**Chatterford Market**

Cabbage and carrots,  
Beetroot and beans,  
Spinach and sprouts,  
Marrows and greens:

All of the freshest

Crispy and spry,

At Chatterford market,

Buy! Come buy!

Lettuce and leeks,

Pumpkin and peas,

Cherries and berries

And lemons to squeeze.

There's big yellow cheese

And honey from bees

And all sorts of teas

From bushes and trees,

And cakes and pies

To feast the eyes,

Pies and pasties of every size.

There are things we all know

And things that surprise

At Chatterford Market

Under the skies.
