects is a testament to their mastery of photography. They have demonstrated their skills in still-life photography, sunburst, fauna, flora, and much more. The photography club has delivered a series of captivating images, truly leaving a mark.

It's with great pride that the department announces Risbaan Bhatia's triumph in securing the IPSC Most Inspiring Artist Award for his remarkable exhibition of Human Flowers. Additionally, the team's achievement of securing the first Runners-up position at the Inter School Visual Arts Competition Srijanyam, hosted by 'The Assam Valley School,' owes much to the invaluable contribution of Kaasvi Dhawan. These accolades highlight the dedication, skill, and hard work of the team, reflecting a commitment to upholding excellence in all endeavours, with anticipation for future opportunities to showcase their prowess.

This year, students have delved into the nuances of photo composition, honing their ability to select frames that accentuate the main subject while avoiding distractions. The reinforcement of fundamental concepts highlights the department's teaching approach, emphasizing the importance of a strong foundation for success.

Mr. Sumeet Nagdev's workshop provided students with valuable experience in film direction through the creation of short trailers and films. It served as an excellent learning opportunity, enriching their skills in the realm of filmmaking.

This year has been quite eventful for the junior photographers, as they have had the chance to celebrate and learn a great deal about photography under the adept guidance of Mr. Shashank Jain.

*Sumedh Chopra, VIII C1*

# DANCE

"Dance is the poetic baring of the soul through motion."

The Daly College dance team was selected to represent India at the Turkey Folklore Festival in Fetbiye in April 2023 after bringing home a national prize at the Udbhav Utsav in Gwalior in 2022. The team comprised 26 students escorted by Mrs. Noopur Dube and Mrs. Remu Parmar where they showcased India's rich culture by performing different forms of classical dances like Odissi, Kathak, Tribal etc. The dancers received loads of praise and compliments from the localities of Fetbiye for performing the most lively and fun dances with such vibrant and eye-catching costumes. The Daly College dance team also performed remarkably in the IPSC'23 held at Birla Vidya Mandir, Nainital. IPSC Dance'23 was a challenging one where there were too many exceptions to the regulations, from rules like not using props and make-up to limitation of number of dancers in a certain category and use of technology but the team with their immense hardwork and dedication managed to bring in glory for 3 out of 4 categories, i.e. Outstanding dance and Movement, Pedagogy and Praxis in:-

Western Solo- Rajveer Patel

Classical Duo- Ishana Vaisb, Riddhima Jain

Choreography- Tarini Saraf, Jyotindra Mishra,

Arneet K. Bagga, Varunee Agrawal, Priyamvada Baghel

The team also did an exceptional job in the Udbhav Utsav'23, Gwalior. The team comprised 17 girls escorted by Mrs. Noopur Dube. The remarkable achievements of the girls are as follows-

Semi Classical Dance (Vaisbno Devi): First Position

Semi Classical Dance (Ramayan): Third Position

Group Folk Dance: Second Position

Semi Classical Solo: Third Position

In addition to these individual accolades, the performance was also acknowledged as extraordinary, earning them the "Extraordinary Performance Prize". At the school level, the students of DC also had numerous opportunities throughout the year to participate in dance and they never failed to put up amazing performances in various events like DCMUN Opening Ceremony, French Fest, CBSE Conference, Republic Day, Indore Literary Fest, Independence Day etc. For the first time in many years, the dancers performed in the Annual Athletic Meet and managed to put up a spectacular Spanish Dance which was well praised by the principal and the teachers. The Dance Department showcased remarkable creativity this year, featuring performances where dancers portrayed the impact of different seasons on intellectual health and even expressed the dynamics of winning and losing through a Chess-themed dance. This year's Annual Prize-Giving was yet a memorable one showcasing the remarkable talent of our dancers. They were also lauded for their amazing Invocation Dance that left the audience stunned in the GILF as well as Chaudhary dance which never fails to impress. Nonetheless, it was an eventful year full of awards and learning, and the DC Dance Team did not fail to light up the room with their phenomenal performances in each and every single event.

All these achievements were made possible thanks to the backbone of the team, Mrs. Noopur Dube! Her immense dedication and passion for dance, along with her commitment to her students, brought out the best in them.

*Tarini Saraf*

Cultural Prefect XII-A

# MUSIC

*This year, the school arranged two distinct levels of Inter-house music competitions for Indian and Western categories. These competitions were judged by renowned musicians from Indore, including Mr. Jagdish Barot, Mr. Shivansh Patel, and Mr. Basant Sharma for Indian Music, and Mr. Vivek Rishi, Mr. Dbeeraj Masib, and Mr. Rajdeep Malhotra for Western Music. The tremendous success of these events can be attributed to the consistent and rigorous practice schedules adhered to by students from each house, coupled with the unwavering support of a dedicated team of teachers. Some of the spectacular performances given by the students namely- Atharv Rai, Advika Mohan, Pranit Palod, Daksh Bhatnagar, Vignesh Fasate, Sangamitra Bhargav raised the bar for the upcoming musicians in order to be more professional and presentable in terms of their performances.*

*Aditya Samaiya's impressive vocal range in the western solo category secured him the first position and the chance to represent the school at the IPSC Music Fest, where he went on to receive the Most Outstanding Performer Award. Not to be outdone, Asit Nagle clinched the top spot in the Inter-house Indian classical vocal solo. He further showcased his talents by representing the school in the IPSC Classical Solo Vocal category and played a key role as a major instrumentalist in both the Western Instrumental Group and Indian Group Song and also received the Most Outstanding Performance Award at the IPSC event.*

*We also found tremendously talented students like Atharv Rai, Advika Mohan, Devansh Pandey, Pranit Palod, Daksh Bhatnagar, Suparna Biswas, Angad Ubeja, Trisbir Jain, Vignesh Fasate, Sanjoly Porwal, Adrika Yeole, Vani Soni, Tirth Dalmia, Jyotindra Misbra, Sangamitra Bhargav, Mayuri Bawra, Dev Bam those who are not only versatile in nature but also showcased talent in every possible opportunity given by the school in the name of events like Gospel Singing Concert where nearly 250 students participated to make it a memorable one. We also had a student singing Gospel for Easter. We also hosted various events like DGMUN, Y20, G Literati, French Festival, CBSE Conclave, Principal's Conclave, Indore Literature Festival and celebrated National Days. Our students not only performed in our native language but also broke the barrier of language by achieving positions in events like the French Fest hosted by the school. This year the Annual Prize Giving Ceremony began with the blowing of a trumpet on the sound of Musical treat "Inayat" where students from both Indian and Western music collaborated and performed on the tunes of Lucky Ali and Coke Studio. Our students actively took part in the Principal's Conclave hosted by Daly College, showcasing a spectacular western band performance. Their outstanding performance garnered recognition from the Principal on stage.*

*The mentors of the music department deserve all the credit for the magnificent achievements, as their unwavering dedication and profound guidance have cultivated such remarkable triumphs.*

*Jyotindra Mohan Pratap Misbra, XI B*

## Dramatics

*The dramatics department had an extremely fruitful 2023, with Dalians participating in various events allowing them to*

*display their inner thespians. Starting with the Inter-house Hindi Dramatics in July, each bouse crafted their plays around a 'doba' by Kabir Das ji, with performances marked by a blend of humor and emotion, showcasing the diverse artistic talents of the actors. September marked the IPSC Drama Festival, which was an event greatly looked forward to. The DC team took part in three events, including a Hindi Script Writing, an English Play, and a Non-Verbal Play, receiving much appreciation from those in attendance and bagging two awards - the 'Critic's Choice Best Delegation in Hindi Script Writing and Dramatic Reading', as well as the 'Best Delegation in Innovation in Material, Props and Objects Usage in Non-Verbal play'.*

*Next came the Inter-House English Dramatics, celebrating Shakespeare with a unique twist ranging from a villainous touch to Lady Macbeth to a modern day take on The Taming Of The Shrew. All houses had a different perspective when it came to staging their plays. After an exciting year, the final icing on the cake was the Annual Prize Giving, and the production of the school play, "Inayat" with over 300 students taking part, both onstage and backstage in this musical extravaganza. The Chief Guest, Mr. Kabir Bedi, bugely appreciated the talents of the Dalians. The show was a huge success and touched each member of the audience. All in all, the Drama Department looks forward to more successes in the upcoming school year.*

*Vaibhavi Kumari XI CI*

## BAND

*The school's musical atmosphere feels incomplete without the presence of the College band. Whether it's during the National Day Celebrations, the Annual Athletic Meet, or the*

*Guard of Honour at the APG, the band made its mark. Emerging from the winter break, the College Band with their accompaniment to the National Anthem and the flag song added grandeur to the proceedings of the Republic Day. At the Graduation Ceremony, the Grade XII students marched in perfect synchronization with the College band towards the serene lakeside, creating a captivating scene. Their performance at the ceremony was met with awe and admiration from the audience, as they skillfully accompanied the procession and set the tone for the occasion. The band's presence throughout various events not only added brilliance but also elevated the atmosphere with their musical prowess and precision. Under the guidance of Mr. Ibrahim Khan, the College band's performances transcended mere entertainment, serving as a source of inspiration for the entire school community.*

*Adima Singh Baghel XIX*

*The Mann School, Delhi, hosted the virtual IPSC GK Quiz, in which 371 Dalians participated. The event proved to be a success with participants earning multiple merit certificates across diverse categories.*

*In major team accomplishments, DC emerged as finalists in the prestigious C4 Corporate Quiz. We were also victorious at the IPSC IT Fest, where DC secured the overall winners' title.*

*Adding to their accolades, the team reached the finals of the INFINITY Inter-School Mathematics Quiz organized by Aditya Birla World Academy in collaboration with BITS Pilani.*

*Furthermore, DC were quarter-finalists in the Indian Navy Thing Quiz 2023. The eagerly anticipated main rounds, to be scheduled in Delhi and Mumbai, are yet to be announced.*

*DC orchestrated the highly anticipated Lunawada Quiz on December 5, 2023. The distinguished Chief Guest was Mr. Navneet Bagree, an eminent Old Dalian from the 1995 Batch. Among the distinguished attendees were Principal Dr. Gunmeet Bindra, ODA President Mr. Kamlesh Kasliwal, ODA Secretary Mr. Tejvir Juneja, various old students, DC Senior Appointments, and faculty members. The quiz saw spirited participation from all teams, including eight house teams and one ODA team. The rounds encompassed diverse topics such as "Where Am I", "Global Affairs", "Entertainment", "Sports", "Indian Culture" and "Rapid Fire". Each round had its own quizmaster, with Mr. Tejvir Juneja infusing zest into the Entertainment Round and Mr. Ashwin Palsikar conducting his signature Link Round. Every round witnessed fervent competition among Dalian quizzers and a confident ODA team, who ultimately proved to be seasoned quizzers and emerged victorious. Jawahar House secured the second position, with Tagore following suit. In a display of tradition and magnanimity, the ODA graciously handed over the Lunawada trophy to Jawahar House.*

*Mrs. Shweta Verma, Quiz In-Charge*

## ENGLISH LITERARY SOCIETY

Commencing its odyssey in April, the English Literary Society at Daly College embarked on a year of intellectual triumphs. The DF Jack Memorial Invitational Debate, orchestrated with finesse, witnessed the dynamic duo of Saadgi Garg and Saara Lunawat clinching a triumphant victory. Saadgi Garg secured the Best Speaker Award in the Final Round, while Saara Lunawat's brilliance shone in the Preliminary Round and Semi-Finals, earning her the title of the Best Speaker of the Debate. Subsequently, from June through November, an inundation of in-house activities ensued, during which students showcased stellar performances. Twelve Dalians participated in the 14th edition of the Worlds Schools Debate in Slovenia from June 26 to July 2, learning various facets of debating and engaging with global peers. Daly College achieved success, winning the novice category and securing the second and fifth-best speaker awards by Mishika Agrawal and Krtisba Bhargava. Vidhi Ruchandani was part of the winning novice team, making a notable contribution.

The zenith of elation for the English Literary Society transpired when Daly College, in conjunction with the Valley of Words Literary Festival and AFS India, hosted the Young Adults Vertical as part of the pan-India Literary Festival, G-literati, for the second consecutive time. This occasion afforded students from Indore and across the nation a unique opportunity to interface directly with esteemed authors, gaining insights into the genesis and realization of their literary works. The sheer delight of participating in this festival transported everyone to another realm.

Further enriching this literary journey was the publication of an anthology of short stories, "Impressions", the culmination of a comprehensive twelve-day writing program for Daly College students, executed under the aegis of Quill Club Writers, a distinguished publishing house. The

crowning moment arrived at the book launch, where the anthology authored by these young talents was unveiled, graced by the presence of Anand Kumar, the Mathematics wizard.

Daly College excelled at the 33rd Oliphant Memorial English Debate in Dehradun, August 18-19, 2023. Saara Lunawat, Saadgi Garg, and Geetika Lath secured the Runners-up position, with Saara Lunawat earning the best speaker title twice—both in the semi-final and final rounds. This marked Daly College's first distinguished position in this prestigious intellectual forum. At the Silver Jubilee Commemorative Young Thinkers' Conclave, which took place at MCGS from the 6th to the 9th of August 2023, Ekansh Gada emerged as the Best Speech Writer in the Bridge Round of the Multi-Format English Debate.

Daly College was an active participant in the 14th Edition of the virtual SIS Confluence, a prestigious event organized by the Singapore International School in Mumbai, which unfolded on the 2nd and 3rd of September in the year 2023. Team DC engaged in a trio of intellectual contests, namely the Multi Format Debate (INSTIL), the General Quiz (INQUISITION), and the Speech Writing and Reportage (INCUBATION). During the preliminary round of the Multi Format English debate, Tanishk Motwani exhibited remarkable prowess and was deservedly honoured with the distinction of the Best Speaker in the Extempore category.

The 3rd Edition of Cela Fiesta, hosted by the Assam Valley School an eclectic virtual literary gathering, unfolded on the 19th of August in the year 2023. It commenced with an engaging and informative session featuring Mrs. Rashmi Narzary, the accomplished author of the book, 'The Unfinished Search.' Subsequently, a group of eight students partook in various activities tailored to their respective interests which encompassed character enactment, as well as the analysis of movies and books.

Risha Chaurasia brought laurels to the institution by winning the Best Speaker Award in the 2nd and 3rd Preliminary rounds at the 1st Mayoer Invitational Debate, organised at the Mayoer School, Ajmer.

The Sanawar Literary Fest which took place on October 18-19 encompassed a range of activities including poster making, jingle addition, slogan writing, and declamation. Arnab Agrawal achieved the first place in the slogan writing competition, and Pritika Narsaria was recognized with a consolation prize for her remarkable work in poster making.

The Invictus International School, Amritsar, conducted The Speakout 2023 from the 17th to the 19th of November. Priyanka Singh Lowansbi won the Most Promising Writer Award in Creative Writing.

A group of six students participated in an online Symposium titled 'Sharing Perspectives on Motherhood,' inspired by 'The Oldest Love Story: A Motherhood Anthology' edited by Rinki Roy Bhattacharya and Maitili Rao hosted by Vivek High School, Chandigarh. Students had an enriching experience while sharing their insights on a chapter of the book that resonated with them. Rishaan Bhatia claimed the 3rd position in the Leadership Bonanza at the IPSC Students Leadership Conclave at RKKGPS, Jodhpur.

The English Literary Society, a foundational cornerstone at Daly College, persistently fostered an environment that not only refined oratory skills but also propelled students towards diverse and enriching academic pursuits. Mrs. Aditi Gbatak, ELS, In-charge

## हिंदी साहित्य परिषद

**Teacher in-charge : Brijesh Bhatore**

हिंदी उन सभी गुणों से अलंकृत है जिनके बल पर वह विश्व की साहित्यिक भाषाओं की अगली श्रेणी में समासीन हो सकती है। — मैथिलीशरण गुप्त

साहित्य शब्द में छिपा हुआ है सबका हित। यह भाषा की यह विधा है जिसमें कल्पना, ज्ञान, विचार और भाव की अहम भूमिका होती है। साहित्य और उसकी विधाएँ हमें जीने की कला के साथ-साथ जीवन को पूर्णता देने में भी महत्वपूर्ण भूमिका निभाती है। विद्यालय और अंतर्विद्यालय स्तर पर आयोजित तमाम प्रतियोगिताओं में भी यही उद्देश्य निहित है। विद्यार्थी इन प्रतियोगिताओं का हिस्सा बनकर न केवल हार-जीत को स्वीकार करना सीखते हैं बल्कि साथ ही उनके भीतर साहित्य की समझ विकसित होती है, उनके विचारों का दायरा विस्तृत होता है, उनकी सोच बड़ी और बेहतर बनती है। प्रतिवर्ष की तरह इस वर्ष भी अंतर्गृह स्तर पर कक्षा सातवी से कक्षा ग्यारहवी तक तीन स्तरों पर अनेक साहित्यिक गतिविधियाँ आयोजित की गई, उनमें शामिल हैं— वाद-विवाद प्रतियोगिता (संसदीय और कैम्ब्रिज शैली), वाग्मिता चरित्र अभिनय प्रतियोगिता और निबंध लेखन प्रतियोगिता। इन प्रतियोगिताओं में प्रतिभागियों ने अपने-अपने गृहों का

प्रतिनिधित्व पूरी निष्ठा के साथ किया। साथ ही सभी कक्षाओं के विद्यार्थियों के लिए तात्कालिक भाषण प्रतियोगिता का आयोजन भी किया गया। प्रदर्शन की गुणवत्ता का स्तर उत्तरोत्तर विकासोन्मुखी रहा। डेली कॉलेज द्वारा प्रतिवर्ष आयोजित की जाने वाली अखिल भारतीय पद्मश्री जे. के. काटे स्मृति अंतर्विद्यालयी हिंदी वाद-विवाद प्रतियोगिता में हमारी टीम ने उत्कृष्ट प्रदर्शन किया। गौरी चतुर्वेदी और ज्योतींद्र मोहन प्रताप मिश्र के प्रतिनिधित्व वाली हमारी टीम विजेता घोषित हुई। ज्योतींद्र मोहन प्रताप मिश्र को सर्वश्रेष्ठ वक्ता घोषित किया गया और गौरी चतुर्वेदी उदीयमान वक्त्री चुनी गई। इस वर्ष न्यू दिगंबर पब्लिक स्कूल, इंदौर द्वारा आयोजित इन्वीटेशनल हिंदी वाद-विवाद प्रतियोगिता में हमारे विद्यालय से लक्ष्य गुप्ता और गौरी चतुर्वेदी ने भाग लिया। विषय के विपक्ष में अपने विचार प्रस्तुत करते हुए लक्ष्य गुप्ता ने प्रथम स्थान और गौरी चतुर्वेदी ने विषय के पक्ष में तृतीय स्थान प्राप्त कर विद्यालय को गौरवान्वित किया।

दून स्कूल, देहरादून द्वारा आयोजित वाद-विवाद प्रतियोगिता में प्रणीत पालोद, ज्योतींद्र मोहन प्रताप मिश्र और मानवी सिंह तोमर ने हमारे विद्यालय का प्रतिनिधित्व करते हुए सराहनीय प्रदर्शन किया। पहले चक्र में मानवी सिंह तोमर सर्वश्रेष्ठ वक्त्री चुनी गई, ज्योतींद्र मोहन प्रताप मिश्र तीसरे व चौथे चक्र में सर्वश्रेष्ठ वक्ता चुने गए और साथ ही प्रणीत पालोद पहले व तीसरे चक्र में उदीयमान वक्ता चुने गए।

इन तमाम प्रतियोगिताओं के आयोजन में विषय चयन, संचालन और आयोजन की तैयारी में प्राचार्य, उपप्राचार्य और विभाग के सभी साथियों का सहयोग बना रहा। सभी के प्रति हिंदी साहित्य परिषद की ओर से आभार प्रकट करता हूँ। सत्र 2023-24 में हुई विभिन्न प्रतियोगिताओं के परिणाम इस प्रकार रहे —

# MUN

Once again, the Model United Nations (MUN) Club showcased its excellence by introducing a unique theme for the Inter-school MUN, emphasizing the students' adeptness in diplomatic skills.

The theme for this year's conference in August, titled 'Phronesis' and rooted in the events of the 1980s, delved into significant issues of that era. Delegates, while examining historical events, also pondered the relevance of these issues in the 21st century. This thoughtfully chosen theme not only illuminated the actions that shaped the present but also resonated with past actions in contemporary times.

The conference led by Secretary General Geetika Lath and Directors General Saadgi Garg and Karan Bindal, with Undersecretary General Vivaan Gautam, was a testament to meticulous planning and execution.

The delegates engaged in intense deliberations on topics such as the Chernobyl disaster, HIV/AIDS, the Cold War, Iran-Contra affairs, the Great Inflation, and the Bhopal gas tragedy, which went beyond conventional boundaries,

with delegates proposing out of the ordinary yet innovative resolutions. The conference challenged the delegates on their critical and spontaneous thinking by posing thought-provoking crises both hypothetical and real. The success of the conference was evident in the participation of 160 students from 18 schools across the nation. Overall, with the dedication put in by the organising team and the aim to encourage creative problem-solving, the event was a remarkable and enriching experience for all.

Furthermore, throughout the year, Dalians actively participated in various conferences, achieving success. Our participants excelled and enhanced their MUNning skills in several conferences, namely, the Assam Valley School MUN, Doon School MUN, WELMUN, Selaqui MUN, Dhirubai Ambani International MUN, Cathedral MUN, Emerald Heights International School MUN, IPSC MUN, Mayo College Girls School MUN, virtual SISMUN and SAIMUN. This commitment to excellence not only enriches the participants' experiences but also solidifies the MUN club's reputation as a beacon of sophistication and intellectual prowess. Over 140 students participated from the school in a myriad of challenges at the MU20 Summit such as Debating, Theatrics, Impact, Entrepreneurship and Model UN and brought laurels to the school. Daly College was also represented in the Secretariat of the MU20 Conference this year.

Saara Lunawat was the Head of the Debating Challenge.

Saadgi Garg was the Creative Head of the Debating Challenge.

Hriday Anand was the Creative Head of the Theatrics Challenge.

Jasveer Singh Anand was the Creative Head of the Impact Challenge.

Rishima Rabeja was the Logistics Head of the Impact Challenge.

A delegation of students also participated in the Oxford Model United Nations (MUN), enhancing their educational journey. The delegation had the prestigious opportunity to explore Oxford University, engage with the admissions office, and receive tours from resident students. They debated global issues at the Examination Schools with international peers.

Uplifting discussions and nurturing an atmosphere conducive to intellectual development, the MUN club stands as a forge for profound learning. It instills in its members the principles of diplomacy, leadership, and global awareness, persistently contributing to the moulding of the upcoming generation into skilled and conscientious global citizens.

*Mrs. Aditi Gbatak, MUN Coordinator*

# AFS

*In AFS, Daly College has now sent six students to RANUM EFTERSKOLE DENMARK in April, September and November 23.*

*Gunjan Singhania, Umika Bballa, Aasbvi Sojatia, Swasti Tiwari, Ramvijay Khandelwal and Risbabb Pokbarna immersed in intercultural learning and fun during their exchanges.*

*With 25 schools participating from across India, from classes 7 to 12, Gliterati was very successful. Five award-winning Indian authors inspired the attendees with their journey and insights.*

*In the AFS CENTRAL ZONE MEET, in September at DPS, Neelbad, Bhopal, Raashi Gaur and Ujjaiti Kumari represented DC, along with the AFS Coordinator.*

*At the AFS NATIONAL MEET in October, at Emerald Heights, Gunjan Singhania and Maanvi Singh Tomar, represented DC, along with the AFS Coordinator.*

*At the MU20 LEADERSHIP SUMMIT, in October in Indore, a delegation of 150*

*Dalians, from Classes 6 to 12 participated, with more than a 100 MUNers. Furthermore, out of 500 applicants, several Dalians were handpicked to be part of the MU20 Secretariat. Despite over 2000 participants, many Dalians won accolades.*

*DC conducted A HANDFUL OF RICE ACTIVITY in November to commemorate the 18th Anniversary of AFS India. Students participated by bringing donations of grains, which were then distributed to the underprivileged.*

*So far 10 students have successfully completed the AFS Global Up for Teens Certification.*

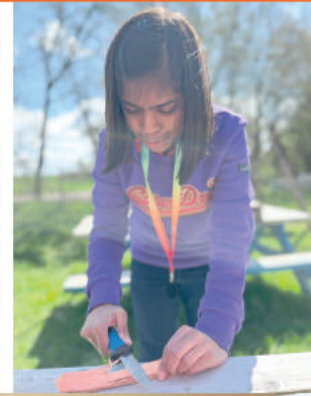

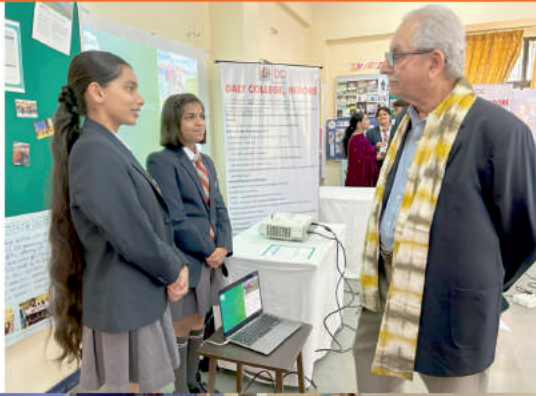

*Mrs. Shweta Verma has (completed two international AFS certifications) - the Effect Plus and the Global Competence Certification for Educators, both on scholarship.*

*Mr. Bibhav Dwivedi has completed the Effect Plus certification as well.*

***Mrs. Shweta Verma, AFS Coordinator***

AFS

## DALY ETHOS

*'The best way to find yourself is by losing yourself in the service of others' Mahatma Gandhi*

*Guided by this philosophy, the Daly Ethos club marked by significant strides and planned a plethora of service projects and activities.*

*Beginning with a drive for books and clothes, students collected and donated over 2000 textbooks and novels and 800 pairs of clothes to schools including the VAMA School, the Musakbedi slum and Manavta Ki Pebchan NGO.*

*On the morning of 2nd October, Daly College also celebrated the Service Day, which began with 21 Dalianians conducting a Food Distribution Drive at the MY Hospital. The students distributed poha and jalebi made by them at Chefs of DC along with the help of the mess to over 400 people while also interacting with them.*

*This year, the club also organized a fundraiser during the Annual Cross Country, selling over 1000 friendship bands and chocolates made by students. Moving forward, multiple plantation drives have also been conducted in various parts of the school while students also visited a blind school and interacted with the children.*

*The students also took on an Education Drive, and taught over 50 slum kids in the Scheme 140 sector over the winters, helping them with understanding of basic concepts and skills.*

*The students have also launched an innovative project- Eco Bricks. Eco bricks are a sustainable solution to plastic waste management which includes making bricks using plastic bottles and polythene and plastic waste, which are then used in the creation of structures including walls and sit outs. The club has collected and made over 100 Eco Bricks, inculcating in them an understanding of their roles as active citizens. The paper recycling unit has also been used extensively to make many products such as envelopes, greeting cards amidst others.*

*Overall, the Daly Ethos Club has been a testament to the Dalian spirit of serving society and catalyzing positive impact among their community and beyond.*

# NCC AIR WING

The commencement of the latest NCC session marked the enrollment of 32 cadets in the inaugural year of the two-year training programme, elevating the overall strength of the Air Wing to 50. This year saw a historic moment as 9 girl cadets became part of the Air Wing for the first time.

21 cadets received their 'A' certificates and 10 are preparing to appear for 'A' certificate examination this year. The NCC cadets of DC attended a ten day Combined Annual Training Camp conducted by 21 MP Battalion Ratlam at Kalu Kheda village near Ratlam. These cadets went through rigorous military training under the supervision of Indian Army officers. They were trained in drill, weapon training, map reading, adventure, obstacle training and firing. Cadets were taught about the NCC, Indian Air Force, various weapons and aircrafts used by the Indian Air Force and aero-modelling. Experts from other fields were also invited in the camp to train the cadets in cyber security and yoga. The NCC cadets presented the Guard of Honour to the Chief Guest, Ms Marry Kom, at the Annual Prize Giving. They also constructed a control line aircraft model made of balsa wood and demonstrated its flying during the Annual Exhibition. The NCC Air wing cadets get the opportunity to fly microlight aircraft with their Commanding Officer every year. This is one of the most exciting and exhilarating experiences of their lives. This offers them great adventure and motivate them to join the Indian Air Force.

# NCC ARMY WING (Girls)

F/O: Savita Kharadkar  
ANO

The 10-day camp conducted by our NCC unit aimed to foster leadership skills, promote team spirit, and instill discipline among the cadets. The camp focused on a holistic development approach, encompassing physical fitness, adventure activities, and character building. The camp was held from the 19th to 29th at Choti Betma, Indore. The picturesque surroundings provided an ideal setting for the diverse range of activities planned for the cadets: daily morning drills and exercises to enhance physical fitness, obstacle course challenges to improve agility and endurance, team-building exercises to promote effective communication and cooperation, evening cultural programs to showcase the diversity of our nation and community service activities to foster a sense of responsibility towards society. The cadets exhibited exemplary discipline throughout the camp. They adhered to the rules and regulations, maintaining a high standard of behaviour. The positive conduct of the cadets reflected the values instilled by the NCC. The camp presented challenges that tested the mettle of our cadets. The NCC practical class aimed to provide hands-on experience, enhance practical skills, and reinforce theoretical knowledge. It focused on practical application, leadership, teamwork, and precision in drills. Parade practices emphasized discipline and uniformity. Cadets received guidance in weapon handling with safety protocols, engaged in outdoor activities, and underwent survival skills training. The NCC serves not only as a military training ground but also instills civic responsibility and community service. The Guard of Honour in the National Cadet Corps (NCC) plays a pivotal role in symbolizing discipline, patriotism, and the commitment of cadets towards the ideals of the organization. This report explores the importance of the Guard of Honour in the NCC, shedding light on its historical context, ceremonial significance, and the values it instills in cadets. Regular drill practices are conducted to refine the movements and ensure that the cadets move as a cohesive unit. In essence, the participation of cadets in the Guard of Honour is not just a ceremonial duty; it is a transformative experience that shapes their character, instills values, and prepares them for leadership roles in NCC and beyond.

Cadets practise specific sequences repeatedly to attain muscle memory, allowing them to execute the drill with precision and confidence. Overcoming these challenges, the cadets not only developed physical endurance but also learned the importance of resilience and adaptability. The 10-day camp was a resounding success in achieving its objectives. The participating cadets exhibited remarkable growth in their physical, mental, and emotional dimensions. The camp not only strengthened their commitment to NCC but also imparted valuable life skills. Arvi Gupta X, Kashvi Dhawan X

# NCC ARMY WING (Boys)

Caretaker: Mr. Dharmendra Yadav  
Total Cadets: 50

Daly College as an institution has proudly been connected with the NCC organization over the years. All the students have willingly participated, and lived up to the expectations that are assumed to be the duties of an NCC cadet. NCC plays a credible role in shaping, character of students by instilling the values of patriotism, service, discipline and hard work. With great enthusiasm last year, 25 cadets were enrolled in JD (Army Wing). Since it's the second year of enrollment, it was mandatory to attend the Annual Training Camp. As cadets have to appear in Certificate 'A' examination, they attended a camp at Jawahar Navodaya Vidyalaya, Kalukheda (Ratlam) from 26th October to 4th November, 2023. The year 2023 started with full of enthusiasm, with the enrollment of 25 new cadets in the month of April. The total strength of the wing reached up to 50, consisting of boys of classes 8 and 9. Seven Cadets of the Second year NCC cadets of Army Wing 2021-23 batch cleared the NCC A Certificate examination and passed with 'A' Grade distinction. The

cadets worked hard to make the vision of NCC achievable by participating in various activities like physical drills, co-curricular activities and other social development activities. As it is customary, the Guard of Honour was given to the Chief-Guests of the annual functions of Senior school. The NCC Army Wing cadets celebrated 76th NCC Day on Nov 27, 2023. This year also, new NCC cadets' enrollment for the session 2023-24 was done via online mode, which was at ease mode and also had a modern approach. In the upcoming year, the cadets aspire to reach new heights by participating in numerous NCC activities. We aspire to turn this year into a tapestry of NCC and strive for glory, not just for themselves but also for the pride of the institution.

## Greetings

*"I regard it as the foremost task of education to ensure the survival of these qualities: an enterprising curiosity, an undefeated spirit, tenacity in pursuit, readiness for sensible self-denial, and above all, compassion."*

- Kurt Hahn

In the spirit of Kurt Hahn's educational vision, my approach as the Round Square Rep is to cultivate a vibrant environment where the principles of Internationalism, Democracy, Environment, Adventure, Leadership, and Service are seamlessly woven into the fabric of our educational community. The aim is to empower students to embrace diverse perspectives, actively engage in global issues, and become compassionate leaders committed to positive change. Through innovative projects, immersive experiences, and collaborative initiatives, I aim to foster a sense of responsibility towards the environment, establish a passion for adventure and discovery, nurture leadership skills and personal growth that extend beyond the classroom.

We at DC, believe strongly in internationalism as it enables children to develop understanding, tolerance and respect for others culture and traditions. Many of

our students got an opportunity to experience and connect with those from different countries and cultures and to also exchange points of view and ideas.

Embarking on transformative journeys, more than 600 students attended Round Square Conferences, Zoom Postcard, Virtual Collaborations and Service Projects in India and worldwide. The students did not only get an opportunity to delve into immersive experiences that transcend the boundaries of traditional education but also understand their own strengths and talents and seek to use this to help others.

My sincere thanks to our visionary Principal, Dr. (Ms) Gunmeet Bindra to always guide, encourage, support and faith to uphold the values of Round Square within our school community.

Together, we will embark on a journey of holistic education, creating well-rounded individuals who embody the spirit of Round

Square in both thought and action.

*Durga Singh*

# RS EXCHANGE

OUTGOING

## CATE SCHOOL, CALIFORNIA

**Aradhya Sultania of Class XI** was on a Round Square Exchange Program to Cate School, California, USA. During his exchange, he attended classes and actively participated in various activities at the school and had an experience of a lifetime.

*"My exchange to Cate School is nearing its end. I had a great time here and was able to learn a lot in these past 6 weeks. This exchange has provided me with a lot of memories and fun experiences. I was able to explore their culture and their way of life, which in turn impacted my own". – Aradhya Sultania*

## BROOKHOUSE SCHOOL, NAIROBI

The Student Exchange Programme provided the kids an experience, as they learned new things in a different country. Not only was it a lifetime experience but it also enhanced their language skills. It gave them an opportunity to learn. Traveling to a completely new place gave them a chance to meet new people and help them to be independent.

Three Dalians, **Oorjit Sethi, Arnav Agrawal and Sahastranshu Singh Bhadoria** attended the Round Square Exchange Programme at Brookhouse School, Nairobi, Kenya. They attended classes and actively participated in various activities at the school. They also attended a Year 10 Geography trip to Masai Mara.

# RS EXCHANGE

## OUTGOING

### STIFTUNG LANDHEIM AMMERSEE, GERMANY

DC student **Anaaya Jaiswal of Class XII**, went on a Round Square exchange to Stiftung Landheim Ammersee, Germany. Her exchange started from July 13, 2023 and ended on August 10, 2023. She was hosted by the family of Aurelia Bosch, who was on exchange to Daly College in 2022. Apart from attending classes and participating in school activities, she had been to Vienna for a week.

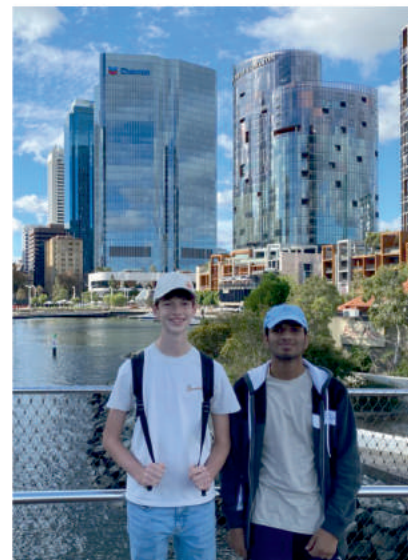

As per Round Square Representative of the host school – “Anaaya was a good student and she really enjoyed her stay in Vienna. We are trying to convince her to become a regular student at Landheim.”

### SCOTCH COLLEGE, AUSTRALIA

**Karan Bindal of Class XII** was on a Round Square Student exchange to Scotch College, Swanbourne, WA, from May 29 – June 30, 2023.

Karan had a wonderful time and attended classes and participated in regular school activities. His visit to the zoo, Rottnest Island, the Perth Aquarium was amazing and an everlasting experience. His host family was extremely warm and kind and he spent time with them on weekends.

OUTGOING

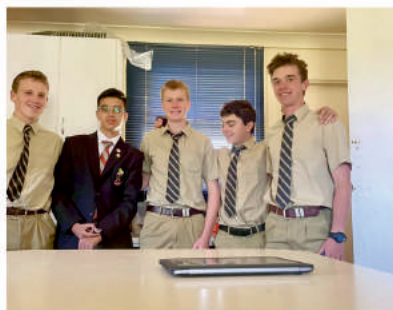

## THE ARMIDALE SCHOOL, AUSTRALIA

*"My exchange to The Armidale School (JAS) was a captivating experience that blended rich educational heritage with a vibrant, welcoming atmosphere." Navigating the historic campus, surrounded by lush greenery, engaging conversations with students and faculty members provided valuable insights into the school's commitment to holistic education.*

*I went to a family where they showed me their farm and learnt about farming and animals found in Australia (cattle, kangaroos, wollumbis) that were held captive there. My House Boys and I planned a trip to the coast (Sawtell) on my last weekend where we played Footie on coast. We also played cricket and I represented the JAS team.*

*It was a memorable experience and I will cherish it for a long time!!*

**- Kshaunish Satsangi**

## BUNBURY CATHEDRAL GRAMMAR SCHOOL, AUSTRALIA

*My transformative trip to Bunbury Cathedral Grammar School, Australia was a blast! I soaked up sunsets at the stunning beaches, rode waves, and made friends galore. The education system in Australia was very different from what we are used to. It was more experience-based and included plenty of hands-on learning. The welcoming staff made the transition seamless, ensuring a delightful time. It was a whirlwind adventure, brimming with learning, friendship, and unforgettable moments. Yet, the ultimate thrill! Making friends from across the oceans, bonding over kangaroos and Jim Jams, and creating unforgettable memories, I will cherish forever!*

RS REP <rsrep.dc@dalycollege.org>

## Thankyou to Daly College

Mon, Aug 7, 2023 at 7:34 PM

Jacqui Berglin <jacquelineberglin@gmail.com>  
To: RS REP <rsrep.dc@dalycollege.org>, Richard Foster <richard.foster@scotch.wa.edu.au>  
Cc: Scott Galipo <scott.galipo@scotch.wa.edu.au>, Blair Berglin <blair.berglin@gmail.com>, Matthew Berglin <matthew.berglin@student.scotch.wa.edu.au>

Dear Mrs Singh, or (as Matthew has explained) Durga Ma'am,

I am writing as my husband Blair and myself wish to convey our sincere gratitude to you and Daly College for the wonderful experience you have facilitated for Matthew (and Luis) during his exchange from Scotch College.

Now that Matthew has returned home, we have heard more details and incidental stories about his time at Daly College, in Indore and beyond, and we are in awe of the range of fantastic experiences and opportunities he has had.

Matthew has told us all the teachers and staff were very kind and supportive of the exchange group, particularly yourself. He enjoyed the classes and sport, and starting to get to know some of the boys. He felt honoured to attend the afternoon teas and dinners with both yourself and the school Principal. He also enjoyed the outings to the shopping mall, museums and places of interest. Most of all he enjoyed the trips away, visiting the cultural sites, palaces and temples, and the chance to see a little of the other side of India. Spending time with the Bindal family was also a big highlight, their hospitality, generosity and thoughtfulness was really appreciated. We felt comforted from afar that they were looking out for the boys.

So please accept a very big 'thankyou' for all you and your team have done for Matthew and Luis, and for all you clearly do for the round-square program that gives the students from DC and far away schools a chance to have such amazing experiences in their teenage years. If there is anything Matthew or any of us can do to provide feedback or references, please let us know as we would be more than happy to oblige. We wish you well with the remainder of the school year and hope that other boys from Scotch are able to participate in future exchanges.

Kind regards  
Jacqui & Blair Berglin

Cathy Tillett <cathy@prismeb.co.za>  
To: RS REP <rsrep.dc@dalycollege.org>

Mon, Dec 11, 2023 at 8:51 PM

Dear Durga

We can't thank you enough for the wonderful Indian experience Gracie has had at Daly College. She has learned so much about India, boarding school and herself. I think this has been an experience that will shape her life forever.

As a parent one is always apprehensive about sending your child off on her own, especially one so young but we certainly didn't need to be. Everyone at Daly College has been incredibly kind and looked after her so well! To the extent that when I told her I will only be getting to Delhi a day or two late, she wasn't fazed at all, I think she might have even been pleased

The families that she spent time with were so incredibly generous and took such time and care to share their culture, food, family and even pets with Gracie, we are humbled and blown away by their generosity. Thanks you so much for picking them!

Thank you too for arranging the chocolate cake for her birthday and so graciously adapting plans and extending her stay when I couldn't fly as planned.

I do hope you get the opportunity to come to South Africa with Round Square sometime so we can meet in person? You have my details if you do!

Kind Regards  
Cathy and Guy Tillett  
Xxx

## ROUND SQUARE CONFERENCE HOSTED BY DALY COLLEGE

### **“Baltantra –We the Children of the World”**

Daly College hosted the Round Square Conference from February 23 to February 27 2023 for the students of age group 12-14 years. The theme of the conference was “Baltantra – We the Children of the World” based on the Round Square pillar of 'Democracy'.

This 5 daylong conference consisted of Keynote addresses, Baraza & Riika sessions, Visual Art Workshops, Adventure Day, Service Day and a visit to the ancient fort city, Mandu. On the last day of the conference, the delegates witnessed a historic event, the Civic Walk. A total of 197 delegates from 22 Round Square schools attended the conference.

# RS CONFERENCES

INTERNATIONAL

## ROUND SQUARE INTERNATIONAL CONFERENCE, KENYA

A delegation of 5 students and 2 adults attended the **'Round Square International Conference 2023'** hosted by Brookhouse Schools, Kenya from 8th - 14th October 2023. The theme for the 55th Round Square International Conference

"The New Africa " allowed the delegates to explore many ways in which the continent has evolved and was defining its position in the 21st Century.

The Adventure Day featured a night under African skies, camping in the Nairobi National Park, with wildlife game drives and an environmental conservation focus. The conference included a day devoted to community-based service projects. All of the projects were in and around Nairobi and involved working with children in a home, school or orphanage or an environmental project.

### Student Delegates:

1. Aneesha Badjatia, 2. Fateh Hardayal Singh Babbar
3. Hriday Anand 4. Saara S Lunawat 5. Riddhima Jain

### Adult Delegates:

4. Mahendra Singh Chouhan
5. Raghumanyu Singh

Teachers- in-charge: Mrs. Richa Chitale, Mr. Gaurav S. Rathore and Mr. Alok Kanoongo

A team consisting of 20 DC students collaborated with **Shiv Nadar School in Noida** which undertook a mission to promote renewable energy, with a particular emphasis on utilising wind energy. Along the way, they aimed to engage with students and learners from all over the world to raise awareness about renewable energy and environmental conservation. The students under Mr. Avinash Moyde, made a model of a wind mill and watched the movie **“The Boy Who Harnessed the Wind”**. They also interacted with the real life character of the movie, William Kamkwamba.

Teacher- in-charge: Mr. Avinash Moyde

**GEMS Modern Academy, Dubai** hosted a Virtual Conference on the theme **“Beyond Boundaries: For Courageous Leaders of Tomorrow”** which was held on September 14, 2023. The conclave aimed to identify and empower potential leaders of tomorrow by engaging them in a constructive and thought-provoking dialogue.

## ROUND SQUARE VIRTUAL ZOOM POSTCARDS

Online Zoom Postcards became a regular activity during the Covid-19 pandemic and continues till date. The students, who were not able to attend in person conferences had an opportunity to experience Round Square activities through the virtual meetings and collaborations. Approx. 83 students participated in the various Round Square Virtual Zoom Postcards hosted by RS Member schools.

1. Dhirubhai Ambani International School, Mumbai
2. Ashbury College, Canada
3. Woodridge College and Preparatory, South Africa
4. Kinross Wolarai School, Australia
5. Step by Step School
6. UWCSEA, Singapore
7. St. Stithians Girls' College, South Africa
8. Bermuda High School
9. Thomas More College, South Africa

## ROUND SQUARE INTERNATIONAL SERVICE PROJECT, THAILAND

One of our students, Shivang Doval attended a **Round Square International Service Project in Thailand** which was scheduled from December 5 – 10, 2023. The RSIS Thailand 2023 project was attended by 59 students from 14 countries spread across the five Round Square regions.

This Round Square International Service Project included the construction of a community research centre, park ranger huts, look-out towers, hornbill nest boxes and beehive fences. The team also helped to plant lemongrass and citrus plants, plus other crops hated by snacky elephants. Students learned about the Thai culture and history dating back as far as the Mangrai dynasty and how small changes can have a big impact in rural communities. In addition to learning about elephant behaviour, demographics, and migration routes, they also learned about the importance of local fauna and flora.

After the project they walked to the Chao Phraya River pier for a Bangkok Klong tour on a long tail boat. They visited Wat Po, home to the golden reclining Buddha and traditional Thai massage.

# ROUND SQUARE FORUM

[South Asia and Gulf Region]

For the second time, The Indian High School hosted the Round Square Forum for the members of South Asia and the Gulf Region from November 17 – 20, 2023. Principals and their representatives from 54 schools attended it. They were from India, Oman, Pakistan, Armenia, Bangladesh, and Jordan. The Round Square Rep of Daly College, Mrs. Durga Singh attended the forum.

## DC COMMUNITY SERVICE & WILDLIFE AWARENESS PROJECT

Daly College Community Service and Wildlife Awareness Project in association with BAAVAN was organized at the buffer village of Panna Tiger Reserve from March 14 - 17, 2023 for the RS Member schools. A total of 63 students and staff members from 8 RS Members schools attended the project.

This project aimed at sensitizing the village population about wildlife. The project involved awareness regarding hygiene amongst women, eye care and cleanliness in the residential area of the local community and also painted the walls in the school and did plantations in the buffer villages of the Panna Tiger Reserve.

# GIRLS' WASHROOM PROJECT

This year Daly College has supported the Govt. Middle School, Gajinda, Mhow and constructed twin washrooms for girls under the Girls' Washroom Project. So far, we have constructed 25 twin washrooms in government schools.

## FUNDRAISING

To raise funds for community service, we organized Casual Wear Day, Traditional Attire Day and the Fundraising Fete.

## TREE PLANTATION DRIVE

### - VAN MAHOTSAV

Van Mahotsav ('Forest festival') is an annual one-week tree-planting festival in India which is celebrated in the first week of July. The Round Square Students' Committee of Daly College organized a Tree Plantation

Drive on Saturday, July 8, 2023 in order to sensitize students towards the need to preserve our environment and ecology. The main purpose of this event is to teach students how we can save our climate from pollution. The exchange students also participated in the event.

# ROUND SQUARE ANNUAL EXHIBITION

The Round Square Annual Exhibition is centered around the Round Square philosophy which provides a platform for students to creatively exhibit projects, share experiences and foster a deeper understanding of the IDEALS, promoting a culture of collaboration, global awareness and holistic development. The students worked diligently and presented a collage of different activities done throughout the year in the form of posters, exhibiting photographs, service related projects and shared importance of Round Square Discovery Framework which emphasizes on 12 values.

# Unleashing sporting triumphs

**SPORTS NEWS**

## MESSAGE BY DEAN, SPORTS

### Greetings

*Education without sports is like a body without a soul. Sports inject life, vigour, and spirit into the educational journey, shaping not just the physical but also the emotional and intellectual aspects of a student.*

Daly College firmly believes in achieving excellence in all its endeavours while keeping a synergy between sports and education. The college believes that the playing field is a classroom without walls, teaching students the art of resilience, the science of strategy, and the importance of teamwork—lessons that cannot be found in textbooks.

The Dalians basked in the glory of their excellence, committed to quality that brought them to the apex of excellence. From moments of rigorous training to thrilling triumphs on the field, the Dalians have exemplified pliability, discipline, and teamwork. The track and field events witnessed stellar performances from our athletes, breaking records and setting new benchmarks. Our football teams displayed exceptional teamwork and skill throughout the year.

Hoisting the flag of honour and legacy, Keya Chandani represented India in the Junior International Tournament of Badminton World Federation at Hyderabad, A.P.

An up-and-coming sensation in the world of tennis, Pehal Kharadkar secured individual winner's position in the IPSC U-17, National Series U-16, Madhya Pradesh Tennis League U-16, Khelo MP State Youth Games U-18 and SGFI State Team and Individual U-17.

Another emerging star on the tennis court, Reet Arora won the IPSC U-14 Tennis Championship series, in both singles and doubles categories. Besides winning the National Series U-14, she also clinched the MSLTA Endurance AITA National Championship. Once again etching her name in glory, she brilliantly marked her victory at the National Under-16 tournament in Jalandhar. Ensuring the banner of excellence flies high, Aashita Chaudhary secured medals at State and IPSC level and qualified for National Competitions. She also won the District Gold medal in chess. Maintaining the emblem of excellence, Raghumanyu Singh won 8 Gold medals in the MP State Shooting Championship.

The basketball courts echoed with the cheers of supporters as our teams showcased their prowess. Our swimmers made waves in the pool, achieving commendable results in various competitions. Abeer Singh Mehta, Shashank Raghuvanshi, Shaunit Jain, Sarah Wilson and Manswini Thatte stood out with multiple gold medals, showcasing not only their speed but also their dedication to the sport. For the first time, Team DC was declared the Overall Runners-up in the Boys' and Girls' categories in the 58th All India IPSC Athletic Meet-2023 held at PPS, Nabha. Preserving the symbol of exemplary performance, for the first time the Daly College team won the Runners-up trophy in the IPSC Table Tennis Tournament 2023 in the Boys' U -14 category.

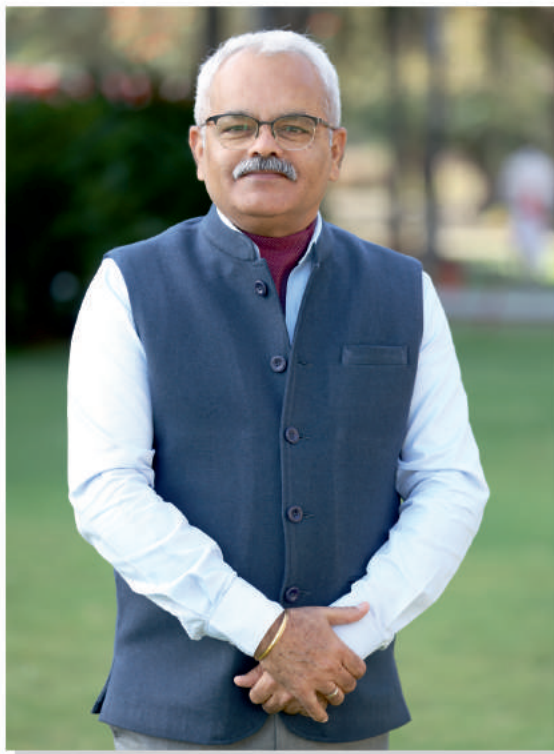

Mohak Agrawal led the college hockey team to secure the runner-up position in IPSC Hockey Tournament. Holding aloft the insignia of excellence and accomplishment, Bhavdev Singh Chauhan & Rishika Yogendra Deshpande became the 1st College Captains for Dalian Lancer's Equestrian Club in respective categories. Lifting the standard of distinction to new heights, Heem Mohan Puthran, Riddhima Kumari and Rishika Yogendra Deshpande led the college Athletics team to secure the IPSC Runners-up Trophy in the Boys & Girls Category for the first time. Dushyant Pratap Singh and Pratyaksh Patni played in the finals of the IPSC Football in all three age categories and became winners of the IPSC trophy. To instil a belief in the possibility of continuous improvement, International Sports Collaboration was held at the Jr. & Sr. High School of Kogakuin University, Japan. To embrace the relentless pursuit of perfection, six Dalians went to Deutsches Fußball Internat Academy, Bad Aibling, Germany for a soccer tour and showcased exemplary performance.

We celebrate not only victories but also the persistence, teamwork, and personal growth that our students have

experienced. Each event, match, and practice session has contributed to the rich tapestry of DC's sporting legacy. Let us carry this spirit forward into the coming year, embracing new challenges and striving for excellence in all our sporting endeavours.

*Harish Benbi*

## REPORT BY DEAN, CI AND PLACEMENTS

*"Education is not preparation for life; education is life itself."*

—John Dewey

Education provides us with a lens through which we can better comprehend and tackle the issues around us. The CAIE program is dedicated to enhancing students' practical learning skills, aiming to bolster their analytical and communication prowess through a comprehensive methodology. Students collaborate to simplify learning, demonstrating ongoing dedication to excellence across the diverse domains of the CI sections. Understanding our immediate environment is straightforward, but obtaining an education opens our eyes to the wider world. "Education is the key to unlocking the world, a passport to freedom." —Oprah Winfrey

IGCSE results for the session were excellent. Total number of candidates who appeared this year was 29. Out of these 26 earned Cambridge International

Certificates in Education (ICE) Award with Distinction or Merit. Distinction: 63 % and Merit: 28%. In all they scored 154 A\* and As. Saara Lunawat, Vanshika Sangla and Aryaman Tekriwal did the school proud by scoring A\* in all 9 subjects. Rishaan Bhatia scored 100 in IGCSE Maths. Rishaan Bhatia received the highly sought-after Outstanding Cambridge Learner Awards for 2023. For being Topper in the World in IGCSE Math. In the A level Examinations, 24 candidates appeared for A Levels. Around 54 % students scored A\* and As. Siddhant Jhawar, Prakhar Agrawal and Pragun Gupta were the stream toppers. All of them scored 4A\* and 1A.

*Asma Ansari*

Dean, CI and Placements

## PLACEMENTS REPORT 2023 24

The Class of 2023 students have achieved remarkable admissions both within India and abroad. Within India, several students have secured coveted spots in prestigious institutions such as IIM Indore, Ashoka University, OP Jindal Global University, and Plaksha University. Additionally, in Delhi University, admissions have been obtained in esteemed colleges like Hansraj College and SRCC. Furthermore, students have enrolled in renowned institutions like Christ University and Krea University in Bangalore, with one student even joining the esteemed Indian Institute of Management, Indore.

In Mumbai, a significant number of students are pursuing their education at NMIMS, Jai Hind College, St. Xavier's College, Mithibai College, and Sofia College, while others have been admitted to BITS Law School.

Once again this year, our students have successfully gained admission to numerous prestigious universities around the globe, including but not limited to: National University of Singapore (NUS), Amherst College, Boston University, Colgate University, University of California, Stony Brook, USC, Drexel University in the USA, University of Toronto in Canada, Deakin University and University of Melbourne in Australia, Geneva Business School in Switzerland, Cardiff in the UK, and several others.

Daly College has been actively engaging its students in career development initiatives through various avenues. One such initiative is the organization of Career Fairs and Career Info sessions on a regular basis. These events provide students with

valuable insights into different career paths, industries, and higher education opportunities, allowing them to make informed decisions about their future.

In addition to these events, Daly College has integrated weekly career counselling classes into the curriculum for students from grade 7 to grade 11. These classes are designed to help students explore their interests, strengths, and goals, and to provide guidance on choosing suitable career paths. Through interactive activities, discussions, and assessments, students are equipped with the necessary knowledge and skills to navigate their career journey effectively.

Furthermore, the school offers personalized one-to-one college guidance sessions for students in grade 11 and 12. These sessions are tailored to the individual needs and aspirations of each student, providing them with personalized advice and support in the college application process. Whether it's selecting the right universities, preparing application materials, or understanding admission requirements, students receive comprehensive guidance to help them achieve their academic and career goals.

Overall, Daly College's comprehensive approach to career development ensures that students are well-prepared and empowered to make informed decisions about their future academic and professional pursuits. By providing a range of resources, support, and guidance, the school fosters a culture of lifelong learning and success among its students.

**DC FORUM** is a marquee endeavour initiated by the Principal in 2023 with the aim to inspire Dalians and make them more aware of the growing job market and the myriad professions that are thriving in the 21st century. Ranging from an expert Animal Communicator –Sonali Thite, to a leading US Astrophysicist –Mansi Kasliwal, to a national cyber-crime fighting superhero –Rakshit Tandon, to Old Dalians leading in Oncology and Business –Dr. Nayan Gupta & Girish Nadkarni, DC Forum has provided a superlative platform for students to gain firsthand insights from industry experts, who have disseminated fact-based information and knowledge, peppered with healthy doses of innovation, humour, advice and more, always followed by a patient interaction, to quench the students' curiosity.

2023 was a year of abundance when it came to events hosted at Daly College. Among the spectra events we hosted, the two most prominent ones were the CBSE Skill Summit and the Great Indian Learning Festival (GILF) organised by Scoonews. At the CBSE Summit, we welcomed some of the topmost authorities of CBSE to

expostulate on importance of skills and their inclusion in the NEP, and GILF had delightful and thought-provoking, activity-based tracks for students and school leaders, along with offering an eye-opening track for teachers, including fulfilment of 50 hours of CBSE PD training.

समृद्धि कुटुम्बकम्  
ONE EARTH - ONE FAMILY - ONE FUTURE

GILF 2023

The visit to Sriharikota to watch the launch of Chandrayan 3 was a once-in-a-lifetime experience. From July 12 to 15, 58 Dalians, along with 6 teachers, witnessed the spectacular launch into space. Those thirty seconds of its magnificence, dazzling brightly in the sky, will always be a core memory for everyone and will never be forgotten.

### Daly College at the World Book Fair

On February 14, 2024, a group of four students, accompanied by two staff escorts, attended the World Book Fair 2024 at Pragati Maidan, New Delhi which unleashed a torrent of imagination. The students had the unique opportunity to meet the renowned author Mr. Shiv Khera, who generously signed copies of his own books, creating an indelible memory for all. In addition, Vidhi Ruchandani had the chance to engage with S.P. Mittson, the author of 'The Wandering Star,' published by Paper Towns Publications.

### IPSC French Fest

The first-ever IPSC French Fest 2023 held on 18th and 19th July was a resounding success as the students experienced the vibrant French culture. 11 IPSC schools across the country participated with vim and vigour. There were outstanding performances across a range of events including French poems, songs, spell bee, reading the text with French accent, and quiz. The Fest emphasised upon the importance of learning a foreign language and its influence in fostering a multifaceted personality. Daly College won the Overall Best Delegation Award at the Mayo College, Ajmer, Inter -School International French competition-'Le Concours De La Francophonie,' organised in October. Our students showcased their remarkable skills and commitment to multilingual education.

Mayo College French Fest Best Delegation

### The Charismatic Mathematician

Recognising the dedication and commitment to building the future of the youth of India, Daly College indeed created a red letter day for itself and its students and staff by inviting the charismatic mathematician and founder of super-30, the legendary Anand Kumar, to motivate the students. The students sat enthralled through the spellbinding rendition of some glimpses of the vicissitudes in his life and the positive impact of the interaction was seen to be believed. Mr. Kumar unveiled the book, "Impressions", an anthology of stories by our budding authors under the Quill Club writer's programme and had a sumptuous lunch with the luminous galaxy of achievers in academics.

# Graduation CEREMONY

*Graduation*  
CEREMONY

# DC, we owe it to you!!

**Mrs & Mr Gautam  
(Vivan's Parents)**

*Though my heart was bursting with pride and joy to a hint of nostalgia and even a tinge of apprehension about the future, deep down it was quite an overwhelming feeling seeing my son, Vivan graduate that too with flying colours. It was a very very emotional moment for me. The way Principal Ma'am was lighting up every student's lamp gave me a feeling as if she was energizing each of her students with her own inner light. As Vivan graduates from Daly College, he will undoubtedly miss the invaluable guidance from the school's exceptional teachers. From state-of-the-art facilities to engaging extracurricular activities, the school has offered a holistic educational experience that nurtured both academic excellence and character building. The camaraderie formed with classmates, the mentorship from dedicated educators, and the vibrant atmosphere of Daly College will be missed as he ventures into new endeavors beyond the school gates.*

**Mrs & Mr Lath  
(Geetika's Parents)**

*2. It was good to see other students whom we've known as kids, grow up and graduate. It was our last official day at school too; I was thinking of how terribly we'll miss the samosas. 15 years in school is almost like going to another home. Geetika has grown from a preschooler to a high school confident girl at DC. DC has provided the right opportunity for Geetika be it in Academics, Sports or other Co curricular activities. Could not ask for more. Friends for her have become more like brothers and sisters and teachers are more like guardians. DC has guided and helped Geetika set the right path for the future. She has matured and has developed the quality of self decision making. All of her teachers have been brilliant and always willing to help.*

**Mr Garg  
(Saadgi's Father)**

*I felt extremely nostalgic and elated to see Saadgi graduate; it was an out of the world experience. The ceremony was so well organized! My favourite moment was the rose ceremony and seeing her carry the diya as it was like watching her walk into a new stage of her life officially. Now with college and her future, she will surely miss school. I'm really happy with how Saadgi has grown, her journey has been one with a lot of effort. 14 years actually, she's always tried to take every opportunity she was given. She has had a wonderful journey. DC has always helped her grow and she's become so attached to the school because of it. So many times, we've had to ask her to come home because she's been so dedicated to her duties and tasks at school she's there for the entire day! More than us of course, she will definitely miss her school a lot as she walks into the second stage of her life.*

**Mrs & Mr Chandhok  
(Ridhima's Parents)**

*During my child's graduation, I experienced a whirlwind of emotions. There was immense pride in seeing my ward reach this significant milestone, a touch of nostalgia as I reflected on her journey through school, and a hint of sadness knowing that this chapter of her life was coming to a close. Overall, it was a bittersweet moment filled with joy and gratitude. Throughout her journey in school, I've seen my ward grow and evolve in so many ways. She has become more confident, independent, and compassionate. School has not only equipped her with academic knowledge but has also instilled important values and life skills that I believe will serve her well in the future. I've watched her overcome challenges, embrace new opportunities, and forge meaningful relationships, all of which have contributed to her personal growth and development. Overall, I'm immensely proud of the person my child has become.*

**Mrs & Mr Bindal  
(Karan's Parents)**

*Our feelings during the graduation ceremony were very touching and emotional. Karan has grown up so quickly and become such a smart and impressive young man, a large part of it being played by the teachers of Daly College. Daly College has left an indelible mark on Karan's personality. He has become a smart, confident and aware person with humility, empathy and leadership all deeply inculcated in him. Daly College recognised and promoted these qualities in him. Karan has changed dramatically during his time at Daly College, we as parents remember as if it were yesterday. Karan was shy, quiet and introverted and we would ask all the teachers right from pre primary to junior school to senior school to make him express himself and articulate his thoughts. MUN's really helped to bring out his communication skills. Daly College has done an exemplary job of polishing him to face the challenges of life. Thank you so much and God bless!*

**Mrs & Mr Palod  
(Pranit's Parents)**

*Watching my ward graduate filled me with immense pride and joy. It was a heartwarming moment that underscored the culmination of years of hard work and dedication. DC has played a pivotal role in shaping my ward's personality and development by exposing him to diverse cultures, broadening his perspectives, and instilling in him a sense of resilience and adaptability. The most memorable moment from the ceremony was when my ward's name was called. Something I'll miss about DC is its vibrant energy and the sense of community that has supported my ward's journey. Thank you Principal, Staff and whole DC team from bottom of our hearts*

# Reflections

Picture this: a tiny version of me, barely out of diapers, waddling into school for the first time. That was the beginning of a love story, one that's lasted for 15 years, and it's about to get its final chapter. I just wanted to drop a few words, not because I'm wise beyond my years but because, well, I've been there, where you are right now. And let me tell you, your journey is just beginning, and it's going to be one heck of a ride. The best stories are born out of challenges, and trust me, you're about to script an epic tale. Don't be afraid to make mistakes, take risks, dream big and, most importantly, be kind to your teachers. The late-night grading sessions, the extra hours they put in, and the genuine concern they have for your success – that's not just a job; that's passion. So, my dear juniors, soak it all in, laugh till your stomach hurts, cry when you need to, and dance like no one's watching. Be unapologetically you because, trust me, that version is the coolest. And when the day comes for you to stand where I am now, pass on the legacy with the same love and passion that was handed to you. Make us proud, Dalians!

*Geetika Lath*

Head Girl

Growing up, I never imagined that DC will empower me as much as it has. It has helped me to become an individual of my own and to realise my own worth. The best thing about this place is its history with me and every student before me. This place has seen us all fail, fall, stand back up and rise. Personally, it's actually hard to believe that there have been times like the night it had seen me cry over messing up Hindi extempore in 8th grade due to stage fright, and yet when the opportunity came, it gave me the ability to find the inner strength, courage and confidence in me to portray Buddha in the APG in front of the whole school. And today, as I look back and reflect, I realise that everything that has happened, good or bad, was DC's carefully curated disguise that was guiding me and preparing me for something more stunning than I ever knew existed. DC has truly seen it all, my best and the worst. A journey with so many highs and lows, ups and downs, I will miss and cherish every little thing about DC. Be it the assemblies, events, APGs, inter-houses, music lessons, jam sessions, my music team, the 'you raise me up' performances, the CTDC, the teachers and the support staff, Friday and Saturday dinners and Rajendra house. And now, as I prepare for a new journey, all I can give back is gratitude and gratefulness to the greatest institution I could've ever studied in. I'd like to add a little advice for all my juniors, no matter at what point in life you are right now, always stay true to yourself and to the school. Some of your best days haven't even come yet. Some of your favorite people, you haven't even yet met. Some of your greatest chapters—they're still being written. And when you reflect back at things, you'll realise this experience was all you had come to DC for! Dear Daly College, it's been a privilege and thank you for the best 5 years of my life!

*Pranit Palod*

Head Boy

A journey marked by celebrated triumphs, crucial learnings and rendez-vouses with the loveliest bunch of people - words seem insufficient to describe my journey at this glorious institution. From going for morning assemblies to sitting by the main building, I will cherish every moment. DC has given me every chance to grow, become better and understand myself. Not once, but every single day. I have learnt to feel and embrace every emotion here, and as I get ready to enter a new phase of my life, I have only gratitude and love for everything that DC stands for. Dear Daly College, thank you for giving me the best 14 years one could ask for!

*Saadqi Yarg*

Deputy Head Girl

I truly feel very fortunate to have gotten this opportunity to study in one of the most prestigious schools of the country and experience being the Deputy Head Boy of DC. I have learnt a lot from DC, not only in academics, sports, MUN, Co-curricular activities but also, I would say DC has shaped me into the individual I am today. The one thing I will always carry along with me is the experience Daly College has given me, the person it has turned me into, and how intensely I have grown as an individual and all set to go out in the world by myself, fearless. The life and the experience that Daly College gave me was no less than a roller coaster ride but I navigated through everything and that too successfully! I am terribly going to miss the tennis courts and football grounds, our daily line ups are very close to my heart! Principal Mam's morning assemblies are extremely insightful and I feel each Dalian must try to grasp as much as possible as they are purely value additions. Here's to being a Dalian forever!!

*Vivan Gautam*

Deputy Head Boy

# Au revoir

Au revoir! It is with a melange of gratitude and sadness that the school bade farewell to Mr. Ansari, a stalwart presence who has tirelessly served in diverse capacities for over three decades.

His illustrious innings, a chapter of inspiration, epitomize his commitment-so extraordinaire; his passion-so admirable; and his love for DC-so enviable. From an English Teacher to Housemaster, Dean to Vice Principal, to Sr. Vice Principal, Mr. Ansari, a true 'calm waters run deep' persona, led by example.

As his innings at Daly come to an end, we carry the wisdom imparted by his leadership. The hallmarks of his tenure - integrity, sagacious guidance - will forever linger in the corridors of this institution.

January 30, 2024 - As the evening gracefully waned, a baton was passed on, cradling within it the weight of promises, each echoing with the solemn pledge to perpetuate the flame of our rich legacy.

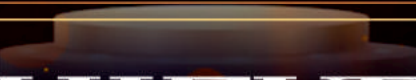

May his journey forward be a cricketing saga, rich in strokes of fulfilment and catches of contentment. May it be filled with glorious boundaries, meaningful partnerships, and the sweet sound of the willow meeting leather.
